Bryan in Nebraska.

Superior, Neb., Oct. 28.—Wm. J. Bryan sped through south-western Nebraska to-day, delivering twenty-five speeches. He began this morning and concluded his effort tonight at Benkelman. He was greeted with enthusiasm at all stops. At Riverton some farmers wore big yellow badges on which was inscribed "We stand by our country, was fired upon by a foe, "Our country right or wrong," "Silver died four years ago."

Mr. Bryan said: "I'm glad that you have labelled yourselves so I can tell who you are. I want you Republicans who are wearing yellow badges to study the question before you. I want you to understand that a Republican President sent a commission all the way to Europe to beg the nations of the old world to help tear those badges off your coats. Why do you repudiate the action of your President by declaring your belief in the gold standard?"

Mr. Bryan denounced imperialism. He will rest at Lincoln to-morrow and continue his tour next week in the northern part of the State.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed. Trial bottles free at McKay Bros. & Skinner's drug store.

Not even a McKinley tariff can protect and save the wool on the snowed-in sheep of Montana.

Hood & Grantham guarantee every bottle of Chamberlain's Cough Remedy and will refund the money to any one who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for the grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

The woman who is always grumbling over little things never has any attention paid to her when she has a real grievance.

Chamberlain's Pain Balm Cures Others, Why Not You?

My wife has been using Chamberlain's Pain Balm, with good results, for a lame shoulder that has pained her continually for nine years. We have tried all kinds of medicines and doctors without receiving any benefit from any of them. One day we saw an advertisement of this medicine and thought of trying it, which we did with the best of satisfaction. She has used only one bottle and her shoulder is almost well.—Adolph L. Millett, Manchester, N. H. For sale by Hood & Grantham.

LaGrippe, with its after effects, annually destroys thousands of people. It may be quickly cured by One Minute Cough Cure, the only remedy that produces immediate results in coughs, colds, croup, bronchitis, pneumonia and throat and lung troubles. It will prevent consumption, Hood & Grantham.

Used by British Soldiers in Africa.

Capt. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Galische. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Colic, Cholera and Diarrhea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by Hood & Grantham.

Dr. H. H. Haden, Summit, Ala., says: "I think Koolid Dyspepsia Cure is a splendid medicine. I prescribe it, and my confidence in it grows with continued use." It digests what you eat and quickly cures dyspepsia and indigestion. Hood & Grantham.

Does the Baby Thrive

If not, something must be wrong with its food. If the mother's milk doesn't nourish it, she needs SCOTT'S EMULSION. It supplies the elements of fat required for the baby. If baby is not nourished by its artificial food, then it requires

Scott's Emulsion

Half a teaspoonful three or four times a day in its bottle will have the desired effect. It seems to have a magical effect upon babies and children. A fifty-cent bottle will prove the truth of our statements.

Should be taken in summer as well as winter. See and \$2.00, all druggists. SCOTT & BOWNE, Chemists, New York.

London, Oct. 27.—About a thousand re-enforcements from England arrived at Cape Town and Durban on Wednesday and Thursday. A summary of the British military strength is published showing that the total number of troops now in South Africa is 25,500, including 16,400 who landed since Sept. 8. There are 21,000 men en route, and more than 28,000 yet to be embarked.

J. D. Bridges, Editor "Democrat," Lancaster, N. H., says, "One Minute Cough Cure is the best remedy for croup I ever used." Immediately relieves and cures coughs, colds, croup asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption. Hood & Grantham.

One hundred years ago next April, Thomas Jefferson was elected president of the United States. The people of Charlottesville propose a centennial celebration of the event on a grand scale. They ought to be joined by the lovers of liberty who believe in self government in every section of the Republic. In November, 1900 the followers of Jefferson will elect Mr. W. J. Bryan, "the second Jefferson" as Senator Daniel called him. That would be the best celebration of the anniversary, and the April celebration would help it along.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cents; guaranteed, at McKay Bros. & Skinner's drug store.
