Who Told You So?

W. T. Crawford says that H. G. Ewart told him that he heard Jim Gudgeon say that Bob Vance told him that Kope Hill said that there was no doubt that W. W. Reynolds said that Tom Johnston thought that Bob Parman had told Sittling Hill that Buffalo Hill had declared to J. H. Courtney that it was generally believed that Dan Reynolds had said in plain terms that he heard Jack Worley say that his friend John L. Sullivan had said that Bill Deaver informed him at the congressional convention in this city that it was a well known fact that the House-keepers' Union had caught Gen. Clingman in saying that in his opinion it was a matter of fact and of great public interest that J. J. Mackey intimated to Jess Lowry that Bill Nye had said while attending the county convention last Saturday that anyone caught reading this shall repair at once to the store of A. D. COOPER, North Court Square, and inspect his mammoth stock of all kinds of Groceries, Provisions, etc., where arrangements have been made to furnish you all kinds of Staple and Fancy Groceries of the best quality at the lowest prices.

COMMON SENSE TALK.

Our Fall and Winter stock of goods is all in, and is complete. This stock was bought so that we can sell it at our old prices. All goods bought since the new republican tariff went into effect Oct. 6th will be from 10 cts. to 50 cts. on the dollar higher, particularly Shoes and Tinware. We shall sell our present stock of Fall and Winter goods in all lines at same prices as heretofore, and that is cheaper than any other store in Asheville. We keep everything in Dress Goods, Clothing, Shoes, Hats, Factory Cloth, Tinware, Lamps and Glassware. We can fit out a family with everything to wear, from a tiny shoe for the baby to an overcoat for the grandfather. You must buy your sugar and coffee from the grocer, then come to us, we can fill out the balance of your wants. It is but little trouble to come to our store and learn our prices before you buy, and it often amounts to a big saving in money. Country people particularly will save money if they will price our stock before they buy their winter supplies of Shoes, Hats, Clothing, Dresses, Overcoats, Pant Cloth, and Blankets. If we do not sell them as good goods for less money than anyone else in Asheville they can buy elsewhere, only be sure to come to our store before you buy, and remember the place, The "BIG RACKET"

THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN.

RUSSIA BEGINS TO WINCE UNDER AMERICAN CRITICISM.

BUT ALL THE HORRORS OF SIBERIA ARE UNMITIGATED.

LONDON, Oct. 31.—A young Russian named Kelchovsky, who succeeded in making his escape from Siberia after having served fourteen years there, has arrived in this city.

He was arrested in Vello when only 18 years of age, on suspicion of having in his possession "revolutionary documents" and being concerned in a conspiracy against the government. His escape from Siberia was attended with many hardships and perils. Mr. Kelchovsky is unwilling as yet to publish an account of his life in exile and escape for fear that by doing so he will endanger his comrades left in Siberia.

He states that he exiles there are greatly encouraged by the expressions of sympathy with them, in their fate by the American people and claims that Russian government is much disturbed thereby. The Official Messenger of St. Petersburg recently announced that the rumors current in Russia that Americans and others were severely criticizing the Russian prison management were simply concoctions of the nihilists.

Mr. Kelchovsky also brings news that two exiles named Peshekerod and Makarenko, recently arrested at Omsk, had been condemned to solitary confinement pending an official investigation for having in their possession clippings from American newspapers upon the subject of the feeling aroused abroad by the alleged maltreatment of political prisoners in Siberia.

SIXTY-ONE LIVES LOST. RESULT OF A COLLISION AT SEA.

A Spanish Steamer Run Into by a Schooner, and Both are Sent to the Bottom.

NEW YORK, Oct. 31.—The steamer Humboldt, which arrived to-day from Brazil, reports that the Spanish steamer, Vizcaya which sailed from here recently, when off Barnegat, was run into by an unknown schooner, and that the captain and 61 passengers were lost.

Both vessels sunk. The fate of the captain and crew of the schooner are unknown. The chief officer, second officer, surgeon, one engineer and eight of the crew were picked up.

BETTER THAN LYNCHING.

A Plucky White Woman Kills a Negro Who Assaults Her.

