**THE NEWS!**

BY ASSOCIATED PRESS TO THE CITIZEN TO-DAY.

**KENNEDY'S SPEECH IS TO BE EXPUNGED.**

**TARIFF BILL CONVEYERS NOT GETTING TOGETHER.**

WASHINGTON, Sept. 17.—The meeting today of the house judiciary committee, called to consider the resolutions regarding Representative Kennedy's speech against the senate and senatorial party and to expunge the speech from the congressional Record, was attended by all the members. Mr. Kennedy made an argument to prove that the speech as already published in the Record was within the requirements of parliamentary law. The committee decided a clear majority to report a resolution directing the government printer to omit the speech from the permanent copy of the Record. The conferees on the tariff bill made little progress today. One of the committee said that it would be possible to reach an agreement on Monday next. Senator Sherman, from the committee on foreign relations, today reported a resolution, which was agreed to, requesting the president to communicate to the senate such information as he may have on the subject of the arrest of Thos. T. Collins, a citizen of the United States, residing at Manila in the Philippine Islands, by officers of the Spanish government.

**CLEVELAND'S NAME.**

**Great Applause in the Connecticut Democratic Convention.**

HARTFORD, Conn., Sept. 17.—The democratic convention met here today and nominated Lazon B. Morfry, governor, Congressman Wilcox was temporary chairman, and in his address he taking the chair he referred several times to ex-president Cleveland. Six years ago, he said, this party selected as its candidate for president, one of the purest and ablest men that ever occupied the white house—Grover Cleveland. The mention of Cleveland's name called forth great applause. The speaker continued to speak in complimentary terms of the ex-president and was frequently interrupted by applause, which was particularly vigorous when his policy was referred to. The speaker said, he is not ashamed and he would look to him as their champion and leader.

**SOUTHERN IRON.**

**Steel Can be Made From Basic Process.**

CHATTANOOGA, Tenn., Sept. 17.—One of the most important events in the industrial development of the south occurred yesterday in the successful casting of steel from southern material by the basic process. The result clearly demonstrates that southern iron will make steel, and explodes the notion that the iron contains too much phosphorus to be used for this purpose. The first cast of twenty-two tons was of superior steel finely adapted for structural work. The second final will be put in operation in thirty days. The great importance of this event is the fact that it affords a market for the lowest grade of southern iron.

**The Alhambra Fire Was an Inevitable One.**

MADRID, Sept. 17.—The damage to the Alhambra caused by the fire which broke out in the palace Monday night amounts to \$50,000.

LONDON, Sept. 17.—A dispatch from Granada gives currency to the report that the fire in the Alhambra palace was incendiary, the work of thieves, who set fire to the historical building in order to screen the theft of some works of art contained in the palace.

The magnificent Sala De La Parca, and right wing of Araya's &c. were destroyed. The remainder of the palace was not damaged.

**Mississippi's Convention.**

JACKSON, Miss., Sept. 17.—The event of yesterday in the constitutional convention was the speech of Senator Rogers. Predictions are free that his speech will influence the convention as to use the suffrage report to be adopted by a majority of thirty.

HELENA, Mont., Sept. 17.—The democratic state convention has nominated Judge A. A. Dixon for congress. There were no state officers to be nominated.

—Mr. B. L. Duke, last Saturday, bought the Bennett place, containing thirty-five acres, for \$2,000. It is proposed to send the building to the world's fair at Chicago.—Durham Globe.

—A Scotland Neck telegram says: "A few days ago Mr. W. S. Bailey, of Littleton, exhibited a curious corn raised by a man named Jim Brown, an emancipated soldier of Martin county in 1862. There were eight ears together—one good sized ear in the center, and seven smaller ears growing parallel to it from the same stem. Mr. Brown thereupon prophesied that for the next seven years the crops would gradually grow shorter, according to the length of the ears, until 1890, when there would be a bountiful crop. The prophecy has been fulfilled."

—The building committee of Trinity college, has awarded the contract for the main building to Mr. C. H. Norton, of this city. **A SUCCESSFUL MEETING.**

**THE YOUNG MEN'S DEMOCRATIC CLUB RE-ORGANIZED.**

Mr. E. D. Carter Elected President—Good Speeches Made by Staunch Democrats—To Meet Every Tuesday Night.

Pursuant to a call issued by President H. B. Carter, the young men's democratic club, of this city, met in the court house last night for re-organization. At 8:20 o'clock the meeting was called to order by the president. He said: "Gentlemen, we are here to-night for the transaction of business. We have taken our stand for democracy in the campaign that is before us, and expect to achieve a great victory in the coming election."

Election of officers was then entered into and Mr. Locke Craig put into nomination Mr. H. B. Carter for president.

Mr. Carter requested that his name be withdrawn as he had held the office long enough and had received what honors were ever attached to it.

It was moved and seconded that Mr. E. D. Carter be elected president. Motion was unanimously carried and he was conducted to the chair by T. C. Starnes and J. J. Mackey.

In a short speech Mr. Carter thanked the body for the honor conferred upon him, and promised to do his duty faithfully in the great work which the club had undertaken. He urged every democrat to put his shoulder to the wheel and go to work in earnest.

The election of secretary being the next thing in order, Mr. J. V. Jordan arose and advised the body to use great care in the selection of a secretary. He should be a man who would devote a great deal of his time to the work of the club, he said.

Mr. J. C. Martin was nominated for secretary by J. R. Starnes, and was unanimously elected by acclamation.

On motion of Mr. T. C. Starnes, Mr. J. M. Young was elected treasurer by unanimous vote.

