HEREAFTER

We will run two delivery wagons. The necessity for this has been caused by our largely increasing trade, making it impossible to deliver with one wagon. There have been complaints (and justly, too) by some of our customers at not having goods delivered more promptly. With our additional facilities for delivery we hope to increase our already large trade, and promise to meet all competition. Our stock, as heretofore, will be kept up to the highest standard in quality. All goods sold by us guaranteed to be as represented, both in weights and quality.