ATHENS, Ala., Oct. 31.—Last week during the absence of the husband of Mrs. Matthews a negro made a brutal assault upon her at the former's home near that city. The lady seized her husband's revolver and fired two shots at the negro who fled. Yesterday, the attention of a party of hunters was attracted by a congregation of hunters. It was found they had been attracted by the dead body of the negro and that both shots from Mrs. Matthews' pistol had taken effect, causing death in a few hours.

A LUNATIC KING.

Real Condition of Holland's Ruler Told for the First Time.

HAGUE, Oct. 31.—It has transpired that the statement made regarding the condition of the king of Holland by the doctors and ministers was untrue. The king's physician says his health is good, but that he is suffering from mental malady which renders him unfit to govern. In other words, he is a lunatic. The statements that he was physically ill were made simply to delude the general public and explain the necessity of the appointment of a regency.

CONCEDES VICTORY!

Probable Democratic Majority of the Next House.

WASHINGTON, Oct. 31.—The Cincinnati Commercial Gazette prints a table showing the probable complexion of the next house to be, democrats 169, republicans 163. Two years ago 161 democrats and 168 republicans were elected.

Hard Lines for Lotteries Gambling.

OTTAWA, Ont., October 31.—In answer to an inquiry from one of the ports of entry, the customs department has ruled that Louisiana lottery advertising and other similar matter may be received by the various collectors of customs, but that persons to whom they are sent shall be subject to prosecution by the legal authorities.

Musian Anti-Jewish Feeling.

ST. PETERSBURG, Oct. 31.—Grosser has issued an order to the police commanding rigid adherence to the letter of the anti-Jewish law and saying that they must compel the families of the Jews expelled from the empire, or transferred from one part of it to another, to accompany them.

Knovv Wats May Get Well.

XOYVILLE, Tenn., Oct. 31.—Morris Wats, who was shot at Cumberland Gap yesterday, is still alive and it is now believed he will get well.

Driving Them Back to Coal.

PITTSBURG, Oct. 31.—The Philadelphia natural gas company to-day announced a 50 per cent. increase in the price of natural gas as fuel.

A FAIR REBEL.

At the Grand Opera House To-night.

The intensely interesting war drama, "A Fair Rebel," with all the accessories of realistic scenery will occupy the stage at the Grand Opera house to-night. The play has drawn large houses wherever performed, and critics have given it a good share of praise. Many persons will be particularly pleased to see the exterior and interior of the famous Libby prison, which is shown with every accuracy.

CURE FOR CONSUMPTION.

Professor Koch to Announce His Great Discovery Shortly.

BERLIN, October 28.—The National Zeitung announces in the most positive manner that Professor Koch, whose researches as to the existence of a bacillus in consumption have already given him a European reputation, is now ready to announce to the world, having concluded certain important experiments in which he has for some time been engaged, his cure for that malady.

The new remedy, it is said, resembles the lymph in vaccination, it being prepared by its use to so inoculate the patient that the tuberculous bacillus no longer exist, and this without any detriment to the patient's general health, or causing the slightest pain.

Professor Koch will be ready to practically introduce his invention in about six weeks.—Philadelphia Times.

THE REPUBLICAN G. A. R.

FEDERAL OFFICIALS DRUM UP VOTES.

A Letter That Should Cause Every Southern Man and Patriot to Vote the Straight Republican Ticket.

The following letter was received by a gentleman living in Mitchell county and was to-day placed in the hands of THE CITIZEN:

HEADQUARTERS GRAND ARMY OF THE REPUBLIC, Washington, D. C.

Dear Comrade:—We are approaching a very important election, and I am very anxious that the boys who wore the blue and who fought for the stars and stripes will be true to the republican party, it being the only party that has been our friend. All pension laws for our good will come alone from them. Therefore, I urge you to go into the fight at once, and fight for our grand and glorious party until the polls are closed. See that every man who is with us is duly registered, and see that every man votes for the regular nominees of the republican party from the highest to the lowest office.

You will see or write the chairman of your republican county executive committee at once, and let him know what you intend doing. Your name was handed me by one of the pension authorities.

Your comrade, W. G. VEAZY, Commander-in-Chief.

This beats Ewart's begging census circular all hollow. It has been said time and again that the G. A. R. was not a political organization, but this letter shows that it is nothing else and that it is for the republican party and all the money that can be squeezed out of the people for pensions, no matter whether deserved or not.

