THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN TO-DAY.

THE EASTERN STRIKE CONTINUES TO SPREAD.

THE DELAWARE AND HUDSON DRAWN IN.

EULOGIES ON THE LATE SENATOR BECK.

ALBANY, August 23.—Superintendent Hammond, of the Delaware and Hudson said in the Green Island Yard this morning that they would accept from and deliver to the New York Central road all freight destined for points on the respective roads. The yard men and freight handlers there then struck.

It is reported that the yardmen and freight handlers in the Albany yards quit work at noon, but this cannot be verified. The officials of the Delaware and Hudson have not been notified of such action although Supt. Hammond said he had received no official information to that effect.

One of the strikers said that a strike on the Delaware and Hudson had been ordered between Albany and Green Island.

EULOGIES OF SENATOR BECK.

The Senate Suspends Business For that Purpose.

WASHINGTON, August 23.—The senate met at noon under the arrangement that to-day's session is to be devoted to eulogies of the late Senator Beck, of Kentucky.

Immediately after the reading of the journal Mr. Blackburn offered resolutions, which were agreed to, expressing the profound sorrow of the senate at the death of Senator Beck, and declaring a suspension of business to enable his associates to pay a proper tribute to his high character and distinguished public services.

Mr. Blackburn made the opening address.

CAUSED BY A "JACK."

The Cause of the Old Colony Accident Accounted For.

BOSTON, August 23.—The evidence taken by the railroad commissioners in their investigation of the Quincy railroad disaster clearly showed that it was caused by a jack left upon the track by workmen who were repairing the road.

In this evidence section foreman Welch, of Quincy, said: "I was working the jack at the time of the accident. I did not know a train was due. I left the handle of the jack in and was standing between the rails. When I saw the train I tried to remove the jack, but was unable to do so. The engine was seven or eight yards from me when I jumped. I saw the jack struck by the cowcatcher and tipped toward me. Then the engine left the track."

IN THE HOUSE.

Gen. Grant's Remains—Thursday and Saturday Set Apart.

WASHINGTON, August 23.—In the house today Mr. O'Neill, of Pennsylvania, asked unanimous consent for the consideration of a resolution looking to the removal of the remains of General Grant to Arlington.

Mr. Quinn, of New York, objected.

Mr. McKinley, from the committee on rules reported, and the house adopted, a resolution setting apart Thursday and Saturday of next week for the consideration of the bills constituting eight hours a day's work and in relation to the alien contract labor.

STOCK YARDS STRIKE.

No Transfer of Cattle Possible While it Continues.

CHICAGO, August 23.—A strike which began yesterday at the stock yards continues to-day, the situation being the same except that Superintendent Williams has announced that he can give no answer to the strikers until Monday, when a general conference is to be held by the managers of the several roads interested. In the meantime the men refuse to resume work and demand pay for the entire time they stay idle. All dead freight is being taken out of the yards this morning by the belt line road.

Cotton Supply.

NEW YORK, August 23.—The total visible supply of cotton for the world is 1,079,518 bales, of which 534,918 bales are American, against 889,282 bales, and 495,282 bales respectively last year. Receipts at all interior towns, 14,285 bales; receipts at plantations, 16,395 bales; crop in sight, 7,200,227 bales.

Paper Dealers Assign.

NEW YORK, August 23.—Butler & Johnson, dealers in paper at 44 Beekman street, made an assignment to-day to Geo. P. Butler with preference of \$140,000.

A Big Shortage.

NASHVILLE, Tenn., August 23.—Frank Allen, teller of the Capital City bank, is short in his accounts \$41,030.

The Dead of a Cyclone.

WILKESBARRE, Pa., August 23.—The list of victims of the recent cyclone in this city now number 16.

PASSED AWAY.

James Ashley, a respected and quiet citizen of Hamptonville, died of pneumonia recently.

Mr. Pink Harden, an old citizen died at his home near Hendersonville last Sunday morning of asthma.

A telegram from Mineral Bluff states that Mr. John Dean, of Cat Camp, one of Fannin's best citizens, is dead.

Mrs. Milla R. Phillips, wife of Mr. R. O. Phillips, and daughter of Mr. Joseph Brantley, of Haywood county, died August 15.

News has been received of the sudden death at San Francisco, Cal., of George M. Pentress, a native of Raleigh. Mr. Pentress was an attorney of prominence.

We are sorry to learn of the death of Mrs. R. A. Phillips on the morning of August 16. She leaves a bereaved husband and a family of seven children.—Webster Herald.

GEN. R. B. VANCE LEADS.

DEMOCRATIC COUNTY CONVENTION TO-DAY.

A HARMONIOUS AND INTELLIGENT BODY.

LIST OF DELEGATES TO THE DISTRICT CONVENTION.

Every township except Swannanoa, was represented at the Buncombe county democratic convention this morning. Chairman McLoud called the convention to order at 11.30, and R. M. Furman called the roll of townships.

