Rollins said that Tom Johnston thought that Bob Furman had told Sittling Bull that Buffalo Bill had declared to J. H. Courtney that it was generally believed that Dan Reynolds had said in plain terms that he heard Jack Worley say that his friend John L. Sullivan had said that Bill Deaver informed him at the congressional convention in this city that it was a well known fact that the House-keepers' Union had caught Gen. Clingman in saying that in his opinion it was a matter of fact and of great public interest that J. J. Mincey intimated to Jess Lowry that Bill Nye had said while attending the county convention last Saturday that anyone caught reading this shall repair at once to the store of A. D. THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN. SOUTH CAROLINA NEGROES ENDORSE THE HASKELL TICKET. WILD SCENES AMONG THE 150 DELEGATES. COLUMBIA, Oct. 17.--About 750 colored republicans from nineteen counties in the state met here yesterday in the state capitol to discuss the "moral, physical, intellectual and political status of the race." A resolution not to endorse the Haskell ticket against Tillman was carried, but subsequently, as nearly as can be learned from the conflicting reports, it was referred to a committee. Anyway, a committee reported in favor of not endorsing Haskell. This report was freely discussed, some favoring it and others not. Then the final clause was changed to read: "That we recommend the negroes for the betterment of their condition, to vote for the Haskell senate ticket." The question was put and the chair decided it carried. Then, to quiet them, B. J. Burham advised that the question be again put. The chair held that the question had been fairly put, but decided finally to repeat the question and it was carried by a large majority. A wild scene followed, but the chair eventually succeeded in quieting the crowd. No republican ticket was recommended to be put in the field.

CORA TANNER'S ESCAPE. Incidents of the Syracuse Hotel Fire. SYRACUSE, N. Y., Oct. 17.--Cora Tanner, the actress, made her escape in this way from the burning hotel yesterday. Upon being aroused she rushed into the hall and dashed into the first open room which was occupied by a gentleman who was about to lower himself by the fire escape. She cried to him: "For God's sake, save me!" The man stopped and adjusted the escape to Miss Tanner. He lowered her to the ground then followed. Miss Tanner was not seriously injured, but the palms of her hands were lacerated by holding so tightly to the rope. The other members of Miss Tanner's company were also saved. Miss Dupree and Miss Klein, both of the company, had narrow escapes. They were on the fifth floor and would doubtless have been burned had it not been for the boy who ran the elevator. They groped around the hall until they heard a shout, "Come to the elevator." They followed the sound of the voice and found the car and were taken down safely, although the flames shot into the elevator at nearly every floor. Wm. T. Grover, acting manager for Miss Tanner, who was filling an engagement at the Grand opera house, says: "Nearly, if not all the young ladies of Miss Tanner's company who occupied rooms on the third and fourth floors of the hotel had retired, but several gentlemen were still out when the fire started. I threw a few of my clothes and personal effects into my trunk, but lost them in the end. "I was on the fourth floor. Among others on that floor was Miss Ada Dwyer of the company. We met in the hall and started in the direction of the sound of the voices of a fireman who was shouting the frantic men and women the way to the stairs. We got separated in the halls where the scene was an awful one. The gas must have been put out by the dense smoke, for the halls were soon in total darkness. I did not see the young lady again until we met on the ground floor. I lost all my personal effects except my watch and money." The terrible loss of life and property last night is in all human probability due to fire fiends. Richard Perry, of the insurance firm of Bowen & Perry, was on the scene among the first and made a personal examination and from what he saw believes that the place was set fire by some one employed in the hotel.

KILLED IN CHURCH. Fanaticism Run Mad Among South Carolina Negroes. COLUMBIA, S. C., Oct. 17.--Primus Jones, colored, was killed Sunday morning at Sumpter, S. C., in church. A protracted meeting was being held by the negroes at Beulah church. In a perfect frenzy of fanaticism, Jones was attacked and fatally injured by Rev. A. H. Durant, the negro pastor, and Richard Campbell, a prominent member of the church, because Jones had expressed doubts about the supernatural power of Durant to kill and restore to life. A large number of Durant's congregation believed that he possessed supernatural powers until his failure in this case. Durant and Campbell are in jail.

Freaching vs. Politics. NASHVILLE, Oct. 17.--The Rev. D. C. Kelly, D. D., prohibition candidate for governor, has been suspended for six months by the Tennessee Methodist Episcopal conference at Pulaski for leaving his post at Gallatin as pastor without permission from the conference to accept the prohibition nomination for governor. Church Built by a Dancer. CAMBRIDGE, Oct. 17.--The new Roman Catholic church, dedicated to Our Lady and the English Martyrs, was opened for the celebration of high mass to-day. The church was erected at the cost of Mrs. Lucy Stephens of Lynford Hall, Norfolk, who was known forty years ago as Marie Ducernay, a dancer of European fame. Justice Miller's Funeral. WASHINGTON, Oct. 17.--The funeral services in this city over the remains of the late Justice Miller took place yesterday afternoon in the supreme court chamber. President Harrison and a large number of distinguished men were present. 3,000 Spindles Ruined. LONDON, Oct. 17.--The Perseverance cotton mill, situated near Balton, Lancashire, was destroyed by fire yesterday and 3,000 spindles ruined.

