To the Citizens of Asheville.

The money expended on our new school building, the payments on the old the purchasing of furniture and other expenses, have been greater than the school Board anticipated. After a careful calculation we find that our funds will be exhausted by the close of the present schoo' month, which is Friday, the 8th instant The schools at that time must be closed unless some help is gotten from private subscription, The superintendent reports that it will be impossible for the children to pass the grades with this five months term, but that such could be done if the schools should continue until June 14th To stop now will disarrange and dis organize everything, and yet the Board cannot continue the schools unless the amount necessary for this purpose is made up by the people. To this end a committee will call upon the people and parents for contributious. We appeal to every citizen to come to our aid and de their duty to the end that our schools may continue. It is the hope of the Board that a sufficient amount will be raised so that the school may re-open Monday March 10th. Respectfully,

WM. W. WEST, D. T. MILLARD, W. F. RANDOLPH. S. R. KEPLER, H. A. GUDGER. ISAAC DIXON.
