The Election Next Fall.

There will be a number of interesting elections held in November of this year, and politics promises to be lively. New York city will elect a mayor for what is known as Greater New York.

The two great senatorial contests are in Ohio and Maryland. A State Comptroller and clerk of the Court of Appeals will also be elected in the latter State.

Nebraska holds an election for judge of the Supreme Court and regents of the State University. Its returns will throw some light upon Bryanism in the country west of the Missouri.

Kentucky was saved for McKinley last year by the narrowest kind of a plurality, clearly attributed to the votes of the gold standard Democrats.

FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation.

Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

It is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life."

They all need it. They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, "McElree's" Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."