At the conclusion, Capt. Atkinson moved that as Swannanoa had held no convention to nominate delegates to the county convention, the representatives of that township be made delegates. Carried.

Mr. Walter Vandiver moved that the delegates from the different townships get together for the more easy conducting of business. Carried. The organization was perfected by the election of permanent officers. Hon. H. A. Gudger proposed the name of Mr. E. D. Carter for chairman. It was seconded, and his election was by acclamation and unanimous. Mr. Gudger moved that Mr. R. M. Furman and the democratic press of the city be secretaries. Unanimously carried.

WILL REDDEM THE DISTRICT.

Mr. Carter was conducted to the chair by Messrs. Gudger and Vandiver and in taking his seat spoke of the intention of the party to redeem the district this fall, and congratulated the convention on its intelligent, wide-awake appearance. His speech was enthusiastically applauded.

Mr. Gudger moved that one person be appointed from each ward and the townships of Asheville to retire and select one person to elect the delegates to the district convention.

Mr. J. V. Jordan moved to amend so that each delegation elect its own delegates.

After a discussion of some length between Messrs. Jordan, Gudger and G. A. Shuford the amendment was accepted and the motion carried.

LIST OF DELEGATES CORRECTED.

Mr. J. M. Campbell called attention to some errors made in the printed list of delegates and a committee composed of Col. McBryer, R. M. Furman, J. M. Campbell and a representative of each ward were appointed to rectify the mistake. It made a change in the delegates from the east ward to the county convention of from 14 to 13 and a change in the west ward of from 20 in the county convention to 22, and in the district convention of from 10 to 11. Bevanward was given 3 instead of 5 delegates in the county convention. The difference in the totals in the district convention was 1. The total was therefore changed from 62 to 63.

GEN. CLINGMAN SPEAKS.

During the absence of the committee from the room General Clingman made a short address on political matters of the day. He said it was owing to the fact that there was not enough money in the country, and to the odious tariff laws that the country was in its present condition. He favored the election of men to congress who would represent what they thought to be the correct thing. The trouble with political parties now, he said, was that they started in to carry out the principles demanded by the people, but ended by working for themselves. "My advice to you," the General said, "is to select the best men and tell them to go on and do right."

INSTRUCTED DELEGATES.

A discussion on how delegates should be instructed, consumed an hour of time and finally ended with a substitute by R. M. Furman to a resolution by Captain Atkinson. The substitute was that a vote of the township and wards be taken to see the strength of the different candidates and that by that vote the delegates to the district convention be instructed. The substitute was accepted by a vote of 65 1/2 to 54 1/2.

UNINSTRUCTED DELEGATES.

A misunderstanding about whether this motion made it obligatory for the delegates to vote according to the instructions of the primary meetings made another vote necessary. This time it was distinctly made plain that if the substitute was adopted it was to be understood the delegates were to act on the instructions of their primaries. The vote was 88 for and 32 against. It was declared carried by the chair. In townships where no instructions were given delegates were to vote according to individual choice.

HOW THE PRIMARIES INSTRUCTED.

A call of the convention showed that the delegates had been instructed by the primaries for the various candidates for congress as follows:

Vance.....58 13-
Johnson.....19 1-5
Coxe.....10 2-10
Gudger.....9 6-10
Merrimon.....8 7-10

ANTIMIGRAINE.

—THE—
NEVER FAILING CURE FOR HEADACHE.
TRADE MARK REGISTERED.
ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY.

Cures Every Variety of Headache AND NOTHING ELSE.

Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTIPYRINE, MORPHINE, CHLORAL AND COCAINE, since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is not a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USE.
The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of Headache, if taken when first feeling the premonitory symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulating in its effects, tending toward an eventual permanent cure.

ITS SOVEREIGN POWERS.

IMPORTANT REPORT IN THE MISSISSIPPI CONVENTION.

A State Re-admitted Into the Union Becomes Re-invested With All the Rights Possessed by Any and All Other States.

JACKSON, Miss., August 23.—The judiciary committee of the constitutional convention submitted its report yesterday. It was written by ex-Chief Justice Simrall, a veteran republican. After analyzing all the propositions of the United States constitution bearing upon matters of suffrage, the committee reached the conclusion:

"Whatever may have been the effect of the action of the Southern States, de-nominated either secession or rebellion, and of the reconstruction acts viewed as judicial or political questions, and without enumerating the diverse opinions on these important questions, we are of opinion that the re-constitution of this State into the Union fully and forever settled the status of the States thus re-admitted, and that Congress thereby lost all control or jurisdiction over this matter and the States thus re-admitted into the Union became at once ipso facto under the constitution re-invested with all the sovereign powers possessed by any and all the other States."

No action was taken on the report, and after disposing of routine business the convention adjourned till Monday.
