Our young people are preparing to give us an entertainment at an early day.

We regret to lose the family of Mr. J. E. Stewart from our town. He moved back to his farm last Thursday.

To-morrow the Sunday schools of Dunn go on a picnic to Rhodes' Mill. Quite a nice time is anticipated.

Read the advertisement of S. G. Marks & Co., in this issue. They have a splendid stock, all new. Call on them.

The Little River Baptist Sunday School Convention convenes at the Baptist church in Benson Friday and holds till Sunday. Several of our people will attend.

The W. C. T. U. will hold a public meeting at the Baptist church Friday night before the election. A speaker has been invited to be present and deliver a temperance lecture.

Sheriff Oates is one of our most enterprising citizens. His last act as a public benefactor is to open a lawn in front of his ice emporium for the accommodation of the politicians, who may sit beneath the shade of the trees that surround his place of business and discuss the tariff and free silver ad infinitum during the sultry afternoons of mid-summer.

At the next meeting of the board of town Aldermen an ordinance will be enacted making it a misdemeanor for any person to be found asleep on the streets. This act will put a stop to persons lying down on steps and goods boxes and going to sleep at night and on Sundays which is quite frequent in the town.

Dr. J. C. Goodwin has moved his office over J. J. Wade's store. He has fitted up several rooms there very nicely and comfortable for the entertainment of his patients. How Dreadful!

Sixty thousand souls are every year sent to a drunkard's hell, by and through the horrid saloon business. And will the christian voters of Dunn continue this dreadful business of making more drunkards, and sending them to hell by voting for License, on the 14th of June?

To do so, is to be instrumental in building up the infernal regions of darkness; and who among us, will put himself squarely on the side of so great an evil? The most gifted of our Southern orators has spoken boldly on the sin of the liquor curse in this manner:

"The saloon industry" said he, "is the mortal enemy of peace and good order—the despoiler of men—the terror of women—the dark cloud that shadows the happy faces of children—the demon that has dug more graves and sent more souls, unprepared to the judgment, than all the pestilences that have wasted human life since God sent the great plagues upon Egypt and it has slain more people on earth, than any other iniquity ever invented by the devil, since the great leader, Joshua, stood before the doomed walls of the idolatrous city of ancient Jericho. The curse of God is on the Saloon."

Christians of Dunn of every name, let us come up boldly, therefore, to the ballot-box, on the day appointed, June 14th, and slay this monster in our town, by a solid vote for "NO LICENSE," and let all the people say Amen, and Amen. And God be with you.

"OBSERVER."

Elder P. D. Gold preached at the Primitive church Sunday afternoon at 5 o'clock.

Some of our truckers have commenced to ship beans. Mr. Jno. A. Oates shipped the first box last Thursday.

Communion services will be held at the Presbyterian church next Sunday. There will also be preaching at 11 o'clock on Saturday morning.

Rev. B. M. F. Coats is erecting a two room cottage on Cumberland Street which will soon be completed.

Mr. James Bass and family, from Fayetteville, have moved into the dwelling vacated by Mr. J. E. Stewart on Broad street. We welcome them to our town.

The inside of the Methodist church is now a thing of beauty and the pride of the members of that church. Its frescoed walls and ceiling and bright colored windows present an artistic and beautiful appearance and makes a soft and pleasing light. The painting was done by Mr. M. B. Mansfield and the artistic manner in which it was performed has won for him many compliments and the work fully justifies it.

The school for little folks taught by Miss Mattie Carr closed Monday. In the evening at 8 o'clock the pupils gave a nice entertainment to the patrons of the school and a few invited friends. The exercises were well arranged and splendidly delivered. The little folks acquitted themselves in a splendid manner and reflected credit on their teacher. After the exercises ice-cream was served. Miss Carr has made many friends here and all were pleased with the progress of their children.

Evangelistic Meetings.

