MISCELLANEOUS.
A. D. COOPER,
Groceries.
We presume Asheville has more comments passed upon it than any other city in the State. They say "Such elegant buildings, such fine houses, and such splendid food." Hotels, boarding houses and private families are often asked by their visitors "Where do you get flour to make such elegant bread?" "Why, at Cooper's, where the best of everything can be had in the way of Groceries." Our aim is to furnish the purest and best goods for the least money, to wage bitter war against all adulterations of food products and never buy cheap groceries for the purpose of selling below cost.

BUSINESS AND PLEASURE.

Style.
The most fashionable color, at present, is the hue of health, and it will never go out of style. Its shades and tints are various, but all of them are exceedingly becoming. It is perfect, astonishing what a change is being had, wrought by Dr. Pierce's Favorite Prescription in the looks of sickly women. Sufferers from any sort of "female weakness" or irregularity, backache or nervous prostration should give it trial. All druggists.

The nearer a man on a journey draws to a large town the smaller he feels.
Give the Children a Chance.
There is something radically wrong with the health of a child when it seems listless, has poor or no appetite, eyes sunken and with dark skin beneath. In most cases showing these symptoms the child has worms, and all that it needs is some simple remedy, such as Hart's Worm Cream, to expel the worms, and the child will soon be in perfect health again. Parents, try it and let your little ones have a fair chance for life.

If you have ever tried it, you are of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house.
