—Only one more week in which to pay your poll tax. Unless it is paid before May 1st you cannot vote this fall.
—The following gentlemen have given the Dunn Base Ball Team lumber to enclose the grounds: Messrs. E. F. Young, J. C. Angier, K. L. Howard and S. C. Neighbors. We are requested to return thanks to these gentlemen.
—The scaffolding on Broad street has been torn away in front of the new brick block, and now when one passes that way he feels that he is in a city of many thousands. It is a handsome building and would do credit to any North Carolina city.
—Gilbert Walden, who has a world-wide reputation, is in the city and will give his pleasing entertainment to-night in the Opera House. He comes highly recommended by the press. Sam Jones says, "He drives away the clouds and brings sunshine and flowers." Everybody should come out.
—A merry party of Dunn's young people, about a dozen in number, went on a moon-light picnic excursion to the famous Red Rock on Cape Fear river Tuesday night. They report plenty of fish, most excellent boat riding, and such a time as Dunn's young people always have on a trip of this kind.
—The Good Roads Convention and Educational meeting met in Fayetteville yesterday. Governor Aycock and his distinguished co-workers in the movement, arrived in Fayetteville Monday evening. The Dunn Concert Band went down on the same train with the Governor and party to assist in the entertainment.
—Rev. W. B. Morton occupied the pulpit at the Baptist church last Sunday morning and night. At 11 o'clock in the morning he conducted the funeral service over the remains of Mr. A. M. Pittman, which were solemn and impressive. At night he preached a most excellent sermon. After the night service the church took action and extended a call, subject to the action of the Clayton church.
The scrub baseball team of our town played a game of ball on the Buie's Creek ground last Saturday. It seems that the B. C. A. boys had everything their own way. They would not let us put our regular team on the grounds. The battery for Dunn was Messrs. Randall and Rackley, pitchers and Mr. Privett catcher. Battery for Buie's Creek, Messrs. Clark and McLeod. The score was 11 to 5 in favor of B. C. A. They play on our grounds next Saturday.
Bear in mind that we are receiving weekly fresh cakes and crackers of all kinds from 10¢ to 50¢ per lb.

Sense!
Just as much sense in buying good paint as in buying good clothes or shoes. A 50 cent shoe may look as well and cost as much to make as a \$3.00 shoe but time has proven that the wear-is different. For long last, nice finish, pure colors, and the best goods, buy the
Town and Country Paint,
made of Pure Regiment Lead and oil. It will save you cost of repainting every two or three years.
We will be glad to supply you with color cards or our booklet of Chemistry of Paints. Don't use cheap paints, you will regret it.
