Speaking of the weather, a warm spring may be anticipated when a man sits on a hot flat-iron placed on a chair by his wife.  
**Parents Criminally Liable.**  
More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Soother has done more to bring this about than all other causes combined. You cannot afford to be without it. T. C. Smith & Co.

If he had known of Dr. Pierce's Pleasant Purgative Pellets they would have removed the cause of his headache—biliaryness—and he would have made the money. Dr. Pierce's Pleasant Purgative Pellets cure sick headache, bilious headache, dizziness, constipation, indigestion, and bilious attacks; 25 cents a vial, by druggists.

Murphy Bulletin.  
"A man who subscribes for a newspaper is too often of the opinion that the printer or publisher can wait indefinitely for the pay. It is a case of misunderstanding. The printer can live on "pie," "quoin," "chases," "ink," "shooting sticks," "mallets," "plumbers," "column rules," "type," "forms," "leads" and "presses" for a certain length of time, but his digestive organs are inadequate to permit of such diet for more than a year. Unlike the ostrich his stomach is not coated with copper, and without any "meal in the leg," any chickens to devour, any turnips or potatoes to be cooked, any eggs to poach, he and his family would eventually dry up and blow away."

**Clyde Just in the Rear.**  
J. Wiley Shoak's Register.  
"Asheville is to have a fine opera house. It will be three stories high, the hall having a seating capacity of 15,000 and will be illuminated by gas and electricity. \$50,000 has been subscribed with more to come if needed. With a \$100,000 court house, a \$500,000 hotel, a \$50,000 opera house, all soon to be built, besides the many magnificent edifices which she now has, and a young, go-ahead and progressive mayor, she can justly claim a place among the great cities of the South. Go it, sister, and keep one eye skinned over your shoulder, for Clyde is just behind."
