THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN.

MORMON CHURCH STILL GATHERING IN ITS VICTIMS.

YOUNG GIRLS DETERMINED TO BE "PLURAL WIVES."

NEW YORK, Oct. 2.—The authorities at the large office this morning used an immense amount of moral persuasion on thirty-two young Mormons who arrived yesterday on the steamer Wyoming, to induce them to forego their intention of becoming proselytes to the Mormon faith. The girls were separated from the other passengers as they landed and placed in a room by themselves.

Three women missionaries from the emigrant girls' home tried to convince them of the folly of the course they proposed to follow. It was a very hard undertaking. One of the girls, Karen Sylvester, who acted as spokeswoman for the party frankly acknowledged that they were all willing to be one of seven or eight wives and some of them remarkably pretty. The attempt of the missionaries to influence them proved an utter failure and as all that the large office authorities can do is to use persuasion the entire party will proceed on their journey tomorrow via Newport News, Va.

The party comprises, all told, 202 persons of whom thirty-two are children. Among the lot is a married Englishman who left her husband in England to take up the Mormon faith. She said she was "called" and compelled to go. She refused to tell her name.

REPUBLICAN GAINS.

Idaho Elects a Radical Ticket of Course.

BOISE CITY, Idaho, Oct. 2.—By estimate Boise City and Idaho county are republican with a majority of 175 on the entire state ticket. Bingham returns give the republican ticket a majority of 300, in Boise county returns from four precincts give Wilson (democrat) for congress, twelve majority.

Incomplete returns from five counties give Sweet (republican) for congress 950 majority. Meagre returns indicate that the legislature will stand thirty republicans and 22 democrats. The republicans claim the state by 2,500 majority; the democrats concede the state to the republicans by 800 majority. The returns received show gains for the republicans over the vote of 1888.

A GREAT FIRE.

Part of Sidney, New South Wales, Burned Over.

SIDNEY, N. S. W., Oct. 2.—Fire broke out in this city last night and, despite the efforts of the firemen, extended over a large area on Pitt, Castlereagh, Moore and Hunter streets.

Among the buildings destroyed were the city bank, the Athenaeum club, and the warehouses of Lart & Sons, Feldheim & Co., Ball & Co., Gibbs, Shillard & Co., Lawler & Richardson, and Mr. Wrench.

A number of other business houses were injured.

The damage is estimated at \$1,500,000.

G. A. R. and Ex-Confederates Together.

CLINTON, Mo., Oct. 2.—The G. A. R. and ex-Confederates held a joint reunion here yesterday. Addresses were delivered by Col. Leo Roschear and Judge C. G. Burton. Fully 3,000 people were in attendance.

THE BANK OF HICKORY.

Action of A. A. Shuford and of the Widow of D. W. Shuler.

EDITOR THE CITIZEN:—Mrs. Maud G. Shuler, wife of the late D. W. Shuler agreed to pay \$17,065 from her insurance money, to make good the debts of her late husband through the failure of the bank of Hickory, asking nothing in return excepting to be identified in perpetuity and building up the business of her dead husband, by completing the organization of the First National bank for which she has in her possession organization papers.

The above mentioned sum, \$17,065 would, according to the assignee's and administrators' statement, fully cancel the indebtedness of the late D. W. Shuler, including legal commissions. It was the purpose of Mrs. Shuler to purchase the real estate assets at the prices designated by the assignee and administrators provided it did not bring more at public sale, thereby guaranteeing the correctness of their figures, as to losses, which are viz., as follows:

Known liabilities.....\$49,120.19

ASSETS.

In assignee's hands.....\$30,438.41

In administrator's hands.....4,000.00

Total loss.....\$14,681.78

This generous lady desired to invest \$20,000 in the capital stock of the new bank, with the privilege of selecting the cashier for the first year and wished the co-operation of several leading men in order to secure the success of the undertaking.

This proposition was graciously looked upon by all excepting A. A. Shuford, who flatly refused, unless Mrs. Shuler would agree to pay all liabilities.

