Who Told You So?

W. T. Crawford says that H. G. Swart told him that he heard Jim Gudgeon say that Bob Vance told him that Kope Elias heard that there was no doubt that W. W. Rollins said that Tom Johnston thought that Bob Purman had told Sitting Bull that Buffalo Bill had declared to J. H. Courtney that it was generally believed that Dan Reynolds had said in plain terms that he heard Jack Worley say that his friend John L. Sullivan had said that Bill Deaver informed him at the congressional convention in this city that it was a well known fact that the House-keepers' Union had caught Gen. Clingman in saying that in his opinion it was a matter of fact and of great public interest that J. J. Mackey intimated to Jess Lowry that Bill Nye had said while attending the county convention last Saturday that anyone caught reading this shall repair at once to the store of A. D. COOPER, North Court Square, and inspect his mammoth stock of all kinds of Groceries, Provisions, &c., where arrangements have been made to furnish you all kinds of Staple and Fancy Groceries of the Best Quality at the Lowest Prices.

"RACKET NEWS."

The best place in Asheville for working people to trade is the "Big Racket." We promise low prices and good goods, and where our guarantee goes with an article if it doesn't turn out like we say it will we refund the money. In our experience we have found that well-to-do people and rich folks always look further and try harder to save a nickel than working people and poor folks, so if we give the latter bargains and the full worth of their money we cannot help selling bargains to others. Among our new goods, of which we have a large stock, may be found at the very lowest prices: All kinds of Shoes, hand-made for men, school shoes for children, fine and common shoes for ladies, blankets and comforts, hand bags, grips and trunks, all kinds of shoes, wall pockets, mirrors and frames, lamps, wicks, chimneys and burners, chamber sets and tinware, hats and caps, 25c. up, dress goods and underwear, all kinds of shoes, shoulder capes and jackets, flannels and Jersey cloth, skirts and skirting goods, dress trimmings and linings, brooms, buckets and tubs, all kinds of shoes, fast black stockings in cotton, wool, silk and ball, overcoats, rubbers and gloves, men's clothing in suits, pants, pants, pants, ALL KINDS OF SHOES—in fact everything to use or wear at lowest prices.

THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN.

THE UNITED STATES SILVER BILL BENEFITS A CHINESE BANK.

TRYING TO COLONIZE JAPAN IN OLD MEXICO.

SAN FRANCISCO, Oct. 11.—Japanese advices state that there is a movement on foot to plant a colony of Japanese in Mexico. A Mr. Vogel, representing a colony of Mexico, has been in Japan trying to induce the government to accede to his scheme. He is expected to receive a 2,000-laborer sanction and to expect to send over 2,000 laborers before the end of the month at wages of from 60 to 75 cents per day.

Chinese advices state there has been great gambling in silver at Hong Kong, and the Hong Kong and Shanghai bank is said to have made millions out of the deal. Before the deal the bank's shares were quoted at \$1.25; since they have been quoted at \$2.26.

The last time the revenue cruiser Lang Fong came in, says an Amoy paper, she reported as having seen before her a peaceful trader. A large junk was at once sent out by the authorities and shortly afterward returned with eleven prisoners who had been captured from the piratical craft. All these men were beheaded. One of them went raving mad and refused to kneel before the executioner. So the latter had to take "not shots" at him and eventually decapitated him in slices. It is rumored that about 100 pirates came down to the execution to try to effect a rescue, but the large number of troops present effectually overpowered them.

The news had just come in of a frightful atrocity committed by a pirate craft, she having seized a trading junk and massacred in cold blood the whole crew of 39 men.

THE COLORED CITIZEN.

His Rights the Same as the White Man's in Michigan.

LANSING, Mich., Oct. 11.—One Ferguson, colored, with a friend, entered a restaurant in Detroit, of which a man named Gies, since deceased, was the proprietor. Seating themselves at a table a waiter informed them that they could not be waited on at that table, but if they would take a seat at one which he designated they would be served. This they refused, demanding service at the table at which they were sitting, which was not given.

The proprietor admitted the discrimination between white and black people, and claimed he had a right to make such discrimination. The plaintiff brought suit in the Wayne county circuit court for damages and was defeated. He appealed to the supreme court, where the judgment was reversed and a new trial ordered. The court holds that the colored man is a citizen under the constitution and cannot be discriminated against in a public place, and says the only question that should have been considered in the lower court was one of damages.

WEIGHED 400 POUNDS.

