The window glass manufacturers of DAILY PROCEEDINGS OF BOTH GIVING THE NEWS UP TO THE

HOUR OF GOING TO PRESS.

A Brief Summary of Daily Happenings Throughout the World.

The national league for the abolition

of the house of lords made a demonstration in Hyde park, London, Sunand was expected to be an imposing affair, but it was a fiasco. Hardly ten thousand persons were present. Shortly afternoon Friday an explo-

sion of gas took place in the works of the Philadelphia and Reading Coal and Iron company's colliery, at Gilberton, Pa., by which one man was killed, one fatally injured and nine others more or less seriously burned. The United States steamship Charles-

ton sailed from Vallejo, Cal., for China, via Honolulu, Sunday. The Philadelphia docks in a day or two. The Bennington is now being fumigated. Several of the crew have been allowed their liberty and there is evidently no serious malady aboard. A dispatch to the London Times from Lima, Peru, says that a band of

Winchester rifles, is reported to be collision is daily expected.

Saturday the Pythian camp on the person who advocates the destruction monument grounds, in Washington, by force of all governments or of the D. C., was formally turned over by satisfied the objections heretofore eral Carnahan, commander-in-chief of the order. All the tents have been entered an objection, and the bill again | erected, and everything is in readiness there for the visiting organization. In the face of a general belief in

the magnificent condition of the cotton crop, The Garland News published in the keart of the cotton region of Dallas county, Texas, states that in that section half of the cotton crop has been destroyed by boll worms, and if the showers continue, the crop is likely to be entirely destroyed.

The democratic ticket, so far as nominated by the California state convention is as follows: Governor, James H. Budd; lieutenant governor, William T. Jeters; justice of the supreme court (long term), Jackson Temple and James E. Murphy; justice of the supreme court (short term), E. A. Bridgeford; secretary of state, Ben M. Mad dox; attorney general, A. B. Parris

The stir among the coal miners at Belt, Mont., has ended with the company's closing down all its mines completely and permanently. The pumps have been drawn, the stores and hotels closed and all the contracts for machinery canceled. Work on the railroad branches has also been abandoned. About 400 men are thus thrown out of employment.

Fire broke out Saturday night in the Norfolk, Va., and communicated to three

There were no new developments in the industrial situation at New Bedford, Mass., Friday. After one full week the trouble is no nearer a solution than it was the day it started. will pay for stock in the looms Monthey are husbanding with great care and preparing for a long struggle.

Four miners in the Amethyst mine at Crede, Col., were literally bruised, burned and boiled to death Friday morning. The shaft caught fire from a candle and so great was the heat that the wire cable holding the ship was melted, and the huge iron cage, heated to a red heat, fell to the bottom of the shaft, carrying with it the four men who were on the ladders. It will take a day or to recover the bodies. The loss on the mills and machinery will

be about \$20,000. At Birmingham, Ala., the conclusion of the preliminary trial of 120 miners for participation in the Pratt ble young ladies, and which has cast a The session of the senate Friday Mines riot was reached Friday. Sacrifices to the Sea. To the adventurous globe-trotter who has climbed the rock-path to the sailor's church of Notre Dame de la-Garde, dominating the Phenician port of Marseilles, the potent influence of sacrifices and offerings for perils passed and to come must be no old story, says Lieutenant J. D. Jerrold Kelley, in describing "The Superstitions of the Sea," in the Century. There is a pathos, even for the

wordly, in the quaint ships and galleons, in the rusting marlinspikes and shattered tiller heads, swinging to the mistral, in reverential offering before the shrines. These graces after danger, these insurances against evil to come, circle the world. No people have escaped the influence of such hopes and thanks. Our Indians were fettered by them, and no ceremonious offerings were more common than those which went to appease the angry Spirit of the Waters. On the upper tributaries of the Missgave tribute of tobacco from a beetling cliff to the Great Spirit of the River, and to the winds that smote the water with blasts from the caverns of the jealous gods. Algonquins in the North, Aztecs, sons of Atahualpa and Marco Capac, in the South-all blew incense out of their pipes, and strewed upon the currents has a self-setting needle and self-threading and tide-ways just such offerings of shuttle. A trial in your home before payment tobacco as, in our more subjective is asked. Buy direct of the Manufacturers days, we give with lost meaning to the | and save agents' profits besides getting certifiminor gods who rule the man'shour in our feasts.
