MISCELLANEOUS. Who Told You So? W. T. Crawford says that H. G. Ewart told him that he heard Jim Gidger say that Bob Vance told him that Kope Elias heard that there was no doubt that W. W. Rollins said that Tom Johnston thought that Bob Purman had told sitting Bull that Buffalo Bull had declared to J. H. Courtney that it was generally believed that Tom Reynolds had said in plain terms that he heard Jack Worley say that his friend John L. Sullivan had said that Bill Deaver informed him at the congressional convention in this city that it was a well known fact that the House-keepers' Union had caught G. A. Clingman in saying that in his opinion it was a matter of fact and of great public interest that J. J. McKey intimated to Jess Lowry that Bill Nye had said while attending the county convention last Saturday that anyone caught reading this shall report at once to the store of A. D. COOPER, North Court Square, and inspect his mammoth stock of all kinds of Groceries, Provisions, &c., where arrangements have been made to furnish you all kinds of Staple and Fancy Groceries of the best Quality at the Lowest Prices.

COMMON SENSE TALK. Our Fall and Winter stock of goods is all in, and is complete. This stock was bought so that we can sell it at our old prices. All goods bought since the new republican tariff went into effect Oct. 6th will be from 10 cts. to 50 cts. on the dollar higher, particularly Shoes and Tinware. We shall sell our present stock of Fall and Winter goods in all lines at same prices as heretofore, and that is cheaper than any other store in Asheville. We keep everything in Dress Goods, Clothing, Shoes, Hats, Factory Cloth, Tinware, Lamps and Glassware. We can fit out a family with everything to wear, from a tiny shoe for the baby to an overcoat for the grandfather, from a marriage to a funeral. You must buy your sugar and coffee from the grocer, then come to us, we can fill out the balance of your wants. It is but little trouble to come to our store and learn our prices before you buy, and it often amounts to a big saving in money. Country people particularly will save money if they will price our stock before they buy their winter supplies of Shoes, Hats, Clothing, Dresses, Overcoats, Pant Cloth, and Blankets. If we do not sell them as good goods for less money than anyone else in Asheville they can buy elsewhere, only be sure to come to our store before you buy, and remember the place, The "BIG RACKET"

H. REDWOOD & CO. Our Autumn stock is now very full and attractive, and we are selling a large quantity of goods. The stock was selected with great care, assuring very late and fashionable styles at bottom figures, the important advance in prices which has occurred since the purchase making the goods specially cheap. As we shall have to pay higher prices in the near future, the moral would seem to be: Buy early such articles as you expect to use this season.

THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN. GLADSTONE ON THE M'KINLEY TARIFF BILL. HE SAID IT WILL HURT ONLY THE UNITED STATES. LONDON, Oct. 29.—Gladstone arrived at Dundee to-day and to him was presented the freedom of the city. In accepting the honor Gladstone made an address in which he referred to the commerce of the city which it was said was threatened by the adoption of the new tariff bill by the American congress. He would not, however, he said, bring a railing accusation against the people of the United States. Protection, although it might inflict incidental and collateral blows on other countries, did far greater mischief to the people of the country which adopted such a policy. Gladstone then proceeded to contrast the decrease in the tariff in England with the increase in the tariff in the United States and said he found comfort for England in the fact that it was not true that any tariff adopted by any country on earth could interfere seriously with the prosperity of Great Britain. CAT DIPHTHERIA. IT Causes the Death of Three Persons. DOBGEVILLE, Wis., Oct. 29.—About four weeks ago a stray cat came to the home of Robert Paul, of Middleton, and one of the children played with it. Although it was noticed at the time that the cat discharged at the nose and mouth nothing was thought of it until some time after when the little boy came down with diphtheria of the most malignant kind. The doctor said he had caught it from the cat. The boy died. Then the second child took the disease and died. The father, mother and daughter were also stricken, but recovered. Allan, the only remaining son and the support of his parents, cared for them all through their terrible sickness, holding one of the boys when he was dying and preparing them for burial. When the others were recovering, he was taken down and died.

