Purfoy, and will preach at the First Baptist church Sunday morning. We beg to acknowledge to the Evangelical Literary Society, of Judson College, through the courtesy of Rev. N. B. Cobb, an invitation to its first anniversary and public debate, Friday, February 15th.

Col. A. H. Baird has just returned from a trip to Swain county where he went as a representative of the government in the capacity of a revenue official. The Colonel reports an increased number of violations of the internal revenue laws in that section of the State. As the 4th of March approaches, it is said by those in position to know, that the distillers of the illicit dewdrop are found to be operating nearer and nearer the public road, looking for clemency from the incoming administration. It is expected, therefore, that the next term of the Federal court will have in attendance an increased number of defendants who have been extracting the juice of the mountain tubbin' without due license from the government.

WHO WAS THE LADY?

A lady at some near-by village sent us an order about two weeks ago for some Embroidery Silk. We had none on hand, and filed away the order to be filled as soon as the Silk should come. We offer Knitting Yarn in all colors at 5 cts. per hank or 80 cts. per pound. Our stock of Lamps has been replenished and we can suit almost any reasonable person. Prices range from 20 cts. to \$2 each, complete. A beautiful line of Moonstone Pins for Ladies at half price.
