HER MAJESTY'S APPROVAL.

Gen. Booth Receives a Letter from Queen Victoria's Secretary.

LONDON, Nov. 21.—A donation of £50 from Sir Edward Clarke, M. P., solicitor general, towards the expense of carrying out Gen. Booth's social regeneration scheme, is accompanied by a letter in which the writer thus expresses himself: "It is my belief that 'Darkest England' points out the best method of dealing with this subject. I have entire confidence in your faithful stewardship of the fund."

General Sir H. F. Ponsonby, secretary to the Queen, has written to Gen. Booth, in behalf of the Queen, thanking him for a copy of his book, "Darkest England." The writer adds: "The Queen cannot express any opinion on the details of your scheme, but understanding that your object is to alleviate misery and suffering, Her Majesty cordially wishes you success."

NO OPPOSITION TO HILL.

His Election as United States Senator Almost Certain.

ALBANY, Nov. 21.—There is an impression here, growing wider as the days go by, that D. B. Hill will be next United States senator. It is impossible to give a reason for this. None of those who may fairly be presumed to have the confidence of the governor will speak at all upon the subject; none of those whom may be classed as belonging to the other wing of the party will say that there is any strong opposition to him. The impression is prevalent, though, it is in the atmosphere, intangible, invisible, but undeniably existent. Indeed, the very absence of any combination or a candidate in opposition to him is taken as meaning that the honor must come to him.

TRUE BILLS FOR MURDER.

Seventeen Men Indicted for Killing Chief of Police Hennessy.

NEW ORLEANS, Nov. 21.—The grand jury late last night reported the finding of true bills against seventeen of the men under arrest charged with the murder of Chief of Police David C. Hennessy, on Oct. 15, 1890, for being the murderers and accessories. It is now expected that the trial will be fixed for an early date.

The Players' League Dead.

COLEMBUS, O., Nov. 21.—A. G. Spalding, who has been in consultation with Allen W. Thurman, a member of the conference committee elected to carry out the deal between the Players' League and the National League, says that the former body is dead. Spalding said that arrangements have been made to close out every player's club, with the possible exception of Boston and Philadelphia, and that details for the transfer of the Chicago Players' team would be arranged as soon as he reached home.

2,000 Miners Strike.

BRAZIL, Ind., Nov. 21.—The demand made by the drivers and the day men employed in block tin mines for an increase in their wages to \$2 per day, has been refused and men have struck. The operators claim that to grant the advance asked would be to disturb the market, as it is in violation of the yearly agreement. About two thousand miners are thrown out of employment and the situation is becoming serious.

Gladstone Non-Committal.

LONDON, Nov. 21.—In response to an inquiry, Gladstone says it would not be well as to convey any intimation to the consequence of the result of the O'Shea divorce case.

THE NEWS!

BY ASSOCIATED PRESS TO THE CITIZEN

STILL HEMMED BY ANXIOUS DEPOSITORS.

CITIZEN'S BANK OF NEW YORK UNDER HEAVY PRESSURE.

NEW YORK, Nov. 21.—The call on the Citizens' Savings bank, south-east corner Broadway and Canal streets, started Wednesday, continued with full force today. President Edward A. Quinard, and other members of the committee on finance of the institution held a meeting at the bank this morning.

There had been some talk among the bank-stricken depositors that the officers of the bank might avail themselves of the rule which reads: "No person shall have the right to withdraw any part of the amount that may be to his credit unless he has thirty days previously given personal notice to the bank of the amount he wishes to withdraw."

To do away with any impression of this sort, the finance committee held a session at the call of President Quinard and decided by unanimous vote to pay out to depositors their money just as fast as they could. The doors of the bank were thrown open at a quarter of one and at that time his anxious depositors reached several squares.

THE REVOLT IN HONDURAS.

Hav - Americans Turn the Tide of Battle.

NEW ORLEANS, Nov. 21.—The steamer City of Dallas, of the Morgan line, has arrived from Port Coroz, bringing the latest intelligence of the revolt in Honduras. Her captain, Charles E. Lydie, says: "I understood through the army of Bogran, was victorious, the victory was due to the valor of Americans who numbered about fifty miners under Major E. A. Burke, of New Orleans, and James Hadden. We arrived in port on the evening and left the fourth. About noon we were met by a telegram and received by General Kraft from President Bogran, proclaiming peace and acknowledging the gratitude of the nation to the Americans for turning the tide in their favor."

