Of course there's money in printers makes the most intelli-
went use of it gets the most gent use of it gets the most
money out of it. It does not pay to advertise something you haven't got, oranything
you cannot do and do well. The man who advertises a fraud must have a "good" fraud, and he who advertives
bargains in poods must be bargains in goods must be
prepared to satisfy his cus prepared
temers.