DEMOCRATS, LOOK!

The Y. M. D. C. to Meet in Old Opera Hall. The Asheville Young Men's Democratic club will hold its regular meeting to-night in the old opera hall, in the third story of the court house. Mr. Locke Craig, one of Asheville's best young democrats, will speak. ANOTHER FIRE ALARM. But the Alarm Does Not Work Without a Rope. A fire in the basement of R. B. Noland & Sons grocery and feed store, 23 North Main street, last night did considerable damage to the building and stock. The fire was discovered about five minutes past one o'clock and an attempt was made to turn in an alarm from the box at the corner of court square and Patton avenue, also from the one at North Main and Woodfin streets. The apparatus did not work and the court house bell was rung. This did not amount to an alarm, and finally an entrance was made to the tower of the court house and the alarm bell was struck by pulling the rope. This brought out the fire companies, and the flames, which had gained considerable headway were put out. The fire caught among some baled hay in the basement of Noland & Son's store. About five tons of hay were stored there. The hay was almost ruined and the floor almost entirely consumed. The loss to Noland & Son's on their stock, which was uninsured, is \$700. Hensley & Wild, who have recently opened a stock of groceries and glassware next door to Noland & Son, had their stock, also uninsured, damaged about \$700. The damage to the building, owned by J. E. Hampton and insured, is not so great. The fire is thought to be of incendiary origin, as this is the second time within a month that the hay has caught. The failure of the alarm to work is thought to be caused by the wires of the new electric light company coming in contact with those of the fire alarm system and burning out the apparatus. The repeated failures of the system to work have caused the question to arise in the minds of numerous taxpayers as to whether or not the city has accepted the plan from the company who put it in. City Clerk Miller says the plan has been accepted and a payment of \$400 has been made. The contract calls for \$3,000 more to be paid in installments in one, two and three years, with interest at 6 per cent. Mr. Miller says he has no doubt that the system used, which is the Gamewell, is very efficient when properly adjusted.

TO LEAVE ASHEVILLE. Rev. Jarvis Buxton Accepts a Call to Lenoir. Rev. Jarvis Buxton, who is now rector emeritus of Trinity Episcopal church, has accepted a call to the position of rector of the Episcopal church at Lenoir. The church at Lenoir made repeated calls for Dr. Buxton and he has finally accepted. His term as rector emeritus of Trinity church expires next March and he leaves Asheville with his family then. Dr. Buxton was for forty-one years pastor of the Episcopal church here and is greatly beloved by his congregation and the entire community.

DIED IN EXCITEMENT. A Sensational Death at the Socialist Congress. HALLE, Oct. 17.--Much excitement was caused among the delegates of the socialist congress to-day by the sudden death of one of their members. The congress was engaged in discussing means to improve the position of the socialist press. Herr Baugarten, one of the delegates from Hamburg, was taking part in the debate and was in the midst of an argument, in presenting which he had become very much excited. Suddenly he was seen to stagger, and a moment later fell to the floor dead. The cause of his death was probably due either to heart disease or apoplexy.

CHILDREN KILLED. Panic in a Polish Church in Chicago To-day. CHICAGO, Oct. 17.--There was a panic with probable loss of life at St. Stanislaus Roman Catholic church, on Noble street, in the Polish settlement of this city this morning. The pastor, Rev. Father Baizynsky was conducting the 8 o'clock service for children and the church was filled with little ones. While the service was in progress the altar draperies caught fire from one of the candles and a panic ensued. In the wild rush about twenty children were crushed and trampled on and a few received injuries which it is believed will prove fatal.

Glaspow, Oct. 17.--Prices in the iron market collapsed to-day in consequence of a report the funds of the union to which the striking furnacemen belong, had given out and that the men, having no other means of support, would be compelled to return to work. Pullman Company's Millions. Chicago, Oct. 17.--The annual meeting of the Pullman Palace Car company was held here to-day, over \$18,000,000 capital stock being represented. The usual quarterly dividend of \$2 per share from the net earnings was declared payable November 15. The surplus for the year is \$2,398,130. Gone to the Bad. KNOXVILLE, Oct. 17.--Frank Day, a young man who has been going to bad through cigarettes, wine and women, was adjudged insane yesterday and sent to the asylum. He made a violent attempt on his mother before being arrested. Progress of Registration. The total registration in the two wards of the city at 3 o'clock to-day was 1458. The east ward book showed 677 names, 413 white and 264 colored. In the west ward the number is 781, 594 white and 187 colored.

