THE COUNTY UNION DUNN, N. C.

WEDNESDAY, November 8, 1899.

LOCAL DOTS.

—Cotton 7½ cents to-day.

—Do you want a Buggy Free?

Then read what our "ad" says.

—"Jack Frost" has made his advent.

—Work on the prize house is progressing rapidly as well as several other new buildings in town.

—Don't fail to subscribe and get a chance at the fine buggy offered by this paper. You may be the lucky man.

—Wedding bells are still ringing in and around our city. Listen and you will hear them again soon.

—Rev. W. A. Forbes left last Monday for Smithfield where he will assist in a meeting this week.

—Mr. Geo. E. Prince, a clever and prosperous merchant of (Shak) Level, spent Monday night in town.

—The season for fire is upon us, and we would warn the people to be careful. By a little carelessness great loss may be the result.

—The school is progressing rapidly. Miss Jessie Lane of Faison Duplin county entered school this week. The enrollment to date is one hundred and thirty.

—The farmers say they have the best potato crop in several years. The dry weather during the latter part of the summer was good on potatoes and it is fortunate that the crop is good.

—Mr. O. P. Shell received a telegram a few days ago from his brother in Warrenton, Mr. Ollie Shell, a traveling man well known in Dunn, announcing the death of his child.

—Court convenes at Lillington Monday, November 27th. Judge Fred Moore will preside. He is an excellent judge and his rulings give general satisfaction.

—Mr. T. W. McBryde, who has been serving THE UNION office as job printer for the past month, left Monday for Greenville to accept a position with the Greenville Reflector. He is an excellent young man and has our best wishes.

—The reception given at the residence of Mrs. Erasmus Lee's last Thursday evening in honor of the young bride and groom Mr. and Mrs. R. E. Lee, was a brilliant success and highly enjoyed by a number of their friends.

—Capt. Black preached a very fine sermon to men only last Sunday afternoon in the Baptist church. Rev. R. W. Hines preached to the ladies at the same hour in the Presbyterian church.

—Mr. Thos. J. Walker, of Winston-Salem, has accepted a position with THE UNION, and has taken charge of the local department of the paper. He is a young man of ability and will doubtless make the local department brighter than heretofore. He graduated from a Virginia College in music several years ago, and is author of the music "Awake thou that sleepest" in the hymn book "Onward and Upward." Mr. Walker is a member of the Dunn Brass Band. We are glad to welcome him as a citizen and any courtesies shown him will be greatly appreciated.

—You can attract customers to your store by a neat, attractive advertisement. They are not going where they are not invited and you can't blame them. Send in your "ad."

—Quite a large crowd visited our town last week to take in Jno. H. Sparks' show. The crowd in general was not disappointed, the show is well worth the admission 25 cents if it be worth anything.

—The tobacco market at Clinton closed Tuesday October 31st. There are no sales made there now. The Dunn market is still open every day except Sunday and good prices prevail. Good prices and satisfaction is the motto of our buyers.

—Hon. D. H. McLean and the party that went to Lumber last week interested in the trial mentioned in another column, returned last Friday. Mr. McLean made the best speech in the case ever heard in Robeson county, and succeeded in convicting the negro, who will be hanged December 7th.

—The farmers are still pouring in with their tobacco, each day calls for a good sale. Last Thursday upward of twenty-five thousand pounds were sold on our market. The farmers are getting a good price for their tobacco here and that accounts for the large sales daily. This means prosperity for the farmers and good business for our merchants.

—The President of the United States has set apart Thursday, November 30th as Thanksgiving Day. We have many things for which we ought to be thankful. God has blessed us every day of our lives and we should not wait for the annual thanksgiving but praise his holy name throughout the entire year.

—The meeting that has been in progress in the Presbyterian church closed last Monday morning. Much interest was manifested during the meeting, while there were but few accessions, yet the meeting did a great deal of good. Bro. Black's sermons will live in the hearts of these people and be as seed sown in good ground. He left Monday afternoon.

—This issue concludes the continued article of each week on the Evils of Mormonism. We hope that our readers are benefitted and will profit by this purpose and we hope too that no citizen will allow these tracks which the Mormons are flooding our country with to be left in his home. Their doctrine is dangerous and should be kept away from all, especially the rising generation.

—THE UNION is issued early this week on account of the staff going to the Fayetteville Fair. The Dunn Brass Band is engaged to furnish music for the occasion, and three of the staff belong to the band. Quite a large crowd will go down on the special train Thursday morning. The Fair promises to be a great success, and the attendance will be the largest for several years.

—Thousands of people are looking forward with much eagerness to the night of the 13th or 14th inst. when it is said the stars will fall. This only occurs once or twice in a lifetime and if we miss seeing them this time we may never live to see the next interval pass which is said to be about 33 years. By this great sight we are reminded of these words: "The heavens declare the glory of God and the firmament showeth his handiwork."

The County Commissioners met in Lillington Monday. The regular routine of business was taken up. The court ordered that a court calendar be prepared and published in THE UNION, which will doubtless appear in our next issue.
