THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN TO-DAY. THE CONVENTION AT CHARLESTON, SOUTH CAROLINA. IT SPLITS INTO TILLMAN AND ANTI-TILLMAN. THE PRIMARY PLAN OF NOMINATION ADOPTED. STRIKE ON THE DELAWARE & HUDSON RAILWAY.

COLUMBIA, S. C., August 14.—The democratic State convention, called for the purpose of deciding whether the State officers should be nominated by the convention or the primary plan, met yesterday and was called to order by Col. James A. Hoyt, chairman of the State democratic executive committee. The Tillmanites nominated Hon. W. T. Talbert, of Edgefield, as temporary chairman. J. B. Bean, of Edgefield, and J. T. Duncan, of Newberry, were elected secretaries. Both are strong Tillmanites.

The committee on credentials reported on a case of contesting delegation from Fairfield in favor of seating the Tillman delegation. In the course of remarks on the committee report Mr. Woodward said Dr. Pope was telling lies and he knew he was doing so. Great confusion ensued. At the conclusion the convention seated the Tillmanites by a vote of 218 to 70. Protest was read from the Berkeley Tillmanites, claiming they withdrew on account of the riotous and undemocratic proceedings on the part of the members, and because of the arbitrary rulings of the chair, who persistently rendered decisions regardless of the fact that no vote had been taken. The delegation from Berkeley is composed of Tillmanites. W. A. Talbert was chosen permanent chairman. Sampson Pope offered a new constitution which was referred to the committee on constitution.

The democratic convention this morning adopted the following: "Whereas, evil disposed persons, counsel hostile to the party's movement and regardless of the fair name and credit of South Carolina, have caused to be circulated through the press of the country, statements intended to prejudice the general public as to the relation of the democratic party to the public debt of the State and "Whereas, such sinister statements, growing out of hostile political motives, are wholly at variance with the purpose of the democratic party of the State and if unnoticed would create a wrong impression and possibly do harm and be injurious to the people of South Carolina; be it enacted by the democratic party in convention assembled that the debt of South Carolina as now recognized is a public obligation of primary importance, and in the future as in the past will continue to have the fostering care of the State government and should command the confidence of the investing public." The new constitution was adopted and elected Hon. Geo. Lambourn, chairman, and E. J. Brenon secretary. They chose an executive committee to prepare an address to the people and took a recess.

In the regular convention the old executive committee was deposed, and J. L. M. Hammond, old time chairman, was elected. The convention then adjourned sine die. ANOTHER BIG STRIKE. This time on the Delaware and Hudson. ALBANY, August 14.—General manager Young, when asked this morning as to the status of the Delaware and Hudson strike which began yesterday, said: "Superintendent Hammond was in the yards at 8 o'clock a. m. Nearly all the men who are out reported for duty. They said, however, that they couldn't go to work until they had received orders from their committee who are in consultation with the leaders of the Central strike. "Mr. Hammond told the men that unless they went to work at noon to-day their places would be filled by other employees of the company. "At noon we will have enough men to man switches and handle freight, the traffic of which will be resumed this afternoon. "The men are out only in this vicinity." From another reliable source it was learned that the employers of the Delaware and Hudson are organized only between here and Troy and there is no fear of a general tie-up on this road. There is not much perishable freight here except what arrived this morning for summer hotels up North and this will be sent up to-day. Passenger trains are running on time. Superintendent Bissell said there had been no change in the situation on the Central road.

FRAUDS COMMITTED. The Republicans Must Support a High Protective Tariff. WASHINGTON, Aug. 14.—In the senate to-day Senator Plumb from the committee on appropriations reported the senate joint resolution appropriation for the relief of destitution in Oklahoma, expending the balance of the appropriation made last fall for the relief of the district overflowed by the Mississippi river, and it was passed. Tariff bill taken up, the pending question being on Mr. Vest's amendment, offered last Monday, to reduce the duty on tin plate from 22-10 cents to 1 cent per pound. Mr. Mitchell addressed the senate in defence of the high protective system as being the policy to which the republican party stands committed.

A Negro Convention. SALINA, Kan., August 14.—A convention of 400 negroes from all parts of the State met here yesterday, and chose J. L. Walker for State auditor to be nominated at the coming republican State convention, if possible.

