Florida cabbage, tomatoes, strawberries and asparagus at Barker & Co's today.

Everything is smooth sailing with us when we have no difficulty in raising the wind.

There are times when a feeling of lassitude will overcome the most robust, when the system craves for pure blood, to furnish the elements of health and strength. The best remedy for purifying the blood is Dr. J. H. McLean's Sarsaparilla.

The last words of great men are all recorded in the books, but the last words of women, great or small, have always been too much for historians.

Advice to Mothers.
Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pains, cures wind colic, and is the best remedy for diarrhea. 25c a bottle.

Mrs. Gushington (missing her spouse)—Where is the light of my life?
Mr. LaConic—He's gone out.
Fresh tomatoes at Barker & Co's today.

A Finnish woman in Minnesota has given birth to six children at one time. The father hopes that this will Finnish the family.

How Doctors Conquer Death.
Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all the deaths from coughs, pneumonia and consumption might be avoided if Acker's English Cough Remedy were only carefully used in time." This wonderful Remedy is sold under a positive guarantee by T. C. Smith & Co.

A Good Platform.
He who intends to be Mayor of Red Spring must stump the town, that is, he must dig the stumps up out of the town.—Scottish Chief.

The Knoxville Journal on sale daily at Carson's News Store.

An Ohio man has taken the small-pox from a pig. What an Ohio man will not take is not worth having.

Careless Mothers.
Many mothers have permitted their children to die before their eyes when they might have saved them. Any mother who keeps house without a bottle of Acker's English Baby Soother at hand, runs a risk which she may some time regret. It has saved the lives of thousands of children, and is doing so every year. For sale by T. C. Smith & Co.

The office-seekers whose applications are ignored by the President can quote the poet, viz: "Of all sad words of tongue or pen, the saddest are these—We can't move him."

Bucklen's Arnica Salve.
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by P. L. Jacobs.

Medical examiner (for insurance company)—You appear to be in a very weak, nervous, depressed physical condition. Applicant for insurance—Yes, your agents have been chinning me for six months.

If health and life are worth anything, and you are feeling out of sorts and tired out, tone up your system by taking Dr. J. H. McLean's Sarsaparilla.

The President has not had his photograph taken lately, but several applicants for office have taken negatives of him.

Dizziness, nausea, drowsiness, distress after eating, can be cured and prevented by taking Dr. J. H. McLean's Liver and Kidney Pills (little pills).

Dolus—It must be a sad thing to be left a widow.
Wigstaff—It is. It wouldn't be half so sad if Biggars had not left me his widow some two years ago.

Look Out For the Children.
Hart's Worm Cream is a new remedy for the expulsion of worms from the system, but is becoming rapidly well known, for it is never used without the most satisfactory results. Besides its wonderful efficacy, it recommends itself on account of its pleasant taste and is not objectionable to the patient. It will take the lead of all worm medicines.

Silence is supposed to be golden; but if you go home and your wife finds a long golden hair on your coat sleeve, the chances are there won't be much silence.

Sick headache, biliousness, nausea, constiveness, are promptly and agreeably banished by Dr. J. H. McLean's Liver and Kidney Pills (little pills).

Mrs. Cumrtover—"How are the children this morning?" Mrs. Lovitt—"Well, Tommie and Susie are better, but Poggie is a very sick dog."

Dyspepsia, Despair, Death.
These are the actual steps which follow indigestion. Acker's English Dyspepsia Tablets will both check and cure this most fearful of diseases. Guaranteed by T. C. Smith & Co.

Miss Lakeside: "Now, my dear, you must come and spend a month or two of the fall with us in Chicago."
Miss Emerson (of Boston): "You really think it would be pleasant?"
Miss Lakeside: "Immense. We would have a regular hog killing time."

A Safe Investment
Is one which is guaranteed to bring you satisfactory results, or in case of failure a return of purchase price. On this safe plan you can buy from our advertised Dispensary a bottle of Dr. King's New Discovery for Consumption. It is guaranteed to bring relief in every case, when used for any affection of Throat, Lungs or Chest, such as Consumption, Inflammation of Lungs, Bronchitis, Asthma, Whooping Cough, Croup, etc., etc. It is pleasant and agreeable to taste, perfectly safe, and can always be depended upon. Trial bottles free at F. L. Jacobs' Drugstore.

That story of Hugh Conway's, entitled "Called Back," is said to find a ready sale among the present American foreign diplomats.

What will cure the worst case of dyspepsia? What will insure a hearty appetite and increased indigestion? What will cure general debility and give a new lease of life? What will restore exhausted mothers to full strength? What will strengthen nerves and muscles? What will enrich the blood? What will enable you to overcome weakness, wakenfulness and lack of energy? What will prevent chills and fever and other effects of malarial poison? Brown's Iron Bitters, it is well to know this.

