BUSINESS AND PLEASURE.

Give the Children a Chance.

There is something radically wrong with the health of a child when it seems listless, has poor or no appetite, eyes sunken and with dark skin beneath. In most cases showing these symptoms the child has worms, and all that it needs is some simple remedy, such as Hart's Worm Cream. Loosens the bowels, and the child will soon be in perfect health again. Parents, try it and let your little ones have a fair chance for life.

Parents Criminally Liable.

More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Soother has done more to bring this about than all other causes combined. You cannot afford to be without it. T. C. Smith & Co.

Smith's Wife.

When the day is o'er, and the evening is come, The cattle are fed, the milking done, Smith takes his rest 'neath the old shade tree, From the labor of the land his thoughts are free.

A Surprised Joker.

A laughable but rather embarrassing case of mistaken identity occurred the other day in one of Boston's largest retail stores. A gentleman, who is a little too fond of joking, entered the store for the purpose of meeting his wife at a certain counter. Sure enough, there stood a lady dressed, to his eyes at least, just like the woman he was after.

Convalescent—Doctor, how much do I owe you for saving my life? Doctor—Sixty dollars. Convalescent—Sixty dollars? I was here with an air of conviction. It ain't worth it.

Judicious Advertising.

ENLARGES many a new business;
REVIVES many a dull business;
RESCUES many a lost business;
SAVES many a failing business;
PRESERVES many a large business;
SECURES success in any business.

To advertise judiciously, use the columns of "The Citizen." Everybody reads it, and in proportion to the returns it yields advertisers, its rates are the cheapest in the country.

"Little, 'But Enough."

As Mercutio said of his wound, we refer to Dr. Pierce's Little Pills, which are small, swift and sure, in cases of sick headache, biliousness, constipation and indigestion.

Consumption Curable.

Since the fact that consumption is both preventable, and in its earliest stage curable, has been discovered, the use of Dr. Pierce's Golden Medical Discovery will arrest all such symptoms, restore the liver to healthy action, and send streams of pure blood into every organ. Of druggists.

Europomy.

This is what you ought to have, in fact you must have it to fully enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be attained by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and ease the demon dyspepsia and install instead Europomy. We recommend Electric Bitters for dyspepsia and all diseases of liver, stomach and kidneys. Sold at 50c, and \$1 per bottle by F. L. Jacobs, druggist.

A Scrap of Paper Saves Her Life.

It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable, and could live only a short time. She weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery and got a sample bottle. It helped her. She bought a large bottle and it helped her more. She bought another and grew better fast, continued her use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, druggist, Forth Smith. Trial bottles of this wonderful discovery free at Jacobs' drug store.
