

THE TIMES.

THURSDAY, SEPT. 2, 1893

LOCAL.

Mr. J. K. Stewart of Troyville was in town Monday.

Mr. F. R. Hall spent a few hours in town yesterday.

Cotton is coming in slowly, but the price is gradually going up.

Mr. O. P. Shell representing L. C. Younger of Richmond, spent Saturday and Sunday in town.

Mr. H. W. Jernigan of Sampson, headed us a beet Monday that weighed 7 lbs., the largest of the season.

A good many of the young people of our town went to the Seven Miles Association Sunday.

Prof. G. T. Alama returned Monday from Chicago, he will spend a short time with his parents at L. R. Academy.

Elder L. E. Everett from Washington, N. C., preached Monday at 11 o'clock in the Primitive Baptist Church here.

Mr. Geo. E. Prince our cleyer and Elder C. S. C. of Lillington, and Mr. L. P. Chapin of Summerville, were in the city Tuesday.

The Presbyterians have organized a Sabbath-School at their church here, and now meet at half past three in the evening each Sunday.

Harry, the little son of Mr. and Mrs. W. P. Johnson of our town, died Friday, he was only two years old. Sunday he was buried at Spring Branch Church.

Dr. J. A. Hodges spent a few days at his old home near L. R. Academy last week, and Monday passed here on his way to Richmond, where he goes to take the Chair of Anatomy in a Medical College.

Mrs. D. A. Koonce has sold her business here and left last Saturday for Hertford, N. C., where she will open again. She has many friends here who wish her every success.

Miss Sue McKay has bought out the Millinery business of Mrs. D. A. Koonce, and will remain at the same old stand. Ladies who want to purchase anything in that line will do well to call on her.

The Thirdites say Congress has killed silver, but we are authorized to say to them that \$1. in silver will pass as quick now as it ever would, and buy you as many goods as it ever would, especially in our town.

Deputy Marshal J. H. Ballance took Mr. John McGhee of Pleasant Grove township, Johnston Co., to Smithfield jail Tuesday morning. He was tried before U. S. Commissioner J. B. Holland for illicit distilling, and bound over in a \$200 bond, and failed to give the bond.

Again we have to remind some of our subscribers they are due something for their paper, we have run through the summer without pushing for what is due us, but now we ask our friends to come in and help us, by paying their little sums. What any one man owes is not much, but all the littles help us and the "TIMES."

We can say without fear of a challenge that no town in the State can equal ours in churches, six nice, well finished and well furnished churches in a town of eight hundred inhabitants, and each a regular pastor.

Mr. C. C. Colquhoun of Goldsboro was in town on the 30th of this month. He will be in the line of boots, shoes and clothing, at prices never

Just lovely weather.

Cotton opening rapidly, and the faces of the little picking machines radiant with smiles, as coming events cast their shadows before.

Little Theodore, son of Mr. Bud Tart died on the 16th of croup. To the bereaved family, we extend our heart-felt sympathies.

There is a resting place from sorrow, sin and death.

A happy spot where mortals may be blest.

Where grief may find a balm, and weariness a rest.

Yes in heaven,

Owing to the busy season, our school will close on Friday.

The showers have ceased, and the farmers are harvesting their crops now.

Last April Rev. N. H. Gibbs was riding by Stewarts School House, saw a lady there and asked if there was any chance to get that house to preach in, but the lady could not tell him, so he found out the committee and got permission to use the building. He began preaching on the 3rd Sunday evening, and also organized a Sunday School. Later he decided to hold a meeting and began on Sept. 3rd and the meeting held 9 days, resulting in several conversions. And on Sunday the 17th Rev. A. N. Campbell, Allen Betts and N. H. Gibbs organized a church. Thus from the above sprung a young church, which we hope may grow and be a blessing to the community and those who have connected themselves with it.

OBITUARY.

On the morning of Sept. 6th at 7:40 a. m. The Angel of time called at the door of Mrs. M. Bell, daughter of Marshall Lee and Elizabeth Lee of Sampson Co., and found her ready and waiting. She had spoke many times of dieing, and called all the family to her bedside on Sunday before, and told them what she wanted them to do. She left a little boy 5 1/2 weeks old. One that she loved better than she did her own life. She requested her husband twice to meet her in heaven and not to grieve after her. She was a true Christian, living up to the full sense of a Christian's life. She connected herself with Campbell Baptist Church three years ago, and has always been prompt in attending to her church duties. As a wife her life was one of example. She knew nothing, but to try to please her dear husband. It can be truly said, "None know her, but to love her." I can say truly and fully, "Oh! my dearest, thou hast left me. Gone thy home in Heaven to fill. God our father, from me hath taken. But, your form, I love still."

She was married on the 19th of last October, and lived a married life 10 months and 22 days, which she declared was the happiest part of her life. She was 21 years, 6 months and 20 days old.

I can truly say, "My happiest days are past and gone. My sorrows, now are at hand. I am left here on earth mourning To meet my Savior's command."

A CARD.

The little pugilist and his backers came out victorious in the first round, we gave it to "hard times" fight in the neck last week, I venture the assertion that Mess. Dupree & Lane's cash sales for the last week was equal to any two houses in Dunn, this is not unreasonable for they have more new goods than any two houses in town, and they are pretty and cheap. The war is still raging, come at once to the fight, it will interest you.

WE MAKE A SPECIALITY OF SHOES, OUR SHOE DEPARTMENT IS COMPLETE. OUR MOTTO IS, UNDERBUY AND UNDERSELL.

If you will call at our store, we will convince you that our goods, and our prices are right. We profess to understand something about the needs and wishes of our customers. Our buyer, Mr. P. T. Massengill, has been standing behind the counter for 13 years, and Mr. S. G. Marks has been using the scissors and yard-stick for us about four years, and the seignior member of the firm, Mr. J. A. Massengill, will be with us this fall and give the business his personal attention. All we ask is a trial. Satisfaction guaranteed, or money refunded. Thanking our friends for past favors.
