NORTHERN CAPITALISTS TO BUILD A HOTEL.

TO COST \$175,000-TWO HUN-DRED ROOMS.

Work to be Begun Soon and the **Building to be Completed** By 1891.

Capitalists are determined that Asheville shall not suffer, another year, from ket street and have expended over four the want of sufficient hotel accommodations, as it has during the past winter. Thousands of health and pleasure seekers | thousand more during the current year were forced to turn their faces further to the south last winter, and for some time paying an annual rental of more than it was almost impossible for a person to ten per cent, on ten thousand dollars and obtain accommodations for even one I hope to demonstrate by this cours

rett and a party of friends were, early in ing civilization. March, compelled to pass through Asheville without stopping instead of spending two weeks because of the immense crowds already here. Numerous other away, and thousands of similar cases capitalists have decided to build one near situated lies between the street leading west from French Broad avenue to the lepot, and South Side avenue. The tract go for less than one third of that sum. ontains twenty acres, and is one of the prettiest and most accessible in town. It s beautifully located, amid pines and mmands fine views. Only five acres lots. These lots will be sold with the understanding that they are not to be fenced off from the remainder of the property. and thus a perpetual park will be made. The hotel will contain about 200 rooms, at first, and will cost \$175,000. Work will be begun in time to have the hotel
