THE ELECTION.

A POLITICAL REVOLUTION IN THE NORTH AND NORTH WEST.

BUT THE SOLID SOUTH GOES DEMOCRATIC.

We are sorry that we cannot give our readers something more definite in regard to the North and North West, at any rate the latest dispatches say that the North and North West is revolutionize.

Alabama, Virginia, West Virginia, South Carolina, Texas, Kentucky, Tennessee, Louisiana, and the remainder of the Southern States goes Democratic by a majority not exceeding the election of 1892.

The following is the latest from all parts of North Carolina:

RICHMOND COUNTY. Laurinburg, Nov. 6.—Stewartsville township gives the Legislative ticket 248 majority.

Rockingham, Nov. 6.—Richmond is republican by probably 300 majority.

CUMBERLAND COUNTY.

Fayetteville, Nov. 6.—No Populism in Fayetteville. No definite news from outside. In Cross Creek township Shaw's majority over both Spears and Thompson is 932. Legislative ticket over 800 majority. State Judicial ticket over 1,000. The county is probably Democratic by an average majority of over 500. Thompson got only 15 votes here.

Fayetteville, Nov. 6.—Shaw is undoubtedly in the district. The county ticket is elected by a small majority. The legislative ticket is running behind, but is safe. The Pop-Republicans make large gains. Complete returns from the county had had to be to-morrow, but the average majority is about 200.

HALIFAX COUNTY. Weldon, Nov. 6.—Halifax county is Democratic in full.

DUPLIN COUNTY. Magnolia township gives Populist majority of 60. Indications that Duplin will be close.

BLADEN COUNTY. Clarkton, Nov. 6.—Clarkton township Democratic by increase majority; county in doubt.

WAKE COUNTY. Raleigh, Nov. 6.—Wake and Durham probably republican. Halifax Democratic by 2,500. Democratic gains in Wayne, Greenville and Cumberland. News indicates election of Congressmen in all districts except Fifth, which is in doubt.

Raleigh, N. C., Nov. 6.—Raleigh shows Democratic loss. Wake county is probably republican. Democrats lose Durham. Democratic gains in Halifax. News indicates some doubt in Fifth district, now represented by Settle.

MECKLENBURG COUNTY. Charlotte, N. C., Nov. 6.—Mecklenburg gives the Democratic ticket an average majority of 1,600. In the Senatorial primary, Ransom beat Jarvis about 100. Osborne carries the county for the Western Senatorship.

ROBESON COUNTY. Lumberton, Nov. 6.—A large vote was polled. Eight of the eighteen townships make Democratic gains over the vote of 1892. The entire Democratic ticket in Robeson is elected by 600 majority at least.

IREDELL COUNTY. Statesville, Nov. 6.—Iredell is probably Democratic by a very close vote. Statesville gives the Democratic ticket 183 majority, a gain of 171 over 1892.

No news from other counties at this hour.

ROCKINGHAM COUNTY. Reidsville, Nov. 6.—Indications are that Settle's plurality in this county will not be less than 300. The Legislative and county tickets are beaten between 500 and 600.

BRUNSWICK COUNTY. Northwest township polled the following vote which is an increase over last year's majority for the Democracy.

Senator Rufus Galloway, dem 92; Fred B. Rice, rep, 176.

Legislature—Fred Kidder, dem 94; W. W. Drew, rep, 189.

Town Creek was as follows: Senator—Rice, rep, 308; Galloway Dem, 122.

Legislature—Drew, Rep 306; Kidder, Dem., 132.

WILSON COUNTY. Wilson, N. C. Nov. 6.—Wilson is Democratic by from 400 to 500 majority. There was complete fusion here and the result is a great victory for the Democrats. Blount and Edwards, Democrats, are probably elected from this Senatorial district.

PITT COUNTY. Greenville, N. C., Nov. 6.—Beautiful weather for the election today and an unusually heavy vote polled, with hard work on both sides. Returns come in slow, showing light Democratic gains at a few precincts which is more than offset by heavy losses at Greenville precinct. Indications are that Skinner for Congress will have about four hundred majority in the county. The fusion judicial ticket will have about three hundred majority. The legislative and county tickets are doubtful.

FORSYTH COUNTY. Winston, Nov. 6.—Returns from very few townships received up to ten o'clock to-night; but these show that the Republican-Populist candidates for Congress and the State Legislature have carried the county by about 200 majority. The vote on county candidates is close and still in doubt; it will be close either way.

Raleigh, Nov. 6.—The Democrats appear to have carried Anson, Beaufort, Buncombe, Burk, Caldwell, Cleveland, Cumberland, Franklin, Gates and Granville, Halifax, Iredell, Johnston, Necklesburg, Martin, Person, Surry, Swain, Wayne, Wilson. Fusionists appear to have carried Alamance, Carteret, Chatham, Craven, Durham, Montgomery, Randolph, Richmond and Vance. Wake is doubtful, with indications in favor of the Democrats. Graham gains largely in Person and Granville, and is probably elected. Woodard, Lockhart, Shaw and Henderson, and Crawford appear to be elected, all chances favor the election of Cook and Branch.

