Purgatorial Pills.

The druggist would hardly smile if you asked for "purgatorial pills." There are many of them. But he would probably recommend a pill that did not grip; a sugar-coated pill, gentle in action, and sure in effect. What are they called?

Ayer's Cathartic Pills.

Russia's Growth.

Many years may elapse before Russia can become a leading manufacturing country, but her growth towards industrialism has recently been shown in a remarkable manner at the "All Russian" exhibition in Nijni Novgorod.

The industry of the dry distillation of wood in Russia is only just beginning.

In North Russia, away from the railways, there are still many thousand of square miles under wood, yet up to the present only one-half per cent. of all the resin and but a slightly larger proportion of the turpentine used in Russia has been of home manufacture.

A man in Virginia, rode forty miles, to Fairfax Station, for the express purpose of getting Chamberlain's Cough Remedy, and took home with him, a dozen bottles of the medicine.

Arnica hails from Europe and Asia, but the medicine is made from artificial plants grown for that purpose in Germany and France.

INDIAN HERBS.

The greatest blood purifier and Liver Regulator of the age. It is composed of Herbs, Roots, and Bark.

It is a specific for constipation, neuralgia, dyspepsia, rheumatism, kidney complaints, liver complaints, chills, fever and ague, Female complaints, nervous affections, catarrh, loss of appetite, nervous and sick headache, and all other ailments caused from impure blood and consequent bad digestion.

This medicine has been used by more than one hundred persons in Harnett county within the last month, and in every instance relief has been derived from its use.