Note that the name of the person to whom the letter was addressed was given to Mr. Veazy, by a United States pension official. Under Harrison a public office is a private trust for the use of the republican party, though the people must foot the bill.

There is one complaint in the bill for the demerit: "All pension laws for the good will come alone from them" [the republicans]. That is to say, it is only the members of that party that will agree as a principle of its platform to make an organized raid on the treasury.

AN EXCITING CHASE.

The Bear Hunt at Ramoth Yesterday.

About six months ago "Big Tom" Wilson, the noted bear hunter, captured a good sized black bear near the Craggy mountain. The animal was purchased by a number of Asheville men, composed of Chas. W. Malone F. A. Sumner, A. T. Sumner, jr., J. B. West, W. T. Reynolds, N. A. Reynolds, E. B. Atkinson, R. P. Walker, C. B. Davis, W. P. Blanton & Co., S. H. Reed, C. D. Blanton, W. T. Chambers, D. E. Sevier, J. Blanton, J. F. Woodbury, C. F. Ray, T. S. Morrison, Capt. Farrar, Hampton & Featherston, J. F. Fonder, J. Lange, W. O. Muller, T. F. Starnes, W. S. Ray, F. O'Donnell, J. W. Sluder, Fabe Morris, S. Hemphill, Jno. O'Donnell & Co., A. Sorrells, D. C. Waddell, P. C. McIntire, C. C. McCarty, J. M. Young, Geo. Henderson and J. P. Marshall.

Of these three members of the North Carolina society for the prevention of cruelty to animals.

The bear has been kept near Asheville and yesterday about 150 people, gentlemen and ladies, on horseback assembled at Ramoth to witness the chase of the animal.

The bear was liberated on the Kimberly farm and given a considerable start. About forty dogs, comprising the packs of N. T. Chambers, Blanton & Zachary, Porter & Barnard and Jan. Young were in the chase and brain was first fired on Lookout mountain, about two miles from the starting place. The dogs were called off and the animal given another chance. After being treed four times he wined the dogs and was declared the victor. He was caught and brought back to the city and will be chased again soon.

CRIMINAL CARELESSNESS.

A Railway Conductor Arrested on That Charge.

POTTSTOWN, Oct. 31.—Americus B. Misemer, of Pottstown, conductor of the Philadelphia and Reading railroad shifting crew, upon whom the coroner's jury fixed the responsibility for the disaster to the Williamsport express at this place last Saturday, was yesterday arrested on a warrant issued by Magistrate Erner, of Norristown, charging the conductor with criminal carelessness. He waived hearing and entered bonds in the sum of \$1,000 for appearance at the December quarter sessions for trial.

ELECTRICITY KILLED HIM.

One Negro Goes Foolishly to His Death Despite Warning.

BRADBOK, Pa., Oct. 31.—In the Edger Thomas steel works last night a colored man named Robt. Washington from Culpespa, Va., reached out his hand toward an electric light lamp which has often been warned not to touch. Some one shouted a warning, but his hand touched the wire and in an instant he fell dead.

On to Africa.

ZANBAR, Oct. 31.—Letters from Emin Pasha say that his expedition is advancing steadily and that all are well.

AN IMPORTANT MEETING.

SOUTHERN INTERSTATE IMMIGRATION CONVENTION.

It Meets in Asheville in December—A Large Gathering of Representative Men—A Meeting To-night.

Capt. Natt Atkinson has received a letter from John T. Patrick, state immigration agent, notifying him that the southern interstate immigration convention will meet in this city December 17-19.

This is the annual meeting of this association and is called by F. B. Culliton, of Austin, Texas, general manager.

This convention will bring together an immense number of the representative business men of the south and can be of incalculable benefit to Asheville and the surrounding section.

The association embraces the states of Virginia, West Virginia, Maryland, Kentucky, Missouri, Arkansas, Tennessee, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana and Texas and the territories of Arizona and New Mexico.

The basis of representation will be as follows: Two delegates from each senatorial district, to be appointed by the governor of the state or territory; four delegates from the state at large, to be appointed by the governor; two delegates from each county to be appointed by the board of county commissioners or by the chairman of the board; two delegates from each chamber of commerce, board of trade or corporate body in the various states; one delegate from each city or town, to be appointed by the mayor or president of the trustees of the place; two delegates from each editorial association in the states and territories interested; one delegate from the passenger department of each railway doing business in the United States.

