Policeman Asbell Explains Why He Resigned.

To the Town of Edenton:
 I do hereby resign as POLICEMAN and have surrendered to the proper officials the property belonging to said office, on account of not being able to perform the duties assigned to me to the best of my knowledge and belief as the Town has a DETECTIVE—Mr. Edward Bond. I will state that I am resigning with the profound belief that I have earnestly performed my duty as such OFFICER.
 I further state that I am in deep sympathy with the next man whom in your wisdom you shall see fit to put in my stead, should he try to perform his lawful duty.

Very truly,
 JESSE ASBELL.

Mrs. Mattie Leary Dies in a Norfolk Hospital.

Elizabeth City, N. C., Nov. 1.—Mrs. Mattie Leary, one of the most loved and best known women in Eastern North Carolina, died Saturday afternoon in Sarah Leigh hospital in Norfolk, where she underwent an operation ten days ago. The body was taken to Edenton Saturday night and the funeral services were conducted Monday in the Episcopal church in that town by Rev. C. A. Ashby of Elizabeth City. The body was laid by the side of that of her husband in the Episcopal cemetery. She was 50 years old and is survived by one daughter, Miss Minnie Leary. She survived her husband, Dr. Thomas Leary, about 23 years.

Mrs. Leary, before her marriage, was Miss Martha Saunders, daughter of Dr. L. K. Saunders. She was born and reared in Elizabeth City and resided here until her marriage. After her marriage to Dr. Leary of Edenton she made her home in that town. Upon his death she returned to Elizabeth City and has lived here since.

She was a devout member of Christ church of Elizabeth City. While she had only one child of her own, she "mothered" the orphaned family of the late W. W. Griffin. She was only their cousin, but the children lovingly called her "auntie" and looked to her as if she had been their own mother.

She spent the past 20 years of her life in active church and charity work, and in doing good to all with whom she came in contact. The announcement of her death Saturday afternoon came as a great shock to the people of Elizabeth City. Only members of the family and a few friends knew that she was ill and very few people knew that she was in a hospital. Her condition after the operation was apparently satisfactory until Saturday morning, when she rapidly grew worse and expired in a few hours.

VAPOR TREATMENT FOR COLD TROUBLES

Are now used in all hospitals. The vapors are inhaled direct to the spot without injuring the stomach as do internal remedies. The vapors are confined.
VICKS' Croup and SALVE
 so that they are released by the heat of the body when applied to the throat and chest. One good rub will relieve a cold; a group is cured in fifteen minutes. At all druggists, 25c, 50c and \$1.00. Sample on request. Vicks Chemical Co., Baltimore, Md.

The Cloudy Day.

I
 The way is long and dark and cold
 In this sad life where we grow old,
 The sunshine comes but not to stay
 The clouds succeed the brightest ray.

II
 I paint the picture as it seems
 Between the darkness and the glooms
 But the clouds shall roll far away.
 Leaving earth a most perfect day.

III
 So let this thought a comfort be.
 When you the rain and darkness see
 That the darkest clouds you'll find
 Certainly are the silver lined

IV
 Then get to work with right good will
 And all the sad, dark hours fill.
 With all the good you see to do.
 And there will be some light for you.

V
 Thus surely there will come a day
 When you will wonder why the way
 Of life was cold and dark and sad,
 For you'll have more joy than you had.—Contributed.