NORTH CAROLINA.

LATER. Raleigh, N. C. Nov. 6.—Democratic State and Judicial ticket in North Carolina no doubt elected by reduced majority. Legislature will be democratic by good majority. Democrats will carry seven Congressional districts certain; probably 9.

Raleigh, N. C., Nov. 6.—Pearson's claims to be elected in the Ninth district.

Returns from the Fifth district indicate that Settle is probably elected.

Other districts are probably Democratic, but the news is very meagre. The Legislature is Democratic by a greatly reduced majority, and the Democratic State Judicial ticket is elected by a reduced majority.

Raleigh, Nov. 7.—Democratic vote cut down everywhere. The First, Fifth and Ninth districts in serious doubt. Probabilities favor the election of Fusionists. The Fourth, Seventh and Eighth are close, both parties claiming them. The State Democratic Judicial ticket is elected by about 5,000, and the Legislature is Democratic by a small majority.

HARNETT COUNTY. The Democratic candidates for Clerk and also for Treasurer of our county is elected beyond any doubt, the remainder of the ticket is in doubt with Johnsonville to be heard from and if it has a Democratic majority the remainder of the ticket is elected.

LATER. PENDER COUNTY. Pender county was carried by the Democrats by from 22 to 60 majority. Duplin was carried by the Butterflies by 900 to 400 majority.

Wayne went Democratic all round, the majority reported being 509. If this be correct, the Senatorial District composed of Wayne, Duplin and Pender has elected two Democrats.

Sampson county was carried by the Butler combination. They claim about 500 majority.

Edgecombe is Democratic from top to bottom.

In the Third Congressional District Mr. Shaw telegraphs that he thinks he is elected by 1,000 plurality over J. P. Thompson. In Newbern his vote was 523, while Thompson has received only 2 votes. Shaw has doubtless carried Craven by a plurality over Thompson.

The latest reports from Cumberland indicate a pop majority ranging from 20 to 40. It is evidently

so close that the official count to-day may show a Democratic majority.

Raleigh, Nov. 7.—The Democratic State and Judicial ticket are lost. The Senate is against us and probably the House. Lockhart is possibly elected and perhaps Shaw. Full returns are not yet in. Wake county goes fusion by over 500.

Raleigh, Nov. 7.—The State and Judicial tickets are so close that it will require the official vote to decide. The Legislature is in doubt; the Democrats hope for it, but make no claims. The Populist and Republican leaders are very confident it looks bad for the Democracy. The indications are that the Fusion ticket has defeated the Democratic Congressional candidates in the First, Fourth, Fifth, Seventh, Eighth and Ninth districts, making the Congressional delegation stand, three Democrats, two Republicans and four Populists. The Democrats, however, are still claiming the Seventh, Eighth and ninth districts.

RALEIGH, November 7.—The latest semi-official returns elect Skinner, Populist, in the First district; Woodard, Democrat, in the Second; Shaw, Democrat, in the third; Stroud, Populist, in the Fourth; Settle, Republican, in the Fifth; Lockhart, Democrat, in the Sixth; Shuford, Populist in the Seven; Linney, Populist, in the Eighth; and Crawford, Democrat, in the Ninth, the latter by a very small majority over Pearson, Republican.

ANSON COUNTY. Wadesboro, November 7.—My majority in Anson is five hundred.

J. A. Lockhart Mecklenburg County. Charlotte, November 7.—This county gives the Democratic ticket all around about sixteen hundred majority.

BLADEN COUNTY. Elizabethtown, November 7.—White, pop, for the Legislature, has 400 majority. Shaw, dem, for Congress, a plurality of 100.

PITT COUNTY. Greenville, November 7.—Unofficial returns from all the precincts in Pitt county show that the Populists elect the entire ticket by majority from 375 to 650. The majority of the Judicial ticket and State Treasurer is about 550. Skinner's majority for Congress in the county is 610.

LENOIR COUNTY. Kinston, November 6.—Lenoir is very close. The vote in Lagrange township is said to be illegal and has been referred to the canvassing board to decide. If it thrown out the county is Democratic by about 200; if it counted the result is in doubt.

SWAIN COUNTY. Bryson City, November 6.—The entire Democratic ticket was elected by a majority of about 400. The net gains over last election are about 300.

ROCKINGHAM COUNTY. Charlotte, November 7.—Lockhart, or Congress, telegraphs the News that he has carried the district by one thousand two hundred votes.

Henderson is defeated by one thousand. Lockhart is the only Democratic Congressman elected.

Mr. Jernigan was a young man of about 20 years of age was clever and liked by all who knew him, and in his death it does not only cast a gloom of sadness over his dear parents brothers and sisters but to all who knew him.

To the bereaved family we extend our sympathy, and point them to him who death all things well as their comforter.
