**BIG FOOT'S SURRENDER.**

**THE LAST OF SITTING BULL'S BAND GIVE UP.**

The Indian Chief wanted to Talk but was Shut off and the Flag of Truce was Then Raised—Gen. Miles in the Saddle.

WOUNDED KNEE, S. D., Dec. 29.—The details of the surrender of Big Foot's band are as follows:

Sunday morning dawned bright and warm as a summer's day. Every one of the soldiers had his overcoat off. Fifteen Indian scouts had been gone two days and no word had been received from them. Little Battle started out at day-break and at 10:30 was seen dashing over the ridge for the camp, waving his hat. In a few minutes he was at Major Whitesides' quarters with the good news that Big Foot was only eight miles away. "Boots and saddles" was sounded and if ever a lot of men got out of a camp in a hurry it was the veterans of the seventh. In a few moments they were hurrying over the ridge eastward toward Fort Porcupine butte. Passing that they turned north and east descending the slope into the Porcupine valley where they soon found Big Foot's band drawn up in line like soldiers, and apparently ready for battle.

There were over 150 bucks heavily armed facing the cavalry. They met in 1876 in the battle of Little Big Horn. One shot from any source and a tragedy would go over the wires, but Big Foot advanced from his side, and Major Whiteside from the boys in blue. Big Foot started in for a long talk of how weary he was of running around, and said he wanted to open his heart to the chief of the soldiers. Whiteside was there, however, for business, not talk, and said Big Foot must surrender or fight. Like magic up went the flag of truce, and Big Foot surrendered his band of 150 warriors and 250 women and children.

The prisoners were marched over to the old camp on Wounded Knee. A battalion has surrounded the Indian camp and sent a vigilant guard over them until more troops arrive. The prisoners include Sitting Bull's band that fled after their chief's death.

Scouts just in report that Short Bull and his braves are on their way to the agency and are in camp now at the Catholic mission only six miles away.

**IN THE SADDLE.**

**Gen. Miles Headed for the Bad Lands With an Escort.**

RAPID CITY, S. D., Dec. 29.—General Miles' headquarters will be in the saddle after to-day. He will probably start to-day for Pine Ridge, going through the Bad Lands with an escort of scouts and Sixth cavalry.

**A PRIMA FACIE SENATOR.**

**Something Unusual About Idaho's Senate Representation.**

WASHINGTON, Dec. 29.—The senate met at noon. The vice-president laid before the senate a communication from the governor of Idaho, transmitting the credentials of the senators-elect from that state—Geo. L. Shoup and Wm. J. McConnell.

The credentials having been read, Mr. Hoar moved that Mr. Shoup was present, the oath of office be administered to him. Mr. Hoar remarked that the new State of Idaho appeared to have elected more than its fair share of senators and he thought that the credentials should be referred to the committee on privileges and elections.

Mr. Hoar said that, as he understood there were only two senators chosen for that state, he thought his motion took precedence of Mr. Vance's.

Mr. Hoar's motion having been agreed to that senator escorted Mr. Shoup to the clerk's desk where he took the oath of office and subscribed to it.

Mr. Harris subsequently inquired what had become of Mr. Vance's motion and said that Mr. Shoup had been simply sworn in on his prima facie case.

**HOUSE AND SENATE.**

**The New Rule for Closing Debate May Come Up.**

WASHINGTON, Dec. 29.—The nature of the proceedings in the senate this week will be determined by the attendance. If no quorum is present, there will probably be an adjournment from day to day. If there is a quorum, counting the senators on both sides of the chamber, debate on the elections bill will continue, and one of the features of discussion will be the speech by Senator Hoar, the sponsor of the bill in the senate.

Should there be a quorum of republican senators during the week, then may be expected a transformation of the light skirmishing which has been in progress for a month into a heavy engagement of political forces, for it is the intention to take up the new cloture rule introduced by senator Aldrich, as soon as a safe republican majority can be assured.

In the house it is not expected that any business will be transacted during the coming week. There is possibility, however, though not probability, of a quorum being in attendance either Friday or Saturday, and should the unexpected happen, the appropriation committee is prepared to take advantage of the circumstance and call up one of the regular annual appropriation bills.

**NOW DISCIPLINE THEM.**

**A Railway President is Not a Locomotive Engineer.**

CHATTANOOGA, Tenn., Dec. 29.—President C. E. Jones and Master Mechanic Ellison of the Belt railroad company, undertook to run an engine in the capacity of engineer and fireman, to relieve an engine broken down on the road. Being unable to control the brakes they ran into the rear coach of a loaded passenger train, partially demolishing the coach and slightly injuring one passenger. Several engineers on the road have been disciplined recently for smaller offenses.

**A Theatre Burned.**

MINNEAPOLIS, Minn., Dec. 29.—The Bijou theatre of this city, one of the most prosperous popular price houses in the theatre west, burned yesterday, involving a loss of from \$30,000 to \$40,000. Covered by insurance.

