Pine Grove School

Sunbury, N. C. Dec. 7, 1914.
Community service was fittingly observed in this community on the days designated for that purpose Dec. 3rd and 4th and much good was accomplished.

On the first day the public road's in the immediate vicinity were given a much needed working which adds much to their appearance as well as to the comfort of travel. The second day was spent in improving the school house grounds which adds very much to their appearance. An elaborate program arranged by the teacher, Miss Inez Hofer consisting of patriotic songs and some short addresses by O. W. Hinton and other local speakers was much enjoyed.

A sumptuous dinner was furnished by the ladies of the community which was greatly enjoyed by all. A committee on improvements were appointed consisting of Mr. H. L. Brown, Mrs. H. V. Walker and Miss Beatrice Hofer. Altogether much good has been accomplished not only in a material sense, but a healthy get together spirit of mutual good-will has been promoted.

Try This For Neuralgia

Thousands of people keep on suffering with Neuralgia because they do not know what to do for it. Neuralgia is a pain in the nerves. What you want to do is to soothe the nerve itself. Apply Sloan's Liniment to the surface over the painful part—do not rub it in. Sloan's Liniment penetrates very quickly to the sore, irritated nerve and allays the inflammation. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief. adv. 2
