Southerners in New York.

athern prosperity is a benefit to the ole country. New York City, as the ural financial and commercial metrop-obtains its share of the benefit. It old among its variegated permanent opulation many thousand men of southern birth, who, socially and in a business sense, are among its most desirable citizens. The development of manufactures, of railroads and of general business in the South constantly increases the ties between it and this city.

The Gate City Filter.

This filtering medium is a natural stone mineral from the earth. It is unlike any other stone. It does not absorb and became foul. Impurities never penetrate it, but lie on the surface. Internally, the stone remains as pure as when mined. I sell them at maker's prices. J. H. Law. Asheville, N. C.