This no humane man would ask her to do for fear of unknown claims arising of sufficient magnitude to consume her entire fortune and turn herself and children into the streets. Indeed this would have been her fate, had it not been for the life insurance policies which she held.

A. A. Shuford's losses in the Hickory bank failure are exceedingly trivial.

After this generous proposition has been refused let no one now ask Mrs. Shuler, through honor, to make good any losses that may have been sustained. Rather appeal to A. A. Shuford who lies waiting an opportunity of purchasing the property at forced sale, and dictating the financial policy of the town instead of lending a helping hand to the widow of a man who has done so much for the town of Hickory.

A NOTABLE TOWN.

Something About Hayesville, in Clay County.

Mr. W. D. Justice recently returned from a trip through Western North Carolina. He reports seeing THE CITIZEN all through that country, temperance sentiment growing and the democracy extremely enthusiastic over the nomination of W. F. Crawford.

Mr. Justice visited Hayesville, Clay County, and is very warm in praise of what he saw there. There are three colleges with 600 students in a radius of 16 miles, one in Hayesville, and not a saloon in the whole county, and only one lawyer and he a farmer also. A saloon keeper came to Hayesville a few years ago, but he was not allowed to build a saloon, but the building he did erect was used for a Methodist preacher's residence, the liquor man not being allowed to get a foothold. Hayesville is situated in a beautiful valley. The farmers do not raise much tobacco, the land being given over to corn, oats and grasses. The superior court never has over a two days' session there, and the jail is falling to pieces, there being no reason for keeping it up. The court house, however, is a finer building than Asheville has for the same purpose.

Mr. Justice, who is grand worthy president of the grand division of the Sons of Temperance of North Carolina, is going over about the same territory in about a month for that interest. He reports the section he has visited as full of hospitable people. He says that Andrews, the new town on the Western North Carolina road is beautifully situated, but that there is as yet only one building there—the depot, that a fine one.

Accidental Shooting.

Judson Greer, a carpenter, was accidentally shot in the arm at Erwin's tennis alley, on West College street last night. Joe Stepp who attends to the alley had a 44 calibre pistol in his pocket when it dropped. The weapon was discharged by the fall and a ball struck Greer on the left arm, making only a slight skin wound. Dr. H. L. Baird waited on him.

Registration of Voters.

The registration of voters is still very slow. Up to 12 o'clock to-day Registrar Summey, in the west ward, had taken 158 names, 109 white and 49 colored, and Registrar Israel's books, the east ward, showed 207 names, 117 white and 90 colored.

DEATH'S HARVEST.

A. H. Dudley and Rev. P. H. Joyner, of Greensboro, died in that city recently. The latter was 80 years old. He leaves a young widow.

Prof. J. J. Partridge, principal of Jonesboro high school, died this morning of typhoid fever, of which he had been ill for some time.—Greensboro Workman.

R. F. Drake, register of deeds of Nash county, died suddenly at his home in Nashville recently. He seemed to be in perfect health when he was stricken with paralysis, and died in a few minutes.

Mr. Giles Clute, of Clinton, who died recently, was a member of the Methodist church and a devout christian. He was perhaps the strongest advocate of temperance in the county, and a great Sunday school worker.

Died, last night, in Richmond, Va., Mr. M. W. Norfolk in the 51st year of his age. Mr. Norfolk left our city recently and went to Richmond where he entered the St. Luke's hospital hoping to find some relief.—Winston Daily.

A Monroe special says: Mr. Baxter Cox, son of Madison Cox of this county, was on his way to camp meeting at Zoar, S. C., and when about two miles from the camp ground, complained of a pain in his side, and dropped dead, probably of heart disease.

Mrs. Harriet Phillips, widow of the late Dr. J. J. Phillips, and mother of Judge Phillips, Mrs. Frank Parker, Mrs. B. H. Bunn, Mrs. J. P. Arrington, Mrs. G. C. Battle, J. W. Phillips, Walter Phillips and Hon. J. B. Phillips, died a few days ago at her home near Battleground.