My little boy, 6 years old, was sick with a disease for which doctors had no name. The name came off his tongue, and the figure came off to the middle joint. For 3 years he suffered dreadfully; he now getting well, and I am satisfied Swift's Specific is the chief cause of his improvement.

POISONED BY A CALF—My little boy looks sick with eyes and cheeks, the result of the saliva of a calf coming in contact with a red bug. The saliva was deep and pungent and I showed no inclination to heal. I gave him Swift's Specific, and he is now well.

Better Than Bloody Battles.

General Wheatcraft Nelson says: "My experience in the English army as well as in America, convinces me that nothing so purifies the blood or adds to the health, vigor and life as Acker's English Blood Elixir." This great remedy is sold under a positive guarantee by T. C. Smith & Co.

He (who has been hanging fire all winter)—Are you fond of puppies, Miss Smith?

She (promptly)—What a singular way you have of proposing, Edgardo. Yes, darling.

And now the carls are out.

Symptoms of Catarrh.
A profuse and many times excessively offensive discharge, with "stopping up" of the nose at times, impairment of the sense of smell and taste, watering or sore eyes, impaired hearing, irregular appetite, occasional nausea, pressure and pain over the eyes, and at times in the back of the head, occasional chilly sensations, cold feet, and a feeling of lassitude and debility, are symptoms which are common to catarrh, yet all of them are not present in every case. Dr. Sage's Catarrh Remedy cures catarrh in its worst forms and stages. It is pleasant to use, and contains no poisonous or caustic drugs. Of druggists, for 50 cents.

Young Ribbons—I wish to marry your daughter, sir.

Old Hardcash—Well, I must consult my daughter first.

Young Ribbons—Oh, that's all right; we've been engaged for six months.

Patrick Henry
Uttered a sublime truth when he said, "It is natural for man to indulge in the illusions of hope. We are apt to shut our eyes against a painful truth and listen to that song of that siren tillah transforms us into beasts." We are apt to shut our eyes while colds, catarrh or consumption are getting the best of us, hoping, not when our plain duty is to get some remedy like the Golden Medical Discovery of Dr. Pierce, and take it. We should not listen to the song of the siren, but rather heed Longfellow, who tells us to "Act, act in the living present." That means before it is too late. The "Discovery" is one of the great necessities of the age—a safe, pleasant remedy to take, and can be had of all druggists. It is guaranteed to benefit or cure, or money paid for it will be refunded.

Wife (at bed time)—Cyrus, what day is this?
Husband—Wednesday.

Wife (anxiously, holding a small pair of trousers at arm's length)—I am afraid Johnny isn't well, Cyrus. He generally has at least two pounds more of marbles in his pockets at this time in the week than he has to-night.

Flaming Fire in the Veins.
We hold positive proof that Acker's English Blood Elixir cures all blood poisons where cheap, snuffing pills, and so-called purifiers fail. Knowing this, we will sell it to all who call at our store on a positive guarantee. T. C. Smith & Co.

Mr. Jonathan Trump—What's the matter with your daughter?
Mrs. Dolly Dicker—She's gone to the convent with Dolly Ficker, as pale as a ghost!

Miss Penelope Peachblow—Going into a decline I take it, from what I know of Dolly.

No Wonder She Envied Bridget.
A rich society lady told her servant, "I wish I could be as strong, healthy and full of life as you are!" The lesson is plain. The girl had plenty of exercise, and constitutional health and contentment. Riches will not buy health always, but broken-down women can find sure relief in Dr. Pierce's Favorite Prescription. It is a powerful invigorating, restorative, and nutritive tonic. It is guaranteed to benefit or cure, or money paid for it will be refunded.

Judicious Advertising.
CREATES many a new business;
ENLARGES many an old business;
REVIVES many a dull business;
RESCUES many a lost business;
SAVES many a failing business;
PRESERVES many a large business;
SECURES success in any business.
To advertise judiciously, use the columns of "The Citizen." Everybody reads it; and in proportion to the returns it yields advertisers, its rates are the cheapest in the country.

Even the most vigorous and hearty people have at times a feeling of weariness and lassitude. To dispel this feeling take Dr. J. H. McLean's Sarsaparilla; it will impart vigor and vitality.

Merit Wins.
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity surely on their merits. F. L. Jacobs, Druggist.

STARTLING, BUT TRUE.

THE BIG 22,

After a sojourn of one year in this glorious climate of North Carolina, has passed the following resolutions, to wit:

To sell all goods, comprising a full and complete line of Clothing, Furnishing Goods, Hats, Trunks, Valises, etc., at 10 per cent. above actual cost;

To select Thursday of each week as Bargain Day, on which day all goods go at net cost.
