Acute Dyspepsia

COLEMAN GUARANTY CO., Danville, Va. U. S. A. WED FIFTEEN WIVES.

In court to-day two women identified a photograph of Charles F. Reuter as the man they had married. Reuter is the husband of 15 women, and he is now in prison at Poplar Bluffs, Mo. He is handsome and his record shows that he averaged a new wife about every two weeks. They are scattered all over the country, and the returns are not all in yet. Both the Chicago women were granted divorces.

Mrs. Caroline Ormsby, married seven years ago and the mother of 14 children, including quadruplets, triplets and twins, applied for a divorce from her husband, a blunderer, who deserted her just before the birth of the quadruplets. Since that time Mrs. Ormsby and her children have been drawing \$100 a week in a museum and presents and money have been showered upon them. The judge refused to grant the divorce, as he believed that the husband would return.—Chicago Dispatch, 21st.

A VALUABLE MEDICINE. For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from cough or cold," says Chas. M. Cramer, Esq., a well known watch maker of Columbus, Caylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by Hood & Grantham.

Sold His Seat. Jesse Speight is telling a good one that occurred while he was in New York a few days ago. He was a visitor on the stock exchange and stocks had been moving along quite dull for a few minutes when one man thinking to have a little fun and create some life, arose and cried, "I'll take \$8.00 for my seat."

"I'll take it," cried another, by the time the offer was made. "I mean the seat of my pants," cried the seller. "That's all right. I claim my purchase," followed the buyer.

The seller wanted to declare the joke off, but the crowd would not let him. They rushed around him and entering on the seat of his pants handed the piece to the purchaser who in turn handed over his \$8.00.—Greenville Reflector.

GOOD FOR RHEUMATISM. Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle, was completely cured.—SALLIE HARRIS, Salem, N. J. For sale by Hood & Grantham.

Don't neglect biliousness and constipation. Your health will suffer permanently if you do. DeWitt's Little Early Risers cure such cases. M. B. Smith, Butternut, Mich., says, "DeWitt's Little Early Risers are the most satisfactory pills I ever took. Never gripe or cause nausea." Hood & Grantham.

DO YOU WANT TO VOTE?

It is materially essential that every white man, who is required to pay poll tax should have his tax receipt on or before May 1st, 1902. No danger confronts us on account of the educational qualification among our people because those that cannot read and write as prescribed by the Amendment to the Constitution, could vote on Jan. 1st, 1867, or prior thereto, and if not in this class, they are the lineal descendants of some person who could, and hence the white people of Harnett county will not be effected along this line by the new law.

This part of the Amendment to the Constitution has been considered the most vital part of it—and is, to all except the white people—the part that effects the white people we are now endeavoring to impress upon the public. That is Sec. 4 of Chap. II, of the Adjourned Session 1900 of the Legislature of North Carolina which requires that "before he (the elector) shall be entitled to vote the first day of May of the year in which he proposes to vote, his poll tax for the previous year as prescribed by Article V, Sec. 1, of the Constitution."

This section only applies to persons between the ages of twenty-one and fifty years. Those voters who are over fifty will not be effected by this part of the law. But those electors who are less than fifty will have to see that their poll tax is paid on or before the first of May 1902—unless the County Commissioners have released such voter on account of poverty or infirmity—or they stand a good chance to lose their vote in the coming election of this year. The tax required to be paid is the poll tax for the year 1901 and not for 1902 as some have understood it to be. We will have an entirely new registration in North Carolina this year to put in force and operation our Constitutional Amendment which was so triumphantly ratified at the August election 1900 and in this registration it will have to be shown that these poll taxes have been paid by those who are of taxable age and applying for registration.

The Secretary of State of Louisiana informs us that a number of worthy men were not put upon the permanent roll because this feature of the law was overlooked. This was also true in another state in which franchise laws have been recently passed, but there's no reason why this should occur in this state and especially in Harnett County.

Then let every patriotic citizen bestir himself to see that every white man obtain this information and get himself on the permanent roll this year—which will contain all that is noble, true and good of the electors of this grand old commonwealth.