Mrs. Effie Hughes died Saturday morning. —Mr. J. C. Blocker, of Cedar creek, Cumberland county, died Friday night after several weeks' illness. He was in his 80th year, and it is supposed that his death was hastened by over work in taking the census. He was the father of Capt. O. H. Blocker.—Maxton Union.

Col. Thomas Jefferson Sumner, died at his country residence five miles from Salisbury, Saturday night in the 64th year of his age. His death was caused by Bright's disease. Colonel Sumner never married. He was the brother of Benjamin Sumner, of Lincolnton, Julian Sumner, of Thomsville, and Charles Sumner, his younger brother, who is west. Col. Sumner's sisters are Mrs. Hoke, widow of Col. Mike Hoke, of Lincolnton; Mrs. McLee, of Lincolnton; Miss Ellen Sumner, who lived a large part of her life with the deceased; and Mrs. Charles McKenzie, of Rowan county.

ROBBED THE EXPRESS.

AND THEN TRIED TO KILL THE MESSENGER.

Several Thousand Dollars Secured From an Ohio Train This Morning—The Robbers Board the Cars Again and Again.

TIFFIN, Ohio, Oct. 2.—A bold express robbery was committed on the Cincinnati, Sandusky and Cleveland train south of here this morning.

The Adams express messenger was held up by masked men armed with revolvers and the safe ransacked. The loss is supposed to be several thousand dollars. The robbers escaped.

TOLEDO, O., Oct. 2.—The Blade's special from Carey, Ohio, gives this account of the bold train robbery near Urbana this morning.

Immediately after the train left Urbana, two masked men with cocked revolvers entered the express car probably from the top, and compelled the Adams' express messenger, A. S. Scudder, to throw up his hands. They then tied him securely, and robbed the safe of packages containing several thousand dollars, and other valuables.

While they were at work a brakeman attempted to enter the car and was shot at by one robber. The brakeman gave the alarm and the train was slowed up to give an opportunity to capture the robbers, but they jumped from the train just as it was entering West Liberty and disappeared on the darkness, it then being about 5 o'clock.

Messenger Scudder was bound in his chair.

One of the robbers, called "Jack" by his companion, before leaving the car placed his revolver against Scudder's head and pulled the trigger, but the cart ridge failed to explode. The other robber then prevented him from trying again.

When the train pulled out of West Liberty the two scoundrels again got aboard, holding the entire crew at bay.

Scudder, who had been released, then opened fire on them from his car door, but was compelled to retreat. The robbers kept on board until Bellefonte was reached, when they again jumped off and disappeared. Officers at Bellefonte are searching for them.

Scudder is about 50 years old, lives in Cincinnati and has been on this run since the Adams company took charge of the express business on it, about three years ago. He was previously in the same company's employ on the Ohio river lines. He had just received his month's salary and that was among the booty.

FRIENDS OF IRELAND.

A Big Meeting at Indianapolis Denounces Balfour.

INDIANAPOLIS, Ind., Oct. 2.—Tomlinson hall, which seats 6000 people, was packed last night by friends of the Irish cause, who had assembled to express their sentiments regarding the recent arrest of Dillon and O'Brien and the conduct of their trial at Tipperary. Mayor Sullivan presided and made a stirring appeal in behalf of Ireland. Rev. J. S. Jenkes, of St. Paul, Minn., and Hon. Wm. H. English, Judge N. B. Taylor, and other prominent speakers addressed the meeting. A long series of resolutions was adopted, among them one which, after denouncing Balfour and Salisbury, pledged the meeting by "all honorable means" at our command to sustain the Irish people in that great moral struggle which it culminates in the glorious achievement of home rule for Ireland.

A Spy in Times of Peace.

PARIS, Oct. 2.—Madame Bennet, the woman arrested at Cannes on suspicion of being a German spy and in whose possession were found plans of the defenses of that place, has confessed. She was in the employ of the German government at a monthly salary of \$60 besides which she received \$3 daily for traveling expenses.