Gen. Sanchez was not captured and executed, as reported. He died in prison. His son was captured and reported to have been executed at Sanchez was the traitor to him, as he was his son's denial adviser and close friend."

HOW THE WEST STANDS.

The Farmers' Alliance Got in Its Work.

TOPEKA, Kan., Nov. 21.—The Farmers' alliance scored its greatest triumph in this state and captured five of the seven congressmen, all of whom were republicans two years ago.

The remarkable change in the complexion of the legislature will be seen by the following: the senate being 100 Democrats 10, republicans 64, alliance 31.

NEBRASKA. LINCOLN, Neb., Nov. 21.—Official returns just completed give Boyd (dem.) for governor a plurality of 144.

The Alliance captured the legislature, as the following shows: Democrats 30, republicans 30, Alliance 68.

CHICAGO, Nov. 21.—The election of Kony, democrat, in the second legislative district gives the democrats 101 to the republicans' 100 on a unit ballot.

Kony is a straight-out democrat and has no alliance affiliations. The farmers' alliance hold the balance of power with their three votes. Two of the alliance men are also democrats, and though they say they will express no opinion until they consult their constituents, it is considered a humane conclusion that their votes will assist to elect a democratic United States senator.

DES MOINES, Nov. 21.—The republicans elected their state ticket, but the democrats, by making good use of the tariff issue, carried the seats on the total congressional vote.

INGALLS STILL HOPING.

He May Duplicate the Defeat of the Alliance in Georgia.

WASHINGTON, Nov. 21.—The triumph over the Farmers' Alliance in Georgia has revived hope in the bosoms of the leaders of both of the old parties here. Not only are the democrats greatly encouraged as to the outlook in other states where the antagonism of the alliance looks threatening, but the republicans also are plucking up heart and moving with something like spirit to try to have their men who are in danger.

They are looking, of course, with extreme solicitude to Kansas, where Mr. Ingalls stands in the shadow of defeat. His loss would seriously cripple them in the senate, where they have learned a lesson upon him as their one man of a times of strong and effective words. It is concluded here that the republican would not make their most disappointing and interesting senator, but the one since Gen. Logan's death who has represented the entire portion of the states. They are going to save him if they can, and their purpose now is to elect him to the senate in Kansas in the fall.

THE DUKE OF MARLBOROUGH

He Arrived Here Last Night in a Private Car.

The Duke of Marlborough with his wife arrived here last night on the midnight train from Knoxville, in their private car. They spent a part of the morning in their car at the depot and then took a carriage and went for a drive. They returned to the Battery Park hotel where they had lunch at 3.30 o'clock.

It was reported around the hotel that the duke, while the train was standing on a side track some person entered the car and tried to steal the diamonds belonging to the duchess, without success, however. It was also said that the duchess was hit on the head by the marauder.

DANVILLE AND NEW RIVER R. R.

It is Transferred to the Richmond and Danville.

In the United States circuit court in session in Danville, Va., Judge Hugh L. Bond presiding, Judge Berryman Green, special commissioner, reported to the court that under a former decree he had sold the Danville and New River railroad to J. W. Brown, agent for the \$2,000,000 and noted confirmation of the sale. There was no objection, and the court ordered a decree confirming the sale and directing the commissioner to make a deed to J. W. Brown or such person or persons as may be designated.

The Doors Again Open.

PHILADELPHIA, Pa., Nov. 21.—The doors of Barker Bros. & Co.'s banking house opened again this morning and affairs in and around the bank resumed something of their wonted appearance, although, of course, no banking business is being transacted.

The failure of Barker, Bros. & Co., bankers and brokers, was announced on the stock exchange yesterday afternoon. They have of late been doing very little business through the stock exchange.

Rates to the Alliance Meeting.

JACKSONVILLE, Fla., Nov. 21.—Commissioner Mann, of the National Farmers' alliance and industrial union, announces that the Pennsylvania railway and Atlantic coast line will sell on the 25th and 29th insts. one fare round trip tickets to Desha, Fla., and return for thirty days. The rate applies both to delegates and the general public.

BALTIMORE, Nov. 21.—Flour, steady; Howard street, western, 33d40; extra, 36d40; family, 46s510; city, white, Rio hines extra, 5s20; wheat, southern, steady; Fall, 89c96; long berry, 91d98; western, strong; No. 2 winter, red, spot, and Nov. 91c; corn, southern, easy; white and yellow, 63c; western, 62c.

Chance for Doctors.

