Cancer of the Nose.

In 1875 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed, and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way, until I had concluded that I was to die from its effects. I was persuaded to take S. S. S., and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.

BUSINESS AND PLEASURE.

Give the Children a Chance.

There is something radically wrong with the health of a child when it seems restless, has poor or no appetite, eyes sunken and with dark skin beneath. In the cases showing these symptoms the child has worms, and in that it needs a sure, simple, yet thoroughly effective remedy, such as Hart's Worm Cream, to expel the worms, and the child will soon be in perfect health again. Do not delay, try it to-day, for your little ones have a chance in life.

Is a gun thought to be doing great execution when it hangs fire?

For Ladies Only.

Ladies—who is it, that when your husband or your children are ill, you consult the best physicians at once, care for them day and night, wear yourself out with sleepless watching, and never begrudge the heaviest doctor's bill, if only the dear ones are restored, to health; while day after day, week after week, you endure that dull pain in your back—that terrible "dragging-down" sensation—and do absolutely nothing to effect a cure? In a few years you will be a helpless invalid, and soon your broken hearted husband and motherless children will follow you to the grave. Perhaps delicacy prevents you consulting a physician—but even this is unnecessary. Poor sufferer, tell your husband how miserably you feel—perhaps you never did—and ask him to stop to-night and get you a bottle of Dr. Pierce's Favorite Prescription. It has cured thousands of women suffering from weaknesses and complaints peculiar to your sex.

Screwdriver—Well, what do you think of me? Screw—I must say you have completely turned my head.

"Painting the Town Red."

You may call this a vulgar expression and as modern as it is vulgar, but in the "Inferno of Dante" we read the lines:

"Who, visiting, goest through the perse air,
Us who have stained the incarnadine."

Incarnadine or red may be the wrong color for a town, but it is the natural color of the blood. If your liver is out of order, your blood will soon lose its ruddy glow and become impure. This means kidney disorders, lung disease, and, in course of time, death. To put the liver right and so stop such a train of evils, take Dr. Pierce's Golden Medical Discovery—a sure remedy. It is guaranteed to benefit or cure all diseases arising from a disordered liver or impure blood, as indigestion, sour stomach, dyspepsia, all skin, scalp, and scrofulous affections, salt-rheum, tetter, erysipelas, and kindred ailments, or money paid for it will, in every case, be promptly refunded.

Every 6th woman should have her scale of prices.

"It goes right to the spot," said an old man, who was rubbing in Dr. J. H. McLean's Volcanic Oil Liniment to relieve rheumatism. For sale by F. L. Jacobs, druggist.

Happy Hoosiers.

Wm. Timmons, postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Kidney medicine made me like a new man." J. W. Gardner, hardware merchant, same town, says: Electric Bitters is just the thing for a man who is all run down and don't care whether he lives; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c. a bottle, at F. L. Jacobs' drug store.

The best is a very before application; it has stood many a month.