It was moved and seconded that an executive committee consisting of ten be appointed and the following gentlemen were placed in nomination: W. T. Reynolds, N. P. Corn, Marley Crossman, E. C. Chambers, Ben Clayton, J. R. Starnes, H. B. Carter, J. L. Ingle, R. C. C. Foster, J. L. Slagle and T. C. Starnes. Mr. J. M. Reynolds and T. C. Starnes withdrew their names.

On motion of C. A. Webb the remaining ten men were appointed to constitute the executive committee.

Friday night was on motion of Mr. Jordan, chosen as regular meeting night.

A letter from democratic headquarters at Raleigh was read, requesting the club to send a large delegation to the convention, which meets in Raleigh on the 24th inst.

The president was requested to appoint ten delegates to the convention, which were as follows: H. B. Carter, W. W. Barnard, T. C. McNelly, Thos. D. Johnston, A. V. McElroy, J. V. Jordan, C. D. **THE S. S. CONVENTION ENDED.**

**It Adjourns After an Interesting Session.**

The Sunday-school convention assembled at 10 o'clock yesterday morning. In the absence of Dr. D. T. Millard, the opening exercises were conducted by Mr. Wm. Reynolds. "The Work in Counties and Towns" was taken up and very interesting reports made by Rev. W. H. Leith, of Franklin, Macon county, the vice-president for the twelfth district, and by Rev. Troy, of Murphy, showing that the counties are being thoroughly organized in this interdenominational work.

The subject of "Better Teachers and Teaching" was presented by Prof. H. C. Dunn, of Cabarrus county.

Rev. Mr. Laws, of Spartanburg, S. C., agent of the American Bible Society, presented the subject of supplying every Sunday-school scholar with a Bible of his or her own, and showing how this could be done at a very small expense.

The afternoon meeting was opened with a promise meeting conducted by Mr. Wm. Reynolds. The subject of women's mission aids was presented by Mr. H. N. Snow, of Durham, and Rev. W. S. P. Bryan delivered a very interesting address on "Catechetical Instruction," which was much enjoyed. Dr. Rankin followed him in an address on "The Church at Sunday School," which subject he presented very ably.

The night session was opened by a prayer service led by Rev. McNeely DuBoise. After this, Rev. L. L. Johnson gave an address on "Temperance—How, When and Why Shall we Teach it in the Sunday School?" The subject was well handled and the address was quite interesting. After returning a vote of thanks to the people of Asheville for their kindness, the convention closed its session. Most of the delegates have gone to their homes.

**Polygamy Still Practiced.**

SALT LAKE, Sept. 17.—The September term of the second district court at Beaver has adjourned. In sentencing some of the prisoners convicted of unlawful cohabitation, Judge Anderson remarked that the Mormons were proclaiming it abroad that polygamy is not being practiced in Utah, yet there was an unusually large number of such offenders appearing at every term for sentence, and they would not even promise to obey the laws.

**Not a Good Example.**

NORTHBOROUGH, Mass., Sept. 17.—The Rev. Obed Eldridge, pastor of the Unitarian society, has resigned in consequence of having resigned from certain of his parishioners a letter in which it was asserted that the minister was not setting a good example to the young by attending a horse trot, visiting a pool room, and smoking.

**Sara Bernhardt's Proposal.**

PARIS, Sept. 17.—Mme. Bernhardt announces that she proposes to play Cleopatra with her hair dyed black and her neck and arms tinged to a dusky Egyptian hue, despite the fact that the features of Antony's favorite are said by the best authorities to have been modeled after the purest Greek type.

**The African Slave Traffic.**

ZANZIBAR, Sept. 17.—Travelers from the coast confirm the report of the cause of the decrease of Germans at Bagamoyo, authorizing the traffic in slaves. The news of the proclamation has spread over the whole coast and traffic in slaves has revived to an extent unknown in thirty years.

hard and predicted that if sufficient earnest work is done the victory will belong to the democratic party. In closing Mr. Gilmer bid the club God speed in its work in behalf of the great democratic party.

After Mr. Gilmer finished Mr. G. W. Tibson was called on for a speech, but declined.

J. L. L. Slagle was called for, and said he had been in the ranks since 1840 and intended to exert all his power in the coming work.

Mr. N. P. Chelester followed him and made a brief speech on the questions of the day. He spoke of the Lodge election bill and denounced it. Mr. Chelester advocated harmony in the ranks and predicted a victory for the party.

Mr. Welch, of Haywood county, next spoke. He alluded to William T. Crawford, the democratic congressional nominee in very complimentary terms and expressed his belief that he was the best man who could have been put in the field.

Gen. Clingman spoke for a short while. He referred to Reed's rulings and said that if the Lodge bill passed the people of the country would be like the Russians, under the rule of the czar, (Reed).

Mr. H. A. Gudgeon, who came in late, was called for and responded in a telling speech. He advocated strongly the principles of the democratic party, of which he spoke as the only true party, and urged every man to do all the earnest work possible in the campaign. Mr. Gudgeon advised the members of the party to adhere strictly to the choice of the conventions and to do everything possible for the nominees.

After Mr. Gudgeon finished J. V. Jordan and Locke Craig were called for but declined, and the meeting adjourned.

## ANTIMIGRAINE.

—THE—  
**NEVER FAILING CURE FOR HEADACHE.**

TRADE MARK REGISTERED.  
**ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY.**

Cures Every Variety of Headache AND NOTHING ELSE.

ANTIMIGRAINE Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTIPYRINE, MORPHINE, CHLORAL AND COCAINE, Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIR. CONS FOR USE.  
The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of headache, it taken when first feeling the premonitory symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, tending toward an eventual permanent cure.
