li you have determined to leave the beat and noise of the city for a while this summer, for a little recreation, don't forget that North Carolina can furnish what you want. There are mountain breezes as salubrious, and salt sea airs as bracing, and mineral waters as healthgiving, in the borders of the old North State as can be found anywhere else.

North Carolina is a good place for North Carolina people to go this summer.

Some surprise has been expressed because Mrs. Harrison, wife of the President, has figured to such a small degree in newspaper gossip. The fact is that Mrs. Harrison has personally requested Washington correspondents to refer to Oct her as seldom as possible. They have treated her, therefore, with the courtesy her retiring disposition craves.