A CATTLE BOYCOTT. Suit of a Kind Probably Not Brought Before. COOK, Oct. 29.—Sailors employed on the steamship Embar, declined to work yesterday if a consignment of cattle belonging to men who are boycotted were carried on the steamer. The men held out in their determination and rather than provoke an open conflict the steamer company forwarded the cattle to their destination by rail, themselves paying the freight charges of the railway. News of this refusal to work on the steamer led to the suit of the owners of the cattle will sue the steamer company for refusing to slip the cable on their steamer yesterday.

TWO NOMINATIONS. Republicans Ballot Five Weeks, Democrats an Hour or Two. WILLIAMSPORT, Pa., Oct. 29.—The republican conference of the sixth district, after balloting five weeks, early this morning succeeded in nominating A. C. Hopkins, of Lockhaven, Clinton county. He is a prominent lumber man. The democratic congressional conference this morning nominated Mortimer F. Elliot, of Tioga county. He was congressman at large in 1882. Jailed for Not Answering. When questioned by counsel for the crown each of them refused to answer. The magistrates thereupon committed them to jail until Friday.

PLAINLY ILLEGAL. HORON, S. D., Oct. 29.—The supreme court has rendered an opinion that the action of the commissioners of Hugh county in attaching to that county unorganized counties in the Sioux reservation for election purposes is a violation of the election law and therefore illegal. IT Grew Out of the Elections. BERNE, Oct. 29.—Quiet has been restored at Freiburg, the capital of the canton of the same name, the scene yesterday of conflicts between radicals and conservative groups growing out of the cantonal elections held last Sunday. IN Time to Vote? LONDON, Oct. 29.—Robert Lincoln, U. S. minister, left London to-day for Liverpool where he will embark for New York, having been granted leave of absence by his government till January.

AN APPEAL FOR AID. Who Will Help in Sending the Girl to New York? Mr. E. L. Hammitt, whose little daughter was bitten at his home at Mars Hill by a dog believed to be mad, appeals to the liberal people of this city to give him assistance in raising sufficient money to defray his little girl's expenses to New York for treatment at the Pasteur institute. Mr. Hammitt has raised some money, but needs considerable more. He wants to leave here with his daughter to-morrow and it is therefore necessary that contributions should be made at once. A subscription list has been opened at the business office of THE CITIZEN, No. 6 North Court Square, and all contributions will be received there.

STABBED IN THE BREAST. Jas. Snyder Cut by Mack Brooks West of Asheville. Jas Snyder was stabbed in the right breast, five miles west of Asheville, yesterday afternoon. The wound, which was inflicted with a pocket knife, was examined by Dr. H. L. Baird, of this city. He pronounces it serious but not fatal. Brooks was arrested by Deputy Sheriff F. M. Jones and lodged in jail here. Brooks was taken before Esq. C. W. Malone this morning and was committed to jail in default of \$500 bond, to await his trial.

THE WOMAN'S EXCHANGE.

Some of the Work to be Done by This Organization. It will no doubt be of interest to many of the readers of THE CITIZEN to know something of the Woman's exchange, which has been organized in Asheville. Many of the ladies of the city are interested in this work and the several meetings have resulted in the election of officers, all of whom are doing their utmost to make the exchange a success—as it surely will be. A room has been procured on South Main street and will be appropriately fitted up, and there all articles that have been consigned to the exchange will be exposed for sale. Any one can become a member of the exchange and enter the work of one person by the payment of \$2 per annum. A lunch counter is to be one of the principal attractions and there will also be cakes, candies, preserves, cutups, pickles, etc., for sale. In this way many the sons can benefit themselves by selling their works of art, whether of the needle, brush or sauce pan, and at the same time the public has a choice of dainty handiwork and toothsome delicacies. Orders for work or eatables will be received, and should any member not care herself to be a consignor, she has the privilege of transferring her ticket to some one else here or at a distance. The work of Woman's exchanges is well known almost everywhere and beginning from tiny nooks, has in many instances grown into a large and useful organization. There will be an opening of the Asheville exchange very soon, of which due notice will be given. There is no doubt that the exchange will be of great use in Asheville and a great credit to the city, as the ladies of Asheville are noted for their perseverance and success.

