## SNOW, WIND AND ZERO.

A TERRIBLE STORM RAGING THROUGHOUT THE NORTH.

Wires and Poles Down, Trains Blocked, Travel Impeded and Wyoming's Live Stock in Danger.

CHEYENNE, Wyo., Feb. 9.—The worst blizzard that has been experienced in Wyoming for four years has been raging for the last 24 hours. The stock men are apprehensive of severe losses on the range of cattle. No west bound trains reached Cheyenne yesterday over the Union Pacific or Burlington. A relief train with provisions has been sent out to the fast mail and the overland flyer which are stuck in the snow forty miles east of here.

ATLANTA, N. Y., Feb. 9.—A violent snow storm set in about three o'clock yesterday afternoon and continued without abatement until midnight. ### Covered Herself With Glory.

A. B. Williams, of the Greenville, S. C., News, writing to his paper about Asheville's reception of the Gould party, says:

"The biggest thing in the way of a banquet the south has ever had ended about 1 o'clock in the morning. Asheville had covered herself with glory as with a garment and had brought the view from Battery Park and her other magnet like attractions to the notice of the country's greatest capitalists and investors. It cost her a good round sum to do it, but she did it in a style which will not soon be surpassed anywhere or by anybody."

### Where or to-morrow Night.

Of Katie Putnam, who appears at the Grand to-morrow night, St. Paul Globe writes: "One of the most charming and versatile actresses on the road this season, and one of the most successful, is Katie Putnam in her new play, 'Love Finds a Way.' Miss Putnam is not only a clever dancer and singer and an exquisite performer on the banjo, but she also possesses accomplishments of a high dramatic order, which in her new piece find plenty of scope for artistic and telling work. She is surrounded by a company of comedians and the performance is spoken of in the highest terms."

### AT WASHINGTON.

In the house the bill amending the land forfeiture act of September 29, 1890, was passed.

Carnegie, Phipps & Co., of Pittsburgh, will furnish \$3,000,000 worth of armor plate to the navy.

Census reports are expected to show marked progress among southern farm laborers in acquiring property.

At the meeting of the house committee on postoffices and postroads Saturday, the postal telegraph bill was laid on the table by a vote of 6 to 5.

There was a long debate in the house on the bill to make it a misdemeanor to sell cigarettes to persons under seventeen years of age. It passed its final reading 63 to 35.

Conservative democrats in congress do not regret the defeat of the free silver "rider" in the house Friday, as had it been successful an attempt might have been made to put the force bill through the same way.

All miserable sufferers with dyspepsia are cured by Simmons' Liver Regulator.

## BOYD IS FREE.

The Defendant Declared Not Guilty and Discharged.

The criminal court adjourned Saturday afternoon before the argument in the case was closed. Geo. A. Shuford, who was speaking at the time of adjournment, finished his speech this morning, and Solicitor Carter closed for the state. The case was given to the jury about 12 o'clock.

At 3:30 the jury returned and rendered a verdict of "not guilty," and Boyd was discharged.

It may be here remarked that if a criminal can be compelled to sit through a week's trial in the close, stifling, ily-ventilated room at it is now used for the court's sessions there will be little need of a verdict to hang the unfortunate. Death from the foul air would come to the prisoner's relief before the machinery of the law could get it to work.

### NEW PASTOR CALLED.

Rev. J. L. White, of Durham, to Preach Next Wednesday.

Rev. J. L. Carroll, D. D., who recently resigned the pastorate of the French Broad Baptist church, occupied the pulpit of that church yesterday, preaching two excellent sermons.

This church has unanimously called the Rev. J. L. White, of the First Baptist church in Durham, to succeed Rev. Dr. Carroll as pastor of the church, at a salary of \$1,500 a year.

Rev. Mr. White has not yet decided to accept the call. He will preach at that church Wednesday night, and a large congregation is expected to be present. Rev. Mr. White was formerly pastor of the First Baptist church at Raleigh.

### THEY CAUGHT.

He Was Selling Goods at Low Prices and Was Nabbed.

Wilson Murthelate, colored, was arrested in this city yesterday by Officer White on suspicion. Murthelate had been selling shoes, horse collars, etc., to parties in the city at prices below the regular market value, and it was thought he had stolen them. One of the collars had the cost-mark of T. J. Reed & Co., at Hillsboro, on it. Murthelate has a hearing before Esquire C. W. Malone this morning and was placed in jail to await the next term of criminal court. The stolen goods belonged to Geo. Vanderbilt and were stolen from Reed's store at Hillsboro.

### Death of a Splendid Man.

From the Charlotte Chronicle.

Julius A. Bonitz, editor of the Wilmington Messenger, died suddenly on yesterday morning. He was a man of most indomitable enterprise and energy and his influence was felt and recognized over the entire state. His standard in journalism was high and he stood at the top of the profession. North Carolina has few such valuable citizens as Julius A. Bonitz and when such a man dies, the sorrow is not sham, but deep and genuine.
