

WHAT IS THE SMALLEST SUM

which the BANK OF HOBBSVILLE receives on deposit?
This bank does not fix an absolute limit for deposits, but relies largely upon the fact that once an account is started its owner strives to keep his balance growing.

Suppose you open an account and determine that your balance shall never go below a certain amount. That sum will always be an "anchor to the windward."

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.
Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly believe I would have died if I hadn't taken it. After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely. I fattened up, and grew so much stronger in three months, I felt like another person altogether." Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution. Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy. Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

Ringling Day Almost Here

**Big Circus Bound This Way
On Five Great Trains
Loaded With Wonders.**

Children are now on their best behavior in anticipation of a real holiday treat on Sept. 28th, when Ringling Brothers' World's Greatest Shows will exhibit in Norfolk. It is expected that this city will send more than its usual number of "sawdust fans" to welcome this popular circus. Ringland Brothers promise many novelties and innovation and a "bigger and better everything" is the slogan. Preceding the regular circus performance the new spectacle of "Solomon and the Queen of Sheba" will be enacted on the largest stage in the world. This mammoth 1,250-character pageant cost \$1,000,000 and the costumes, scenery and stage properties are said to be a revelation in gorgeousness. Among the 385 scenic acts, are scores of equestrians including the Lloyds, famous English riders; the Borsinis, rolling globe artists; the Balkanis, whirlwind riders from the Balkan mountains; the five highest perch acts ever presented; boxing and wrestling kangaroos; five herds of trick elephants; 50 clowns, 20 families of aerialists and a magnificent horse show and speed tournament. The menagerie is larger and more complete than ever and features many animals never before exhibited in America. A free street parade will be given on the morning of show day.

Act Quickly

Delay Has Been Dangerous in Edenton.
Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are the most effective. Plenty of evidence of their work. H. T. Jackson, Creswell, N. C., says: "I suffered with backache and pains across my loins. If I attempted to stoop or lift anything, sharp twinges caught me in the small of my back. My kidneys were weak and the kidney secretions were too frequent in passage. They were highly colored and contained sediment. Since I used Doan's Kidney Pills, the backache has left, together with the pains in my loins. Now I can stand all day long and not have that distressing pain in my back. The kidney secretions are regular in passage and I haven't the slightest trouble with my kidneys." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jackson had. Foster-Milbur Co., Props., Buffalo, N. Y.

Don't Hurt Your Liver With Calomel

When your liver becomes torpid and sluggish, you can take calomel and whip it into action, but the calomel will leave your body weaker and sicker than ever. Calomel is a very powerful drug, a form of mercury, and need never be used because there is a perfect remedy to take the place of calomel, that has all of calomel's good medicinal effects with none of its follow-ups. Its name is Dodson's Liver Tone. J. A. Mitehener sells Dodson's Liver Tone with the guarantee that if you don't find that it treats you much better than calomel, they will give you your money back with a smile. Dodson's Liver Tone is a true tonic for the liver, purely vegetable, and with such a pleasant taste that it is no trouble to get children to take it. It is absolutely impossible for it to do anyone any harm. advt.