A PERTINENT QUERY. The Office of Western Union Telegraph Company—What is the Matter With It? EDITOR THE CITIZEN.—One year ago I came to this city. On Saturday there came a telegraphic message stating the dangerous illness of my mother. This was delivered at my residence promptly Sunday morning between 8 and 9 o'clock there came another calling me at once. This day in the telegraph office here until the next day about ten o'clock. By this time I missed two trains and did not catch the bedside of my mother until after her death. On the 18th of this month I went to the office here about 11 o'clock, delivered a message and paid for it. This message to date, Oct. 28, has never reached its destination. It had to go only to Cleveland, Tenn. Will some friend advise me how I may put new life into the Western Union Telegraph Company, that we may get what we pay for? C. M. CAMPBELL.

Mr. Campbell's complaint is not the only one. THE CITIZEN has heard against the Western Union office in this city. It may not be the fault of the manager of the office, who may be doing his best with a too small force; but the fact remains that the telegraph service here is credited with too many failures to deserve the confidence and patronage of the people. The explanation of the situation probably lies in one word—monopoly.

TO GO TO THE PENITENTIARY. Nelson Jenkins Gets Five Years for Horse Stealing. John Weaver, colored, who was arrested for stealing a watch from D. A. Baldwin at the Farmers' warehouse Monday night was tried in the criminal court yesterday afternoon and found not guilty. Nelson Jenkins, colored, for stealing a horse from E. P. Ray in Doubleday a short time since, was tried and found guilty yesterday afternoon. He was sentenced this morning to five years of hard labor in the state penitentiary. Jenkins and his daughter Hannah Jenkins was tried on a charge of stealing some articles from the house of W. R. Penman, west of the city. Jenkins was found not guilty of this offence and his daughter was sentenced to one year in the state penitentiary. P. A. Lindsey and S. M. Johnston, for an assault on G. L. Hounnutt, at Vanderhill's last week, submitted their case. They were fined \$50 each and sentenced to 60 days imprisonment. Dick Flournoy, colored, for an assault with a dangerous weapon on Texas Weaver, was sentenced to three months imprisonment in the county jail.

HE MEANDERS ON. From the Wilson Mirror. We do congratulate both upon their bright and auspicious entrance into the love-life realm of marriage land, and we believe that the future will have for them all that this earth can give of happiness, and that every singing ripple in the radiant current of their blissful existence will catch the beautiful gleaming of love's own resplendent beamings, and flow radiantly and brilliantly onward, and here upon its pure, rapturous bosom only those full blossomed flowers of honeyed endearment and affectionate ministry whose beauty and whose fragrance will brighten and sweeten all the miry bogs of trials and disappointments through which the brightest stream must sometimes wind its sparkling way.

FOREIGN. The St. Petersburg Gazette states that M. Carnot, President of France, will visit that city in May, when he will open the exhibition of French products to be held there. In a speech to Scotch liberals Mr. Gladstone criticised Lord Salisbury for sending General Sumner on a mission with the Pope regarding the rights of the Catholic church in Malta. Mr. Gladstone contending that such action came dangerously near to supporting the papal claims to clerical dominion over a part of Italy.

