We are glad to note that she is improving very rapidly and will be practically well in a few weeks. We are indeed glad to be able to inform her wide circle of friends that she will be home again in a few weeks.

—The wooden buildings that belonged to Dr. M. W. Harper and Mr. Jas. A. Taylor on Broad street have been removed. Excavations are now being made for the purpose of erecting other handsome brick buildings on these lots. When they are completed the entire block will be brick. The town still goes forward.

—The citizens of Dunn will soon be talking with the yankees without going North. The American Telephone and Telegraph Co. have reached here with their line. This company is constructing an up-to-date line from Richmond, Va., to southern points. A phone will be placed in the drug store of Hood & Grantham. Richmond is already in connection with points north by phone.

—The series of meetings conducted here last week by Rev. Walter Holcomb was closed Monday morning. They were well attended and great interest taken in them and we hope they will be productive of good results. Mr. Holcomb is a young man just passed his majority but is strong and at times powerful in his denunciations of sin. He has endeared himself very much to our people and we hope to have him with us again soon.

**READ!**

Communications from friends of different candidates for the respective offices of the county are beginning to arrive at this office. Some have sent cards announcing their candidacy, others have sent communications alone. This puts us in an embarrassing position. It puts us in the attitude of charging some friends and not charging others for space. We think the proper way will be for each candidate to announce himself by card and this will surely keep the matter before the people of the county until the convention meets. We will be glad to give space for these cards at any time with reasonable charges. Short communications from the friends of candidates will gladly be inserted. We think this method fair and hope all our friends will observe it. When the nominations are made we expect to endorse the nominees of the party and go into the fight for them with gloves off.

The death angel has again visited our town, on last Monday morning the spirit of Mrs. Fannie Bain took its flight. She had been sick only one day prior to her death. Mrs. Bain was the daughter of Mr. Wash Byrd of Bunnsville, Harnett county N. C.

She leaves a husband and four small children to mourn her departure. The remains were taken to the family grave yard, near Bunnsville for interment Tuesday. May the great comforter solace the husband and children in their sad bereavement.

**Mother Always Keeps it Handy.**  
"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. Hood & Grantham.

**Vacation Days.**  
Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds, and wounds, "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits. Hood & Grantham.