NORTH CAROLINA CYCLONE

DESTRUCTION IN ROBESON COUNTY. Several Houses Blown Down, a Church Partly Demolished and Two Persons Perhaps Fatally Injured. MAXTON, N. C., Oct. 17.--A fearful cyclone passed just west of Maxton about 4 o'clock yesterday afternoon, its direction being nearly north. At Hasty several houses were blown down and one person killed and several injured, but the track was not wide. At Floral College the storm was very severe, blowing down the belfry of the Presbyterian church, demolishing one house and made two trees, and severely, if not fatally, injuring two persons. McKiinnon's saw mill was ruined and one of the laborers seriously injured. THE BURROWS REWARD. It Will Probably Not be Paid, It is Now Said. MONTGOMERY, Ala., Oct. 16.--It developed yesterday that the reward of \$10,000 offered by the state and government for the capture and delivery of Ruben Burrows to the officers will not be paid. This fact became known by the publication in an evening paper of the original proclamation of the governor, which is dated September 29, 1889. The outlaw was killed before he was turned over to the custody of an lawful officer. It is therefore said that the postmaster general will also refuse to pay the government reward and as neither the state nor the federal government can be sued the captors may yet be deprived of their \$10,000 reward or at least a portion of it. Governor Scales refuses to say whether he will avail himself of the technicality to avoid paying the reward, but the opinion prevails that he may do so.

DR. CARTER ACQUITTED. But it is Reported the End is Not Yet. CHATTANOOGA, Tenn., Oct. 17.--The case of Rev. Dr. Carter, of this city, editor of the Methodist Advocate, who has been on trial for the past two days by the Holston conference at Greeneville, terminated yesterday in a verdict of acquittal by a vote of 12 to 2. Dr. Carter was charged by his presiding elder with immoral conduct. It is said by prominent members of the Northern Methodist church, whose ministers are investigating, that this verdict will not settle the affair, but that the case will be taken into the circuit court as three preachers are involved.

A \$3,000,000 FAILURE. A Michigan Company Branched Out Too Much. MANISTEE, Oct. 17.--The R. G. Peters Salt and Lumber company has failed. Liabilities about \$3,000,000, assets about \$1,000,000. It is the biggest crash in the state for many years. The plant here made enormous profits, but the outside ventures, as a rule, have been disastrous, especially southern ventures, which absorbed an enormous amount of money.

New Orleans Chief of Police Murdered. NEW ORLEANS, Oct. 17.--Chief of Police Hennessy was shot and mortally wounded last night about 11:30 o'clock. Four of his assassins have been arrested and identified as Antonio Scaffidi, Antonio Bagnetti, Sebastiano Incardino and Pietro Mastero. Helps the Foreigners. HALIFAX, N. S., Oct. 16.--The new United States tariff law has created a great boom in the shipment of potatoes to the West Indies and 10,000 barrels have been shipped from Kings county to Havana within a few days, at good figures.

It is Mrs. President Harrison. WASHINGTON, Oct. 17.--Mrs. Harrison has accepted the presidency of the recently organized society known as the Daughters of the American Revolution. AFFAIRS OF CONSEQUENCE. FOREIGN. Armenians arrested in Turkey are being cruelly treated by their captors, who are starving the prisoners and keeping them without sleep. The strike in Brisbane, New South Wales, is collapsing, many members of the labor unions having applied to be reinstated in their old positions. In the lower house of the Hungarian Diet, Herr Baross, minister of commerce, introduced a bill relating to the support of trade and factory employees during illness.

HOME. The population of Alabama is 1,508,073, an increase of 19.45 per cent. "Voting Academies," to give instructions under the new ballot system, have been started on a large scale in New York city. Several American missionaries who died in Sierra Leone, Africa, are said to have been "faith-healers" who refused medical attendance. Mayor Glason, of Long Island City, has been found guilty of assaulting George Crowley, a reporter, and he is liable to pay a heavy fine and imprisonment. The Treasury Department purchased 275,000 ounces of silver at less than 110, the lowest figures yet paid by the government under the new law. Bar silver closed at 108 1/2 in New York.

Attorney-General Miller, Secretary Noble and Judges Gresham and Woods are mentioned among the possibilities for the succession to the late Justice Miller on the United States supreme bench. Tuesday, in Chicago, a ward worker marshaled forty Chinese at the polling place of the eighth precinct of the first ward and had their names placed on the registration list. The judges of election were obliged under the law to receive the names, but opposite each name was placed the condition, "qualified voter if naturalized."

The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients. The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache--without respect to cause--leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known. DIRECTIONS FOR USE. The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of Headache, if taken when first feeling the premonitory symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, tending toward an eventual permanent cure.
