THE LEGISLATURE

What our Busy Lawmakers are Doing at the Capital City.

SENATE—FEBRUARY 4TH.

Sixteen bills were introduced to-day in the Senate, among them the following: to incorporate the Fire Insurance Company of Robeson county; to incorporate the Granville Railroad Company; to fix a date for the election of State Librarian; to prevent live stock from running at large in certain sections of Cumberland county; to increase the permanent school fund; to amend the Code as to keeping a record of the conduct of prisoners; to amend the charter of the Raleigh and Gaston Railroad.

Fifteen bills passed their third readings, and of them the most important was "An act to codify the insanity laws of the State." Among the others were the following: to amend the Code, section 2301, as to the board of Public Buildings; to authorize the town of Fayetteville to accept 25 per cent. of the taxes of 1898 in full payment; to amend the charter of the town of Edenton; to establish a graded school in the town of Albemarle in Stanly county; to repeal chapter 270, laws of 1897, as to the State Board of Equalization; to amend chapter 270, laws of 1895, as to official bonds of county officers; to amend the Code, section 491 by inserting "telegraph" after the word "telephone" wherever it occurs and otherwise; to change the time of holding courts in Duplin county.

A resolution was passed providing for a joint ballot of the two Houses to elect directors of the State Prison at noon on February 7th.

HOUSE—FEBRUARY 4TH

Forty-three new bills were introduced at to-day's session of the House of which here are some: to regulate trials of civil actions before justices of the peace; to amend the charter of Wilmington; to give Kinston a new charter; to allow Fayetteville to purchase and operate electric power plant; to submit to a vote of the citizens of Raleigh the question of issuing \$100,000 bonds for improvements; to establish a graded school at Waynesville; to make fees for lien bonds and chattel mortgages combined 10 cents for probating and 50 cents for registration in the counties of Wayne, Wake, Wilson, Johnston, Duplin and Anson.

Twenty-seven bills were passed, among which were the following: To prohibit the manufacture and sale of spirituous liquors in Jackson county; to make drunkenness on a public road or near a school house or church in Jackson county a misdemeanor; to incorporate the North Carolina and South Carolina Railroad company; to change the time of holding courts in Duplin county.

THE PARIS TREATY OF PEACE between this country and Spain was ratified by the United States Senate Monday by a vote of 57 to 27. By this act the Philippine Islands belong to the United States which has to pay \$20,000,000 to Spain, and now has the trouble of whipping the Filipinos into recognizing its authority. The treaty would probably have not been ratified at this time had not the Filipinos attacked our troops at Manila on Saturday night, as Senators Jones, of Nevada, McLaughlin, of South Carolina, and McEnery, of Louisiana, had announced their intention of voting against ratification until the news of the battle of Manila came when they changed and voted for the treaty.

War With the Filipinos.

A big Battle Fought Saturday Night and Sunday. Great Slaughter of the Philippine Natives by the American Troops. Two Hundred of our Soldiers Killed and Wounded.

The Charlotte Observer published a Monday's issue giving an account of the battle with the native Filipino army at Manila Saturday night and Sunday. The story of the fight is given to it as follows:

Manila, Feb. 5, 5:15 p. m.—The long-expected rupture between the Americans and the Filipinos has come at last. The former are now engaged in solving the Philippine problem with the utmost expedition possible. The clash came at 8:40 yesterday evening, when three daring Filipinos darted past the Nebraska regiment's pickets, at Santa Mesa, but retired when challenged. They repeated the experiment without drawing the sentries' fire, but the last time Corporal Greeley challenged the Filipinos and then fired, killing one of them and wounding another. Almost immediately afterward the Filipino line, from Calvocon, commenced a fusillade which was ineffectual. The Nebraska, Montana and North Dakota outposts replied vigorously and held their ground until reinforcements arrived.

The Filipinos, in the meantime, concentrated at three points—Calvocon, Gagabangin and Santa Mesa. At about 1 o'clock the Filipinos opened a hot fire from all three places simultaneously. This was supplemented by the fire of two siege guns at Balik-Balik and by advancing their skirmishers at Paico and Pandacan. The Americans responded with a terrific fire, but owing to the darkness they were unable to determine its effect. The Utah Light Artillery finally succeeded in silencing the native battery. The Third Artillery also did good work on the extreme left. The engagement lasted over an hour.