The aggregate number of delegates will run into the thousands. The possibilities of what can be accomplished by such a meeting in Asheville cannot be estimated. The place will be brought into notice in a way that has never been tried before and the citizens of the place should give their hearty co-operation in making their convention a success as far as they are able.

A meeting called by Mayor Blanton, and President Powell, of the board of trade, will be held in the court house to-night to make some preliminary arrangements for the management of the affair. Speeches will be made by prominent men and an executive committee will be appointed to take charge of the matter.

Every business man is interested in this and all should come out to-night and help.

PLEASED WITH HIS TRADE.

Gov. Stedman Talks Politics From His Seat.

A fine looking gentleman with a snowy white beard and handsomely attired in a suit of black sat in the office of the National bank of Asheville yesterday afternoon, enjoying a good cigar. It was ex-Minister Charles M. Stedman, of Wilmington, who has just purchased the Oakland Inn property in Asheville's suburb, Victoria. Gov. Stedman greeted THE CITIZEN with great cordiality and seemed to be in the best possible frame of mind about his purchase.

"I consider that a very good trade, as I had never seen the property," he said. "I have just returned from a drive to the place and am greatly pleased with my trade. The view of the mountains is magnificent."

With reference to the political outlook in his section, Gov. Stedman said: "It is exceedingly bright for democracy. In New Hanover county we expect to carry the whole democratic ticket, for the first time in the history of the place. The canvass has been conducted with great energy and the people are determined to win. We expect to make a gain of 700 in Wayne county, which was democratic last year, and in Pender we will make great advances. The prospects are good indeed."

Gov. Stedman let last night for Wilmington. He will go North in a few days to make further arrangements for the renting of his new property for a sanitarium.

DR. GILBERT B. TENNENT.

His Death at Wilmington and Burial Here.

THE CITIZEN is pained to announce the death of Dr. G. B. Tennent, which occurred in Wilmington, N. C., last evening at 8 o'clock.

Dr. Tennent was well known in Asheville, and had won many friends by his courteous manners, and gentle, sympathetic nature. He had recently completed his professional studies, at the medical college of Louisville, Ky., where he graduated with distinction and gained the affection and admiration both of fellow students and professors. It was his intention to begin practice at Asheville, his native place, where he seemed to have a bright promise of usefulness. He was but 38 years of age at the time of his death, which resulted from a brief, but severe illness borne by him with marked patience and resignation.

The burial services will at the Trinity Episcopal church to-morrow, (Saturday) at 11:30 o'clock, and the interment at Riverside cemetery.

CLONE OF THE CANVASS.

A Joint Discussion in the Court House To-morrow.

Hon. W. T. Crawford and H. G. Ewart, the democratic and republican candidates for congress will speak at the court house to-morrow. The speaking begins at 11 o'clock and the two candidates are entitled to one and a quarter hours each.

After these gentlemen conclude their remarks the county candidates will speak in the court house. These speeches will not be long.

Every democrat and republican should come out and hear Mr. Crawford debate with Mr. Ewart and hear the latter make his last desperate effort of the campaign. The discussion will be full of interest.

Melted as He Fell.

WATERTOWN, N. Y., Oct. 31.—About four and a half inches of snow fell in this section last night but rapidly disappeared.

ANTIMIGRAINE.

NEVER FAILING CURE FOR HEADACHE.

TRADE MARK REGISTERED. ABSOLUTELY SAFE, PERFECTLY SURE AND ALWAYS SPEEDY.

Cures Every Variety of Headache AND NOTHING ELSE.

ANTIMIGRAINE Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, HEADACHE. The immense favor which has greeted it from all quarters, proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it, will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as ANTI-PYRINE, MORPHINE, CHLORAL AND COCAINE.

Since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear or serious results. It is a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after-effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.

DIRECTIONS FOR USE. The dose for an adult is two teaspoonfuls in a wine glass of water. Dose for children in proportion, according to age. In either case the dose can be repeated every thirty minutes until a cure is effected. One dose will always drive away an attack of Headache, if taken when first feeling the premonitory symptoms; but if the attack is well on, and suffering is intense, the second or third dose may be required. Usually a greater number of doses is required to effect the first cure than is needed for any succeeding time thereafter, showing that the medicine is accumulative in its effects, tending toward an eventual permanent cure.