THE WESTERN UNION OPERATORS AT ST. PAUL HAVE STRUCK BECAUSE OF THE DISCHARGE OF MEMBERS OF THEIR BROTHERHOOD. Secretary of the Interior Noble has written to Mayor Grant refusing the Mayor's application for a recount of New York city. The New York coffee exchange is considering the advisability of speculation in raw sugars on the theory that the new tariff will revive the sale of growing sugars. Branch No. 403 of the Irish national league, of Buffalo, N. Y., has collected \$4,328 to be placed in the hands of Messrs. Dillon and O'Brien, to be used as they, in their judgment, may determine for the relief of Ireland, whether famine sufferers or evicted tenants.

B. G. GUDGER'S CANDIDACY.

HE WILL NOT HAVE THE FULL REPUBLICAN VOTE. J. L. Cathey Will Beat Him Out of His Boots—Crowds to Hear Crawford—Registration—The Januarys Weather. From a Staff Correspondent. LEICESTER, N. C., Oct. 27, 1890.—I find the democracy of Buncombe as fully alive as in any other section of the district. There was a splendid crowd here to-day, the college building being so crowded that the greater portion of the audience was compelled to stand in order to be comfortable. So far as I have been able to learn, unless Mr. B. G. Gudger creates more enthusiasm in other portions of the county than he does here at his own home, his vote will hardly reach, to say nothing of exceeding, the regular republican vote. A well informed and reliable gentleman here tells me that Cathey will receive more republican votes in Leicester and Sandy Mash townships, than Gudger will democrat. With this condition of affairs at Gudger's home, there can be no doubt as to Cathey's election. J. M. Campbell and the whole county ticket will carry the full party through and will receive a good strong majority in this township. Crawford is almost as well known here as in Haywood, and every man seems to be personally interested in his election. The enthusiasm is akin to that manifested in Haywood, and there are many republicans who have declared their intention of voting for Crawford. The registration in this town is 569, and the democrats claim that their majority will be in the neighborhood of 125. The weather is much more like January than October. The Sandy Mash Mountains and those nearer, lie deep in snow this morning, and we won't this campaign end. Ewart is already whipped and there is no hope for him except through the influence of "fat" fried from the manufacturers he has voted to make rich by the McKinley bill. Dr. H. E. Sumner entertained us to-day in his well known hospitable way and to-night we will be the guests of Capt. Frank Wells. From this point to Marshall our road will be rough, but with the end of our journey in view, and a grand victory awaiting us, we go forward with undaunted spirits. J. P. K.

THE NINE HOUR QUESTION. A Canvass of the City Made by the Carpenters' Union. At a regular meeting of the united brotherhood of carpenters and joiners of Asheville held in the union hall on Oct. 29 a committee was appointed to canvass the city and ascertain, as nearly as practicable the number of carpenters at work under the "nine hour" system, and how many are yet at work ten hours. The report of this committee shows that out of 310 carpenters at work in the city, 222 are working nine hours and 88 are working ten hours per day. Those who are working but nine hours are in the employ of twenty-four contractors and the ten hour men are working under ten contractors. There will be a meeting of the laboring men to-morrow night at the court house, to take action on the nine-hour question.

EX-GOV. JARVIS TO-NIGHT. Everybody Should Go and Hear Him Speak. Ex-Governor Thomas J. Jarvis speaks in Asheville tonight. Governor Jarvis reached here this morning from Raleigh and after breakfasting took the train for Hendersonville. He spoke there to-day and will return to Asheville to-night, reaching here at 7 o'clock. Everybody should turn out and hear Governor Jarvis present the issues of the campaign in his forcible manner. Attorney-General T. F. Davidson will also speak.

ANTIMIGRAINE.

NEVER FAILING CURE FOR HEADACHE. TRADE MARK REGISTERED. ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY. Cures Every Variety of Headache AND NOTHING ELSE. ANTIMIGRAINE Has earned for itself the enviable reputation of being the best, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without. For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTIPIRYNE, MORPHINE, CHLORAL AND COCAINE. Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients. The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USE. The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of Headache, if taken when first feeling the preliminary symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, tending toward an eventual permanent cure. For sale at GRANT'S PHARMACY.