Rev. Jno. B. Jones, Evangelist of the Christian church (Disciple) began a meeting in our town last Monday night. The congregations have grown continually. He will, next Lord's day evening at 3 o'clock, preach a sermon to men only. The men of all the churches are invited to attend also the men of the world. Monday evening, he will lecture to the ladies. The ladies of the town and community are invited to attend and bring the boys and girls. Services each day at 11 A. M. and 8 P. M. Choir practice at 10 A. M. All the singers of the town are invited to take part.

It is a fortunate day for a man when he first discovers the value of Ayer's Sarsaparilla as a blood-purifier. With this medicine, he knows he has found a remedy upon which he may rely, and that his life-long malady is at last conquered. Has cured others, will cure you.

A beautiful line of Alapacca and black Serge coats just received at J. A. Massengill & Co's.

Close of Dunn High School.

On last Friday the Dunn High School finished its work for this session, which, under the management of Profs. L. C. Brogden and C. M. Grantham, was one of its most prosperous sessions. The management thought that the time taken to prepare for a commencement would be worth more to the pupils in study, and as a consequence the school gave no recitations or declamations, and had only an address and some music.

At 8:30 o'clock in the evening all the patrons of the school and citizens of the town assembled at the Academy to hear the address of Hon. D. H. McLean, our townsman. His subject was: "North Carolina, her past, present and future." He was introduced in a few well chosen words by Prof. Brogden. His address was a review of the past history of the State and the importance of instructing the youth in the history of our grand commonwealth and the conditions of the present, and lastly the possibility of the future if our young people are properly trained and instructed. His address was splendidly delivered and highly entertaining and instructive. After his address Prof. Brogden made a short talk on the necessities of a good school for Dunn. His talk has been highly complimented by our citizens.

One of the most pleasant features of the occasion was the music furnished by the students of Miss Fannie Cox, who has been teaching music at the school this session. The vocal duet by Misses Mary Pearson and Myrtle Wade and the song by Miss Stella Taylor were splendidly rendered and elicited much applause, and the exercises on the piano by Misses Annie Harper, Lizzie Godwin and Ora Wilson were admirably performed which proved that their instruction was splendid and thorough.

All our people are well pleased with the progress of the school this session and want Profs. Brogden and Grantham to remain and teach for them again. They are both young gentlemen of the highest moral character and have endeared, by their scholarly and christian examples, both pupils and patrons to them. We hope they will remain and teach for us next session and this is the sentiment of the whole community.

Premature baldness may be prevented and the hair made to grow on heads already bald, by the use of Hall's Vegetable Sialian Hair Renewer.

Christian Brother.

That vote of yours on the question of "License" or "No License," on the 14th of June, in Dunn, will tell in the ages of eternity, if the word of God be true. Listen to this! "Some men's sins are open beforehand, going before to Judgment, and some they follow after." (1st Tim. 5:24.) Your vote for the "License" evil in our town to continue, may prove the ruin of some soul forever, in the eternal world! "No License," is the vote for the people of God.

A FRIEND.

"OUR FATHER WHO ART IN HEAVEN,"

and then voting with tax and license parties to perpetuate the liquor traffic upon earth; thus aiding the powers of darkness; or,

"HALLOWED BE THY NAME," then voting to legalize the liquor traffic by tax or license, which causes God's name to be continually blasphemed;

"THY KINGDOM COME," then voting to that Satan's Kingdom—the saloons—may continue if they will pay only the price which politicians have fixed upon them;

"THY WILL BE DONE,"

then voting with and for liquor sellers to keep on under tax or license laws, which is the greatest hindrance to having God's will done on earth;

"GIVE US THIS DAY OUR DAILY BREAD,"

and then voting to legalize that which takes the bread from thousands of starving mothers, and helpless children;

"LEAD US NOT INTO TEMPTATION,"

then voting that the allurements and destruction of the saloons may go on under some form of tax or license;

"DELIVER US FROM EVIL,"

and then voting that the State and Nation may continue the liquor evil, both at home and to heathen lands, providing they will only make the price of blood high enough in the form of tax or license.

Can you, Dear Brother, do all the above and then honestly say "AMEN!"