THE GREAT DISMAL SWAMP. Of Virginia is a breeding ground of Malaria germs. So is low, wet or marshy ground everywhere. These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Eleric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O., "but never found anything as good as Electric Bitter's. Try them. Only 50c. C. L. Wilson guarantees satisfaction."

WILL NOT HIDE MY LIGHT UNDER A BUSH. GENTLEMEN:—I will not hide my light under a bushel, for I want the people to know what your Gooch's Mexican Syrup has done for me. For four years I have been afflicted with Asthma, and could not get anything to do me any good until I got your Gooch's Mexican Syrup. I took three bottles and it cured me entirely. I give you this hoping it may be the means of saving some one from a horrible and premature death. Yours under obligations, Rev. Thos. B. WARWICK, Scott Town, O.

Insurance for Roosevelt. New York—President Roosevelt has taken out a life insurance policy for \$50,000, beside continuing other policies which he took out before he was elected Governor of New York.

Mr Roosevelt's policies, it is understood, exceed by \$15,000 or \$20,000 those held by President McKinley at the time of the latter's assassination in Buffalo, Mrs. McKinley was paid about \$60,000 on policies on her husband's life. When Mr. Roosevelt succeeded to the Presidency he became convinced that it would be prudent for him to largely increase his life insurance.

FOR HARNESS and Saddle Trees Mexican Mustang Liniment is just what you need. It takes effect at once, and you will be astonished to see how quickly it heals sores.

It's this way: You can burn yourself with Fire, with Powder, etc., or you can scald yourself with Steam or Hot Water, but there is only one proper way to cure a burn or scald and that is by using

Mexican Mustang Liniment.

It gives immediate relief. Get a piece of soft old linen cloth, saturate it with this liniment and bind loosely upon the wound. You can have no adequate idea what an excellent remedy this is for a burn until you have tried it.

A FOWL TIP. If you have a bird afflicted with Roup or any other poultry disease use Mexican Mustang Liniment. It is called a STANDARD remedy by poultry breeders.

Secret of a Long Life.

You sometimes see a woman whose old age is as exquisite as was the perfect bloom of her youth. You wonder how this has come about. You wonder how it is that her life has been a long happy one. Here are some of the reasons: She knew how to forget disagreeable things. She kept her nerves well in hand, and afflicted them on no one. She mastered the art of saying pleasant things. She did not expect too much from her friends. She made whatever work that came to her congenial. She retained her illusions, and did not believe all the world wicked and unkind. She relieved the miserable and sympathized with the sorrowful. She never forgot that kind words and a smile cost nothing, but are priceless treasures to the discouraged. She did unto others as she would be done by, and now that old age has come to her, and there is a halo of white hair about her head, she is loved and considered. There is the secret of long life and a happy one.—Pittsburg Dispatch.

Teach Children Industry. There are some misguided parents in this world. They send their children to school with one aim in view to educate them, never dreaming that education or book learning alone does not accomplish much. The writer once heard a mother tell her boy that she wanted him to have an education so he could make his living easier. A boy educated, with that purpose in view will not be benefited by an education. The boy when he enters school, especially the higher institutions of learning, must be given to understand that education does not fit a man for idleness but industry. That he may more fully understand his duty and be able to do it in a more satisfactory manner both to himself and society in general. Then, too, he should be given to understand that all labor is honorable. Teachers of men overlook this point while they instruct the boy. A boy that is not industrious from childhood up will never amount to much, education or no education.—School and Fireside.

A DOCTOR'S BAD PLIGHT. "Two years ago, as a result of a severe cold, I lost my voice," writes Dr. M. L. Scarborough, of Hebron, Ohio, "then began an obstinate cough. Every remedy known to me as a practicing physician for 35 years, failed, and I daily grew worse. Being urged to try Dr. King's New Discovery for Consumption, Coughs and Colds, I found quick relief, and for last ten days have felt better than for two years." Positively guaranteed for Throat and Lung troubles by C. L. Wilson. 50c and \$1.00. Trial bottles free.