BEAR THE EAGLE SCREAM.

Uncle Sam Puts His Foot Down to Some Purpose. WASHINGTON, August 14.—Late on Friday afternoon the State department received from Mizer a telegram from La. Liberated saying that during a battle in the city of San Salvador the forces of the provisional government seized the consulate in that city, hauled down the flag and damaged the property. The department the same day instructed Mr. Mizer by telegraph to demand full reparation of Salvador, the reinstatement of and protection of the consul, and to see that all the rights of the United States and its citizens were observed.

Last night the department received word from Mr. Mizer that the provisional government of Salvador had hoisted our flag over the United States consulate the day before at the same time saluting it with twenty-one guns, and that the consul had been a day in office, and the rights of the United States and its citizens were guaranteed.

A RAPID TWO MONTHS. \$3,000 and Health Gone for the Drinks. INDIANAPOLIS, August 14.—George Farman, a Hoosier "Coal Oil Johnny," is at death's door here, suffering from a prolonged delirium. A short time ago Farman came into possession of \$3,000, and at once entered on a life of dissipation. He threw money right and left. Detectives arrested a young man on suspicion of robbing him of \$250, but as Farman said he had given the money to the man as a present, the delirium was released. In two months Farman spent over \$2,000 with "friends" for drinks. Now health and money are gone.

\$50,000 For a Broken Heart. LEWIS, Ind., August 14.—Leslie F. Duncan, aged 64, is the owner of the Matrimonial News, a weekly paper devoted to the interests of those who wish to marry. Miss Gladys Knowles, a niece of Sir Francis Knowles, Bart., 21 years old, became acquainted with a gentleman through the medium of the publication. The young lady advertised it only in a spirit of fun, but her correspondent very seriously for Mr. Duncan, who has been condemned to pay \$50,000 damages as a bail for Miss Knowles' broken heart.

Joined the Alliance. TOPEKA, August 14.—The Citizens' Alliance, supplement to the Farmers' Alliance, and composed of men who are better persons than farming, but hold a same political bias as the farmers, met in state convention and formed a state organization. This new alliance now numbers 10,000 members.

Wedding Tour on a Tugboat. NEW HAVEN, August 14.—H. T. Backus and Miss Genevieve A. Smith were married yesterday afternoon. Both bride and groom were attired in bicycle costume, and as soon as the ceremony was over mounted a tugboat and started on a long wedding tour.

Famine Probable in Ireland. LONDON, August 14.—Michael Davitt has returned from his hurried visit to Ireland. He said: "My inquiries in Ireland confirm the fears as to the probably disastrous consequence of the famine. I find that the potato crop is almost a total failure."

Kaiser and Cremation. BERLIN, August 14.—The International Cremation conference assembled here while the Kaiser was visiting England. He was asked to support their project. His reply read: "I do not approve of cremation."

The Base Ball Craze. SOUTH HINGHAM, Mass., August 12.—Mike Kelly, the tricky base ball player, has received a \$10,000 house and lot which his friends and admirers purchased for him.

TRAIN ROBBERS. They are Thwarted by Brave North Carolinians. The passengers on the Richmond and bayville north-bound train, after leaving Lexington Tuesday, were alarmed by the actions of two men who were believed to be train robbers. Judge Dick with the conductor and a body of men started forward to overpower the men who were signaling to the engineer to stop the train. As the men saw the crowd coming for them, they bolted for the forward end of the car, gained the platform and leaped off.

POLITICAL NOTES. Johnston county convention nominated Jas. H. Poir for the senate and R. H. Gower and C. F. Kirby for the house.

The Cumberland county democratic convention nominated Thos. H. Sutton and Captain A. D. McGill for the house.

F. D. Winston is the republican nominee for judge in the Second district. His brother, R. W. Winston, is the democratic candidate for judge in the Fifth district.

The republicans of the Eighth congressional district will put K. Z. Limney in the field as a congressional candidate. Limney went over to the republicans a year ago.

The Cleveland county democratic convention instructed twenty-five voters for Graham for congress and twelve for Lawler for judge. Hoke, twenty-three and Justice twelve.

