MR. BLAIR PROCEEDS WITH HIS CONTINUED STORY.

There is a lively debate in the Senate on the subject of the new rules, but the speaker, as usual, wins.

WASHINGTON, February 17.—SENATE.—Mr. Chandler presented several petitions from Mississippi complaining of the suppression of the republican vote in that State, and representing that the so-called legislature of Mississippi had recently enacted a law for restoring a new constitution for the State on the 12th of August, 1890.

Mr. Mills, of Texas, demanded tellers, who were appointed, and the result was announced by a vote of yeas, 114; nays, 8. Mr. Kilgore made the point of no quorum.

The speaker ruled that the bill, which requires that the motion shall be submitted to the house to be seconded by a majority by tellers, if demanded.

Mr. Blair presented a resolution to amend the act of August 23, 1882, which gave the United States marshal for the northern district of Florida.

ANOTHER CONFESSION.

Dick Hawes Tells a Different Story of His Awful Crime.

BIRMINGHAM, Ala., February 16.—Last night Dick Hawes wrote two letters, one to Miss May Story, the young lady whom he married in Columbus and the other to Edward Weaver, of Marion, Indiana. He gave them unopened to Deputy Gus Ellard, who turned them over to Sheriff Smith, and he opened them. Both said when received the writer would be dead, which plainly meant that Hawes meant to commit suicide.

The grand jury at Trenton, N. J., failed to find true bills against Dr. Kniffen and Miss Purcell, suspected of the murder of Mrs. Kniffen some time since, and they were discharged.

An Insane Asylum Burned. CHICAGO, February 17.—A special fire of Little Rock, Arkansas, says: At five o'clock yesterday morning a fire broke out in the boiler room of the insane asylum near this place, and spread rapidly through the entire building.

Mr. Dockety said that the rule cited by Mr. McMillin did not seem to provide for a count by the speaker at all, but only by tellers.

Mr. McMillin insisted that the point was that no quorum voted; neither the speaker nor any other member was present at the time the vote was taken.

Messrs. McMillan, Bland, Mills, Cannon, Campbell, Lodge, Harless, Peter, Herbert of Alabama, Buckalew of Pennsylvania, and Adams of Illinois, argued further upon the subject.

Mr. Crisp, of Georgia, argued that the rule taken in connection with others clearly contemplated a count by tellers during the vote.

Mr. Dingley, of Maine, said unless they were to go back upon the decision already reached the house must again sustain the right of the speaker to count a quorum.

The speaker said that the provision of the second clause, 28th rule, was peculiar. The question was one like that repeatedly passed upon by the house.

In conclusion the speaker said: "In this case the chair repeatedly counted the votes during the vote and after it closed, and being satisfied a constitutional quorum was present to do business, therefore he announces that the yeas are 114 and the nays 8, and that the motion has been seconded."

Mr. Chamberlain then took the floor and announced his satisfaction at the conclusion of the committee's work. The house then suspended its rules and discussed the World's Fair bills, and after returning passed some minor bills, and adjourned.

Frederick, Md., February 17.—A party of masked men numbering about thirty, and posing as white caps, surrounded the house of Dennis Davis, colored, at Brook Hill, a small village six miles from this city last night, and calling for Mrs. Brueley, white, forty years old, they accused her with undue intimacy with Davis, and threatened to kill her.