The United States cruiser Charleston and the gun-boat Concord, stationed off Malabona, opened fire from their secondary batteries on the Filipinos' position at Calvocon and kept it up vigorously. At 2:45 there was another fusillade along the entire line and the United States monitor Monadnock opened fire on the enemy from off Malate. With daylight the Americans advanced.

The California and Washington Regiments made a splendid charge and drove the Filipinos from the village of Paico and Cantemosa. The Nebraska Regiment also distinguished itself, capturing several prisoners, and one howitzer and a very strong position at the reservoir, which is connected with the water-works. The Kansas and Dakota Regiments compelled the enemy's right flank to retire to Calvocon. There was intermittent firing at various points all day long.

The losses of the Filipinos cannot be estimated at present, but they are known to be considerable. The American losses are estimated at 20 killed and 125 wounded.

The Ygorates, armed with bows and arrows, made a very determined stand in the face of a hot artillery fire and left many dead on the field. Several attempts were made in the city yesterday evening to assassinate American officers.

OUR CASUALTIES 175—VERY FEW FATAL.

Washington, Feb. 5.—The following cable from General Otis has been received:

"Manila, Feb. 5.
"To the Adjutant General:
"The insurgents in large force opened an attack on our outer lines at 8:45 last evening. They renewed the attack several times during the night. At 4 o'clock this morning the entire force was engaged; attacks repulsed. At daylight we advanced against the insurgents and have driven them beyond the lines they formerly occupied, capturing several villages and their defensive works. The insurgents' loss in dead and wounded is large. Our own casualties thus far are estimated at 175, very few fatal. The troops are enthusiastic and acting fearlessly. The navy did splendid execution on the flank of the enemy; city held in check and absolute quiet prevails. The insurgents have secured a good many Mauser rifles

a few field pieces and quick-fire guns with ammunition, during last month.

"OTIS."

THE FIGHTING STILL IN PROGRESS—LOSSES HEAVY.

Washington, Feb. 5, 9:55 p. m.—The following telegram, just received by the chief signal officer, is the first news received from the army at Manila:

"Manila, Feb. 5.
"To General Greeley, Chief Signal Officer, Washington:
"The action has continued since early morning. The losses are quite heavy. Everything is favorable to our arms.
"THOMPSON."

Colonel Thompson is the chief signal officer on the staff of General Otis.

Yesterday's papers stated that there had been no fighting at Manila since the retreat of the Filipinos on Sunday. The list of American soldiers killed is placed at 40 and the number of wounded at 150, but later returns are expected to give a greater number of fatalities. There were 13,000 American soldiers engaged in the battle and the Filipinos had 30,000. The Filipinos were driven back ten miles and some of their field guns captured.

The estimated loss of the Filipinos is killed 2,000; wounded 3,500; taken prisoners 5,000.

The line of battle covered a distance of seventeen miles, and in the advance the Americans Sunday they captured the villages of Palawpong, Santa Mesa, Paico, Santana, San Pedro, Macorte, Pando Can, and Pasia, and destroyed hundreds of native huts, and secured possession of the water main and reservoir six miles from the city of Manila.

Rear Admiral Dewey sent the following telegram to the Navy Department at Washington:

"Manila February 6th.
"Secretary Navy, Washington.
"Insurgents have attacked Manila. Boston leaves to-day for Iloilo to relieve the Baltimore, which will return to Manila. Two men wounded yesterday on board the Monadnock, one seriously.
(Signed) "DEWEY."

Commissioners Meeting.

Monday was the regular monthly session of the County Commissioners. The weather was so bad and the river so high that few from this side of the river could get to Lillington. Mr. E. F. Young and Mr. N. A. Smith went across and held a short session. Mr. T. A. Harrington, the other commissioner, was not present. The Board was not in session but a short while and did but little business and adjourned to meet again next Monday, February 12th.

The board gave notice to the sheriff to make settlement of taxes for 1898 next Monday, and ordered that one Hassell and his family who have been at the county home be discharged.
