The Baptist Sunday-School at Spring Branch, Sampson Co., had quite a nice Xmas Tree last Saturday evening.

Collector F. M. Simmons has recommended Mr. T. A. Harrington for store keeper and Mr. John W. Stewart for gauger of this county.

The Xmas Tree at the Disciple church was in every way a grand success. The tree was very pretty and filled with nice presents.

Many of the worklies of the State are taking Xmas this week and will not come out but will resume work with more energy next week.

Next Monday is the first day of the new year, get ready to make new resolutions and new promises, for that is always in it when the new year comes.

We hope that all of our Dunn subscribers will remember that this is the last week in 93, and if they are due us any subscription, to please hand it in this week, all who fail to heed this will be called on immediately.

Hon D. H. McLean's address at the Christmas Tree Monday night at the Progressive Institute was a perfect gem of beautiful thoughts, and highly enjoyed by the crowd. The tree was a success in every way. The splendid music added very much to the occasion.

Uncle Bobbie Norris a clever, old man, and an esteemed citizen living here, is 88 years old now, and he has spent about 70 years of his life in the stage and mail service and still has some Star routes which he has carried. He drove the wagon that pulled the "Log Cabin" from Fayetteville to Raleigh in the Harrison campaign of 1840. Mr. Norris is now afflicted with paralysis and ought to get a pension, the good people of our town and county ought to make an effort to put him on the Pension.

Miss Mollie McKay, who has been teaching music in the Wilkesboro High School for the past year is spending the holidays with relatives here.

Capt. J. R. Jernigan, it is announced will soon receive an appointment of note, also Mr. O. J. Carroll will ere long receive his desired appointment to the Marshallship. Capt. Jernigan is a very worthy man and will probably fill the vacancy made by Mr. A. D. Jones.

This issue is the last one of this last one of this year. We hope every one of our readers enjoyed a pleasant and merry Xmas and will bear in mind that they have received the TIMES promptly all the year and if any of them owe us anything they cannot assist us in any better way than to send in the small amounts at once, for the new year will not beam so brightly if we have a lot of delinquents on our books.

A CARD.

The undersigned desires to announce to the public that he has located at Dunn for the practice of law and for the benefit of the fine school of the town. He will be at Lillington every Monday where his clients and friends can meet him. He will attend the Courts the Justice of the Peace any where in Harnett or adjoining counties. Mr. Farmer, his partner in the practice of law will always be ready to attend to the business of the firm in his absence.

Dec. 20th. 1893. Atty at Law.

A Foundry at last.

John A. McKay & Co., the turpentine tool manufacturers have been trying for the past year to add a foundry to their business and now it will be done. Mess. A. R. Wilson, and J. H. Mathews two well known business men of our town and county have become partners with Mr. McKay, and and will have perfected all arrangements to put in the foundry at once. The furnace and all the necessary machinery has been ordered and some of it has arrived. They are enlarging their buildings and before many week of 1894 pass, they will be manufacturing plows, cast-iron and all kinds of turpentine tools. The work will be started in time to supply the spring trade in plows and casting. We think our people should encourage enterprises of this kind and feel sure that this one will get a liberal support from this section of the country.

Editor Burbank Sued for Libel.

Winston, N. C., Dec 23.—Special—James S Reed, of Ridgeway, Va., has entered suit here against editor W F Burbank, of the Sentinel, for libel, claiming that his character and high standing has been injured to the extent of ten thousand dollars by a publication in the Sentinel a year ago when Reed bought goods of Winston merchants under such circumstances that the paper expated him. Reed's brother, Dr. Reed, of Reidsville, who bears a different reputation from the man who has entered the suit, came to Winston and paid off the claims in order, as he said, to keep down a disgrace. Editor Burbank has no fears as to the result of the suit, Reed's reputation is too well known for any jury to return a verdict in his favor.—News-Observer-Chronicle.

ANOTHER CRANK.

Few York, Dec. 26.—The Sergeant of the 28th precinct station house in East 104th street, near Third Avenue, was busy studying the blotter at one o'clock this morning when the door was suddenly flung open, and a wild-eyed looking man who had recently been drinking rushed into the room. He had a long murderous looking knife in one hand as he rushed up to the desk and exclaimed: "I am going to kill Parkhurst and want you to send a couple of policemen along with me to arrest me after I have done the job." His eyes gleamed with a dangerous light as he said this and his arm flourished the knife very near the Sergeant's face. After the Sergeant had recovered from his surprise he called in a couple of policemen, and after a hard struggle the man was overpowered and locked up. This morning he said his name was Timothy Kane, of 177 Third Avenue. He was sent to the Island for six months.—Wil. Star.

RACE CONFLICT.

Jacksonville, Fla., Dec. 26.—It is rumored at Leesburg, a few miles from Wildwood, the scene of race trouble, that the whites advanced on the blacks early this morning and that several negroes were killed and others of both parties injured. Owing to the remoteness of the community, details are hard to get. Another rumor has it that Ira Smith, who was wounded last night, has since died and that another white man was wounded.

Savannah, Ga., Dec. 26.—A special to the morning News from Tampa Fla. says: Acting under instructions from Governor Mitchell, the Tampa Rifles, forty two strong, left on the 8 o'clock train to-day for Wildwood to aid in quelling the negro riot. The Governor also ordered a special train from Ocala to that place to convey the Rifles of that city to the scene of the riot. The latest news from Wildwood is to the effect that fifteen negroes were wounded, four killed and four captured.

Wildwood, Fla., Dec. 26.—The negro Abe Lambright, who shot Ira Smith last night, together with five other negroes who were in the fight, were arrested this morning and lodged in jail by Sheriff Chapman of the Leesburg Rifles. There was considerable firing from the Rifles before the arrests were made, at least seventy-five shots were exchanged. Several negroes were slightly wounded, Isaiah Ryan colored was killed last night but was not reported dead until this morning. Three of the supposed leaders of the riot, Coleman Lambright, Jeff McCallister and Anderson Brown are now in jail here Jesse Lambright the negro who started the difficulty with Rube Caruthers is still at large. It is not definitely known how many negroes were killed last night and this morning. The negro Abe Lambright was shot before being arrested this morning.

It seemed for a while that Abe Lambright would be lynched, but a grand mass meeting of the white citizens was held to protest against lynch law and to advise peace and compromise. Rev. Mr. Eason, E. I. Barwick and J H Curry made earnest speeches to the crowd advising moderation and supremacy of the law. The crowd was quieted and apparently satisfied to permit Sheriff Chapman to take charge of and remove the negro prisoner, Lambright to Tavares jail, which he did under the protection of the Leesburg Rifles.—Wilmington Messenger.