**A North Carolinian Married.**

JOHNSON CITY, Tenn., Dec. 29.—Chas. H. Ricketts, of Linville, N. C., and Miss Hahn, of Cranberry, were married here recently.

**RAILROAD PRESIDENTS.**

**They Will Meet in New York January 3.**

New York, Dec. 29.—The date for the meeting of railway presidents to complete the organization of the new association has been changed from January 6th to January 3rd, and the place of meeting also changed from Chicago to the Windsor hotel, New York city. This change was made Saturday by telegraph. In response to President Miller's telegram asking if it would be convenient to hold the meeting in Chicago January 6th, it was found that quite a number of railway presidents, some of them representing the largest lines in the country, could not conveniently attend the meeting on that date and in that city.

The best judgment of those most deeply interested is that at this meeting a new agreement will be unanimously adopted and be put in force at the earliest practicable day.

**TRINITY CHURCH.**

**A Christmas Tree and Service for the Children.**

The children of Trinity parish had their Christmas tree Saturday evening. Each child received some small gift and fruit and candy, but owing to their gift of a tree to the St. Andrew's mission, their presents were smaller and less expensive than usual. This did not seem to lessen their enjoyment of the occasion and all seemed to share in the pleasure they had given others.

The usual Christmas service for the children was held at Trinity yesterday afternoon at 4 o'clock. The service consisted of carols and Christmas hymns by the choir and children, and an address by the Rev. Mr. Kitson.

**G. A. R. ELECTION.**

**Marion Roberts Post Names His New Officers.**

Marion Roberts Post G. A. R. held its annual election Saturday with the following results:

Senior Vice Commander—G. F. Scott.  
Junior Vice Commander—J. D. Herren.  
Surgeon—Dr. John Hey Williams.  
Quartermaster—D. D. Adams.  
Officers of the Day—D. U. Lee.  
Officers of the Guard—J. H. Miller.  
Adjutant—W. H. Deaver.  
Quartermaster Sergeant—Otto Hildebrand.

**CONFISCATE SEALS.**

**They Were All Taken in United States Territory.**

OTTAWA, ONT., Dec. 29.—The customs department has decided to order the confiscation of the catch of seals taken by the German schooner Adele from St. Pauls Island, Alaska.

The collector at Victoria, however, as a precaution in the event of complications between the United States and Germany over the vessel's depredations, took the affidavits of the Adele's crew before the men were paid off. All swore that the seals were obtained in United States territory.

**MR BURKHOLDER BETTER.**

**The Crisis in His Sickness Probably Passed.**

The illness of Mr. E. W. Burkholder, mention of which was made in THE CITIZEN Saturday, was occasioned by exposure during the recent storm. Yesterday his physicians, Drs. Williams, Watson and Nelson, expressed the opinion that if Mr. Burkholder could live through twenty-four hours he would have a fair chance for recovery. He has now passed that crisis and to-day he is reported as being slightly improved and resting comfortably. The gentleman's many friends will be gratified by this assuring news.

**O'BRIEN AND DYNAMITE.**

**The Former Never Countenanced the Latter as a Policy.**

LONDON, Dec. 29.—William O'Brien telegraphs from Paris that he never wrote a line in his life for the Irish World. The article quoted in a London paper as showing O'Brien's approval of dynamite methods seems to have been taken from a contribution of his to the New York Herald. O'Brien repeats his request that the insinuation that he countenanced the dynamite policy by contributing to a paper engaged in propagating that policy, be withdrawn.

**TIN DISCOVERED.**

**The Question is, Is it in Paying Quantities?**

SAN ANTONIO, Texas, Dec. 29.—Louis Girard, a prominent civil engineer, has arrived from Llano with specimens of tin just discovered. He brought ore to be sampled. It has been found on the Colorado river, about one hundred miles from here in Llano county, south of the famous Bollinger iron hill. New discoveries are being made daily. The specimens brought by Girard are cassiterite.

**O'BRIEN-PARNELL.**

**The Two to Have a Conference Tomorrow.**

DUBLIN, Dec. 29.—The Freeman's Journal to-day announces that the conference between Parnell and O'Brien takes place to-morrow at Boulogne. It adds that John Redmond, Kenny and Clancy and perhaps Campbell, members of Parliament, will be present.

DUBLIN, Dec. 29.—Archbishop Walsh denies that he brought the Pope to arbitrate the difference between the warring nationalist factions.

**THE VIRGINIA STATE DEBT.**

**A Plan of Paying it That Will Probably be Accepted.**

LONDON, Dec. 29.—It is announced that the New York and London committee on the Virginia state debt have definitely agreed upon a plan which it is expected the Virginia legislature will readily approve.