He Was Also Something of a Prophet as to Deaths.

SEMNER, Ill., Oct. 11.—William Peters, of Leekin township, without doubt the largest man in the country died yesterday. His weight was 400 pounds. Thursday he requested an undertaker to order a coffin for him, saying he was going to die at 6 o'clock a. m. Friday, that there was no coffin large enough for him here and that one would have to be made.

The undertaker measured him and at once ordered a coffin which came on the midnight train. It was one of the largest ever sent out.

Within twenty minutes of the time Mr. Peters predicted he was died.

Big Lumber Firm's Trouble.

CHATTAHOOGA, Oct. 11.—The Indianapolis Car Manufacturing company, of Indianapolis, Ind., has applied for a receiver and one has been appointed. This event has considerable interest in Chattanooga, and throughout Georgia and Alabama, because the leading creditor of the Indianapolis concern is the Empire Lumber company, of Empire, Ga., and Seddon, Ala., who hold over \$200,000 of the notes of the Indianapolis company. It is said they will all be paid.

Fall Forty Feet on Horseback.

CHARLESTON, W. Va., Oct. 11.—While six persons on horseback were passing over an unfinished bridge near Webster Spring, the structure gave way and all were precipitated into the Elk river forty feet below. Five of the six persons were wounded; two fatally.

Indicted for Sending a Challenge.

LITTLE ROCK, Oct. 11.—The grand jury has been instructed by the circuit judge to bring an indictment against Capt. Coffey of Chicago, for sending a challenge to Horace Allen, of this city, to fight a duel. Coffey says he will stand trial here.

No Elective Judiciary.

JACKSON, Miss., Oct. 10.—The elective judiciary scheme received its quietus last evening at the hands of the constitutional convention after a long debate.

Another Record Gone.

TERRE HAUTE, Ind., Oct. 11.—The world's trotting record for a double team was broken yesterday by Belle Hamlin and Justin. Time 2:15.

Business Improving.

NEW YORK, Oct. 11.—The weekly circular of R. G. Dun & Co. says business in all branches shows improvement.

Progress of Registration.

The total registration in the two wards of the city at one o'clock to-day was 987. The east ward book showed 502 names, 286 white and 216 colored. In the west ward the number is 485, 352 white and 133 colored. The colored voters appear to be very anxious to register as they try to do so at almost every public office in the city.

O'BRIEN AND DILLON.

They Will be Tried Notwithstanding They Are Absent.

DUBLIN, Oct. 11.—When the magistrate's court at Tipperary reassembled this morning, the crown prosecutor Ronen stated that the crown had decided to prosecute the charges of conspiracy against all defendants, notwithstanding the fact that Messrs. Dillon and O'Brien had abandoned their defense and left the country. The courts, he said, had decided that under the circumstances such as had arisen in the present case, it was not necessary to stop the proceedings.

STRICKEN BY PARALYSIS.

JUSTICE SAMUEL F. MILLER DYING.

The Physicians say His Condition is so Critical that He Can Hardly Live Another Day.

WASHINGTON, Oct. 11.—Justice Samuel F. Miller, of the supreme court of the United States, was stricken with partial paralysis of the left side yesterday afternoon. His condition is so critical that the physicians expect he can hardly live another day.

ANOTHER TRAIN ROBBERY.

The Thieves Get But Little to Reward Their Nerve.

PORT SCOTT, Kans., Oct. 11.—At midnight, the Missouri, Kansas and Texas passenger train was robbed near Schell City, Mo. As the train was slowing up to take water the engine was mounted from each side by masked robbers, who compelled the engineer to dismount and knock at the express door for admittance. The messenger threw out the money packages. It was not a heavy money train.

An Asheville Man Married in Wilmington on Wednesday.

There was a beautiful wedding in St. James church Wednesday morning, the contracting parties being Miss Josephine Myers, eldest daughter of Captain Chas. D. Myers, of this city, one of the most charming, accomplished and popular of our young ladies, and Mr. Thos. A. Jones, of Asheville, a gentleman prominent in business and social circles in that city.

Miss Rosabelle Englehard was maid of honor, and Mr. B. M. Jones, brother to the groom, was best man. Robert Strange, rector of the church, assisted by Rev. Thos. Atkinson, of Fayetteville—Wilmington Review.

PRESBYTERY MEETING

THE SESSION AT HENDERSONVILLE JUST CLOSED.

