THE COUNTY UNION

WEDNESDAY, APRIL 12, 1899.
DUNN, N. C.

All local advertisements run in this column will be charged strictly 10 cents per line. Other local advertisements 5 cents per line for each insertion.

LOCAL DOTS.

—Cotton is selling to-day at 6¢ to 6 1/4¢.

—Town politics are growing in interest now.

—The "Kotilyan Club" gave another dance at the Jackson House last evening.

—You see very few buds on the trees in the woods. This can be put down as a late, cold Spring.

—Rev. R. W. Hines, of Smithfield, preached at the Presbyterian church here Sunday morning.

—Rev. W. A. Forbes, the pastor, occupied the pulpit at the Methodist church Sunday night.

—Town convention next Monday night. Go out and help nominate the man of your choice for the different offices.

—Some rare bargains are offered by Hood & Crantham in good books at a low figure. Notice the list at the head of this column.

—There has been heavy frosts each morning this week, until this morning. If the fruit is not killed it will not be because the weather has not been cold.

—A band of Gypsies is camping about a mile south of town. They have quite a number of horses and mules which they are trading.

—The smallpox scare has died out and vaccination has ceased with most of our people. Some of them, however, still have "pet" arms.

—Dr. Brown, the optician, will leave this week for Smithfield. He has fitted glasses for quite a number of our people who are well pleased with his work.

—The Fayetteville Presbytery meets here next Tuesday and will remain in session all the week. Quite a number of ministers, delegates and visitors will be here. Arrangements are being made for all who come to be cared for.

—All signs have failed this year in regard to warm weather. It is an old saying that "when the martins come cold weather is gone." The martins have come this Spring but we're afraid to talk about the weather—it is not warm yet.

—The contract for making a good road at Mingo is to be let to-morrow afternoon at 3 o'clock. A considerable sum has been subscribed for this work, and we trust will soon be expended in making a good road there which will be of great value to our town.

—The Baptist congregation did not have services at their church Sunday. Rev. L. B. Carroll, the pastor, is sick at his home in Warsaw and was unable to fill his monthly appointment. His flock, who are greatly endeared to him, pray that he may have a speedy recovery.

—Rev. A. D. Betts tells the Greenville Reflector of a snow that fell on April 15th, 1849. He says: "It was a very early Spring. The woods were green. Many young branches were long as the hand. There fell a considerable snow in Wake county on Sunday. That night a heavy freeze came. Next day the young leaves were black and dead. Some persimmon trees were killed. Many trees of other kinds were injured."

—Mr. Zaccheus Marks, the photographer, was called to Benson yesterday to take a photograph of the infant child of Mr. and Mrs. G. W. Cavenaugh which died yesterday morning.

—The heavy rain of last Friday made freshets in the creeks and rivers. The Cape Fear has been so full that it has been unsafe to cross with the flats since.

—The American Telephone and Telegraph Company are buying a large number of telephone poles here. Several car loads of them are shipped from here each week. The parties who are getting them cut the junipers from the swamps near here. The prices paid, we learn, are very satisfactory.

—Little corn has been planted as yet by our farmers and no cotton. We have known farmers to plant cotton seed before this time of the year and get good stands. Few farmers have been able to prepare their lands as yet. A late start does not always mean a poor crop. There is plenty time yet.

—Carpenters have commenced work on the rebuilding of the South Dunn Furniture Factory. The factory will be replaced with a larger and more commodious building and with the latest and best improved machinery. The work will now be pushed to completion.

—The sale of land for taxes will be found in this issue, and a long list it is. It is a disgrace to our county. The Sheriff is doing only his duty. People in Harnett are not poorer than in other counties, but it seems that they are just negligent and have been putting it off. This is one reason why the county funds are always behind. Taxes must be paid and our people should be taught that they must pay them promptly. True the Sheriff is somewhat to blame for this state of affairs. He has been too lenient. No doubt that many whose names appear in this list will be offended, though they have no cause. No one is so ignorant that he did not know that his taxes were long passed due. Blame yourself, don't blame Sheriff Pope. He has waited with some of you for four years and now you pay costs. Experience teaches a dear school, it is said, and we trust that in the future Harnett county will never have such a large list of delinquent tax payers.

Democratic Convention.

The Democrats of the town of Dunn are called to meet in Convention at the Town Hall on Monday night, April 17th, at 8 o'clock sharp for the purpose of nominating a candidate for mayor, four aldermen and a town marshal. Every Democrat is earnestly requested to attend. By order of the executive committee.

J. C. CLIFFORD,
April 11, 1899. Chairman.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on McKay Bros. & Skinner, Druggists, and get a free trial bottle. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

—**Burned Her Dress.**

Mayor Phillips opened court Monday and Tuesday mornings at nine o'clock. Two colored boys were tried Monday for fighting on Sunday. The aggressor was put on the streets, but he would not work and talked very "sassy" to Policeman Wade, who took him to the lock-up and put him on bread and water. Yesterday morning he was in a more humble mood and worked very well. At yesterday morning's session he had three colored ladies from the "bovery" before him. They were Eliza Spearman, Susie and Georgiana Parker. On Saturday Georgiana went to Eliza's house and she and Eliza got into a fight. Georgiana's bonnet was thrown into the fire and burned. After the row Eliza went up to the Mayor to get a warrant and while she was gone Georgiana went into Eliza's house and took her Sunday dress and threw it into the fire and burned it. Susie was acquitted as she was only a spectator in the fight and only took a spider lid away from Eliza. Georgiana admitted burning the dress and for this she was required to give bond for her appearance at the next term of the Superior Court. She and Eliza were both fined for fighting.

—**Meeting of Presbytery.**

The Fayetteville Presbytery will meet here next Tuesday at 7:30 o'clock p. m., in the Methodist church. The opening sermon will be delivered by Rev. P. R. Law, of Lumber Bridge.

After the sermon the Presbytery will be called to order by Rev. A. M. Hassell, the retiring moderator, and opened by prayer, after which the Presbytery will be organized by enrolling delegates and members of the Presbytery.

As most of the delegates and members will arrive on the 1.06 p. m., train a song and prayer service with addresses by members will be held at the Presbyterian church at 4 o'clock in the afternoon.

During the week there will be important meetings held in the interest of home and foreign missions. The public is cordially invited to attend the sittings of the Presbytery.

—**Married.**

On last Sunday morning at the residence of the bride's father, Mr. S. M. Jackson, near Dunn, Mr. Johnnie Goodman, of this place, and Miss Samantha Jackson were happily married, Mr. J. F. Phillips, J. P., officiating. After the marriage a nice dinner was served which was highly enjoyed by all the attendants.

Is Baby Too Thin?

If so, there must be some trouble with its food. Well babies are plump; only the sick are thin. Are you sure the food is all right? Children can't help but grow; they must grow if their food nourishes them. Perhaps a mistake was made in the past and as a result the digestion is weakened. If that is so, don't give the baby a lot of medicine; just use your every-day common sense and help nature a little, and the way to do it is to add half a teaspoonful of

SCOTT'S EMULSION

to the baby's food three or four times a day. The gain will begin the very first day you give it. It seems to correct the digestion and gets the baby started right again. If the baby is nursing but does not thrive, then the mother should take the emulsion. It will have a good effect both upon the mother and child. Twenty-five years proves this fact.

So. and \$1.00, all druggists.