Major Wm. A. Graham, who is pitted against Cowles and Flower in the Eighth congressional district, has declared that he cannot support the sub-treasury bill, and that there is not a county in his district that could have a warehouse where the bill passed into a law.

FORCE BILL DESERTED.

POSTPONED TILL NEXT DECEMBER. That Means That It Will Never be Passed, Probably Never Bronght Up Again—Quay, 'tis Said, Did This. WASHINGTON, August 12.—Boss Quay has boldly made a compromise arrangement with the Democrats by which the tariff and other important measures will be passed, and Messrs. Hoar, Spooner, and the other "bloody shirt" Senators left weeping for their lost cause.

Heroic measures are to be adopted by the Republican Senators to reach a vote upon the Tariff bill at an early day, and also to dispose of the River and Harbor Appropriations bills.

The Republican side of the chamber has been polled, and the Force bill has no show whatever of being passed. An arrangement has therefore been made under which Senator Quay, acting for a large number of the Republicans, and Senator Gorman, for the Democrats, have agreed upon an order of business which provides for the postponement of the Federal Elections bill until next December.

Spotted His Good Looks. BERLIN, August 14.—A free fight between two members of the Reichstag amused the people of Dresden on last Sunday. The participants were Herr Bebel, who has the reputation of being abnormally excitable, and another Socialist whose name is not given, probably because his features were unrecognizable after the meeting.

Kentucky is Very Democratic. LOUISVILLE, August 14.—The official returns have been received of seventy-five of 129 counties in the State, and these give a total majority to the democratic State ticket of 36,500. Conservative estimates now put the democratic majority for the State at 55,000. The majority at the last gubernatorial election was only 18,000.

Beating all Others. NEW YORK, August 14.—The steamer Teutonic has arrived in port breaking the record across the Atlantic from Liverpool to this city. The time made was five days, nineteen hours and five minutes, beating all other steamers.

AFAIRS OF CONSEQUENCE. HOME. The estimate of the Florida orange crop places it at 2,000,000 boxes or about the same as last year.

A dispatch from Tallahassee, Fla., says that considerable opposition is developing to the re-nomination of Senator Call. Cardinal Gibbons has received an opposition allowing Catholics to treat meat next Friday.

The New Zealand frozen meat trade has grown to wonderful proportions in recent years. Over a million carcasses of mutton are now sent annually to England.

A colored clergyman of Halifax, N. S., has sued the proprietor of the railroad restaurant at Amherst, N. S., for refusing to allow him to sit at the same table with white folks.

Every passenger conductor on the Louisville, St. Louis and Texas railroad has been dismissed and the places of the discharged men filled by promoting freight conductors.

An Atlanta merchant some time since offered \$1,000 for the most beautiful woman in Georgia to ride on his float in the grand parade on the 14th inst. Another merchant offers \$500 to the ugliest woman in Georgia.

A conference of original package dealers held at Mason City resulted in a general agreement that all would close up business and not attempt to contest the legality of the law. This ends the existence of the original package saloons.

There was a terrific explosion of natural gas near Waldron, Ind., Monday, by which ten acres of ground were shaken up. Great fissures were torn in the river bed, and a graveyard was so badly shaken that the skeletons of the dead could be seen.

The parade of the Grand Army of the Republic at Boston was five hours and a half in passing a given point. It was reviewed by President Harrison, Vice President Morton, members of the cabinet, distinguished citizens and officers and immense crowds of people.

The Mississippi constitutional convention will probably remain in session thirty days or more. The suffrage question is the main question to be dealt with. It is believed it will be effectually settled and the Australian system modified or amended will be engrafted in the constitution of State as the most acceptable means of regulating the great question of the ignorant colored vote.

MISCELLANEOUS. ANTIMIGRAINE. NEVER FAILING CURE FOR HEADACHE. TRADE MARK REGISTERED. ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY. Cures Every Variety of Headache AND NOTHING ELSE.

ANTIMIGRAINE Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTI-PYRINE, MORPHINE, CHLORAL AND COCAINE, Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is not a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients. The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USE. The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of Headache, if taken when first feeling the premonitory symptoms; but if the attack is well on, and suffering intense, the second or third dose of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, tending toward an eventual permanent cure.