**The Weather.**

According to observations taken at the signal service station by Dr. von Ruck the lowest point reached by the mercury Saturday night was 19 degrees above zero. This morning at 8 o'clock it registered 37.2-10, and at 2 p. m. 47.5-10.

**THE STRIKERS CAN'T WIN.**

**SCOTLAND RAILWAY STRIKE ABOUT OVER.**

GLASGOW, Dec. 29.—There are many signs that the great railroad strike is nearing an end and that the strikers, sooner or later, will have to submit to the inevitable. Should this be the case it will not be because the general public is not in sympathy with the strikers.

Passenger and freight traffic on the main lines is slowly but surely improving, the North British road to-day opening its local lines. In fact, it may be said that the railroad business is resuming its usual course, through the attitude of the strikers and the railroad officials towards each other seems unchanged.

EDINBURGH, Dec. 29.—At a public meeting held in this city yesterday resolutions were passed expressing sympathy with the railway strikers. Many clergymen were present and delivered addresses.

**AT 77 YEARS.**

**One of the Presents an Editor Received on His Birthday.**

From the Elizabeth Economist.

Here was one had an eye to our weaknesses, who would please though he tempted us, and he sent a bottle of old malt, cobwebbed and mellowed with the aroma of age, medicinally marked; and we involuntarily turned thoughtfully to that kind passage in the writings of inspired Paul where he recommends to Timothy, to take a small dram for his "stomach's sake and oft infirmities," and we soon felt a chilly sensation of malaria. It was accompanied with a tender note expressing the kind and considerate wish that the donor might be in a position to repeat the gift to us 77 years longer. How delicate in not mentioning or referring to our position 77 years hence!

**M. A. DAUPHIN DEAD.**

**And His Lottery Company is Probably Dying.**

NEW ORLEANS, Dec. 29.—M. A. Dauphin, a native of Alsace-Lorraine, for twenty years president of the Louisiana Lottery company, died at his residence in this city yesterday; aged thirty-three years.

**TOO BAD!**

**The New Round House of the Raleigh and Gaston Burned.**

RALEIGH, N. C., Dec. 29.—Fire in the new round house of the Raleigh and Gaston railroad destroyed the building, valued at \$20,000, and seriously damaged seventeen locomotives housed in it.

**A Bible Class.**

The Sunday School Teachers' Bible study, which was so helpful to the teachers who participated in the study last winter, will be resumed and will be held at the Young Men's Christian Association, 26 Patton avenue, each Thursday afternoon, at 3:30 o'clock, commencing this week. Rev. W. J. Erdman, who is known throughout this country as a Bible student, will conduct the study whenever he is in the city, and will take up the Sunday school lesson for the following Sunday. All ladies and gentlemen, whether teachers or not, will be welcomed.

**In Charge of the "Three C's."**

JOHNSON CITY, Tenn., Dec. 29.—H. J. Englewig, acting for Lesner Tate, took charge of the "Three C's" railroad this morning. All the employes will be subject to his orders.

**Columbia, Tenn., scorched.**

COLUMBIA, Tenn., Dec. 29.—The most disastrous fire this town ever had started on the southeast side of the public square yesterday and destroyed twenty houses before it was controlled. Loss \$50,000.

**AFFAIRS OF CONSEQUENCE.**

FOREIGN.

Two lepers in a Madrid hospital have been inoculated with Koch's lymph.

The death of Dr. Heinrich Schliemann, the archaeologist, is announced.

The official census of Germany, which has recently been completed, gives Berlin a population of 1,574,489.

Prof. Koch, in an interview with an eminent English physician, who urged the professor to disclose the whole process of manufacturing lymph, became very wrathful at the proposal, and declared that he had a right to do as he pleased with his discovery.

HOME.

Senator Don Cameron, it is considered, is certain of re-election.

Thirteen inches of snow fell in New York city Friday and Saturday.

Every government vault in the country is said to be filled with silver to its utmost capacity.

United States Treasurer Huston has finally decided to reconsider his resignation and remain in his present position.

Mr. Chauncey M. Depew says he will stop making after-dinner speeches, because Mr. Depew insists that he should devote some time to his family.

Two bloodhounds connected with an "Uncle Tom's Cabin" company got loose and besieged the manager and treasurer of the Annapolis Opera House for half an hour in the manager's office.

It has been discovered that many consular certificates have been sold to Canadian exporters, who filled them out with under valuations, thus defrauding the United States treasury out of at least \$1,000,000 in the past year.

William Kline, superintendent of telegraph of the Lake Shore and Michigan Southern railway, has issued an order to members of the order of railway telegraphers in the employ of the company requesting them to withdraw from the order or resign their positions.

The Dominion government has ordered the Northwestern Masonic aid association, of Chicago, to withdraw its business from Canada, because it is alleged to have insured people who were not members of the order and failed to deposit \$5,000,000 with the Canadian authorities. The Chicago managers say the Canadian policy holders will be protected.