Rev. Mr. Reed, of Charlotte, Elected Moderator—Reports from the Committee on Home Missions—Next Meeting to be Held at Union, Gaston County.

The fall meeting of this body, which embraces Western North Carolina, was held at Hendersonville, beginning on Wednesday evening and closing last evening.

It was opened with a sermon by Rev. Mr. Maxwell, one of the evangelists for the state, who has been holding meetings in the vicinity of Hendersonville for the past two months. About twenty ministers and twenty-five ruling elders were present.

Rev. Mr. Reed, of Charlotte, was elected moderator and Rev. C. W. Robinson and Dr. Frank Robinson clerks.

Calls were presented for the services of Rev. D. F. Sheppard, of Asheville, by the churches of Marion and Sloop, in Concord presbytery, but these were returned and Mr. Sheppard will remain in his present charge. The churches of Franklin and Marion also presented calls for Geo. S. Sparrow, but as Mr. Sparrow has not yet been received, these were laid over, and a meeting appointed for Hillsboro Nov. 5th, to receive Mr. Sparrow and to act upon the calls.

Petitions for new church organizations were received from Newell and Rowmont and six new church buildings were reported completed within the year. Capt. A. M. Fry, of Bryson City, reported progress on the new church there, and promised it should be completed by Jan. 1.

The Sabbath school institute of Western North Carolina presented its first report through its moderator, Mr. H. N. Lockwood, of Asheville. It held similar institutes elsewhere for the spreading of the distinctive principles of the church.

Rev. Dr. Law, of the American Bible Society made an address upon the work of that society.

J. L. Morrow (colored) who has completed his course of training at Tusculooa Institute was after the usual examination, licensed as a probationer for the ministry. His services before the Presbytery was well received.

Rev. W. E. Mellwaine presented the report of the committee on home missions and announced that for the first time in years there was no debt; that there had been four hundred accessions to the churches during the summer, and that two manses and six new churches are in course of construction. Provision was made for the liberal support of the work of the church. In the region west of Asheville alone \$1,850 is required for the support of ministers. Rev. K. Z. Johnston was re-elected stated clerk, and E. Hendrictie was dismissed to the presbytery of Enoree. Rev. Mr. Mellwaine read the memorial of the late Gen. D. H. Hill, for a long time a ruling elder of this presbytery.

The meeting was appointed for Union church, in Gaston county, in April, 1891.

TO CHANGE HANDS.

The Swannanoa Hotel Leased for a Term of Years.

The management of the Swannanoa hotel is to change soon. Mr. R. R. Rawls, who has been proprietor of this popular hotel for some time, is leasing the hotel for a term of years to Mr. Howell Cobb, now in the hotel business at Rock Hill, S. C. Mr. Cobb takes charge January 1, 1891.

The building is to be renovated and re-furnished throughout. The dining room is to be furnished anew in light oak and most of the rooms are to be repainted and papered. The halls will be newly carpeted. The capacity for winter guests will be enlarged by alterations in the top floor, which has heretofore been used in summer only. Twenty rooms will be added to the present number in that way. Work has already commenced. Mr. Rawls retires from the hotel business because of the urgency of outside matters. He will continue to live at the Swannanoa.

Mr. Cobb comes to Asheville highly recommended, not only as a hotel keeper, but also as a man of integrity and energy. He is a native North Carolinian and at one time lived in Wilmington.

Probably to Meet Here.

Mr. Geo. S. Powell, president of the Asheville board of trade, has received a letter from Jno. T. Patrick, state immigration agent notifying him that the southern immigration association thinks of meeting in Asheville in December. The letter asks what rates will be made by the railroads and the Asheville hotels. This association will bring several hundred delegates to Asheville if it meets here. The delegates are appointed by the governors of the different southern states.

His Bond Made Up.

Major Rollins the newly appointed collector of internal revenue for this district, has gone to Washington with his bond for approval. John Nichols, of Marshall, will be the chief clerk of the office, with a salary of \$2,500. The office will be moved to Asheville within a short time.

ANTIMIGRAINE.

—THE—

NEVER FAILING CURE FOR HEADACHE.

TRADE MARK REGISTERED.

ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY.

Cures Every Variety of Headache AND NOTHING ELSE.

ANTIMIGRAINE Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTIPIRYNE, MORPHINE, CHLORAL AND COCAINE.

Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USE.

The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of headache, if taken when first feeling the preliminary symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, leading toward an eventual permanent cure.