WASHINGTON, Nov. 21.—The department of state is informed by cable from the consular general at Berlin that Dr. Koch's colleague, Dr. Cornhill, is willing to receive a well recommended doctoring the experimental treatment of tuberculous.

A Hairkeeper Assail.

CHARLOTTE, Nov. 20.—J. D. Tucker, who recently came here from Montgomery county and opened a barroom and restaurant, failed today; liabilities \$4,000; assets \$1,500.

The Great Showman Better.

BRIDGEPORT, Nov. 21.—P. T. Barnum is still improving, and is again reading the newspapers with lively interest.

THE REBELLIOUS REDSKINS

PINE RIDGE AGENCY IN A STATE OF TERROR.

The Ghost Dance Mill Continues - The Women and Children Hunt to Safer Places - The Situation Very Grave.

PINE RIDGE AGENCY, S. D., Nov. 21.—The dancing Indians have the agency and the surrounding country in a state of terror.

Ghost dances under the lead of Little Wound, Six Feathers and other chiefs, are still going on at Wounded Knee creek, White Clay, and Medicine, and Indians have their guns strapped to their backs as they dance.

Yesterday a large band of Indians left Rosebud agency headed this way, and it is within the bounds of possibility that the Dancing Indians may consolidate their forces at Wounded Knee and it that case a fight may be expected any moment. Medicine Root, the farthest point from the agency where the dancing is going on, is thirty miles away. Wounded Knee, fifteen, Porcupine, twenty-five.

Gen. Brooks, in command of the troops which arrived yesterday, held a long consultation during the day with Indian Agent Roger and Special Indian Agent Cooper. It is probable that with the force at hand no attempt will be made to stop the dancing at present.

Both Indian agents said at the conclusion of the interviews that the situation is certainly grave.

The wives and children of all traders and other whites about the agency have left for safer spots along the railroad and the men here are prepared for the worst.

St. Louis, Nov. 20.—Adj. Gen. Army: Your telegrams of this date directing the cavalry and light artillery at Ft. Riley to be held in readiness, if required, for service in the departments of Dakota and Platte received. (Signed) MERRITT, Brig. Genl. Commanding.

WASHINGTON, Nov. 21.—The following telegrams bearing upon the situation at Pine Ridge Indian agency have been received from the war department: Chicago, Nov. 20.—Adj. Gen. Army, Washington, Gen. Brooks, arrived at Pine Ridge this morning. Indians much excited and large numbers coming over from Rosebud agency, fifty miles distant. The ghost dance still continues. (Signed) MILLS, Maj. Genl. Commanding.

Reliable information has been received that Yankton and Gros Ventres on the upper Missouri, also those near Fort Belknap, unanimously adopted the messiah craze, the latter quite ugly; that Sitting Bull has sent emissaries to these tribes and to Sisseton, in the Black Hills, to get arms and ammunition and join other warriors and amish on the Black Hills in the spring. Every effort is being made to allay and restrain the turbulent, but a violent overt act of any small party of desperate ones may cause a general uprising.

The latest reports from the northern car armies indicate that they have abandoned the delusion. There should be no delay, however, in putting other troops than those in the two departments in proper equipment for the field. (Signed) MILLS, Major General Commanding.

Julia Marlowe Improved.

PHILADELPHIA, Pa., Nov. 21.—The condition of Julia Marlowe this morning is much improved.

For the first time in three weeks her temperature was normal. The swelling glands to-day are very much reduced. Her physicians this morning spoke very happily of her recovery.

Big Mortgage Deed.

RICHMOND, Nov. 21.—The Richmond Railway and Electric company, which some months ago absorbed two street car and three electric light and power companies, have filed in the chancery court a mortgage deed for \$2,000,000 to secure the Atlantic Trust company, of New York.

Alabama Senatorial Fight.

MONTGOMERY, Nov. 21.—The democratic senatorial caucus took three ballots last night. The list stood, Pugh, 40; Kohl, 42; Seay, 27; Watts, 9; and none divided between Congressman Clarke and Wheeler. It is thought a nomination will be reached to-night.

APPAIRS OF CONSEQUENCE.

FOREIGN. General Schverskoff, a Russian agent, was assassinated in Paris by a nihilist as an act of political vengeance.

Lord Chief Justice Coleridge, of England, has fully recovered from his indisposition, and has resumed his official duties.

Princess Victoria of Prussia, sister of the emperor of Germany, and Prince Adolph of Schaumburg-Lippe were married in Berlin.
