ITALY'S DIGNITY.

Marquis Di Rudini Says the Lynchers Should be Punished.

ROME, April 2.-In a long interview with the Marquis Di Rudini, United grip has been discovered. Very appro-States Minister Porter stated that the Washington Critic. United States government is willing to The deadly-at least the annoying materially compensate the families of the microbe that causes the grippe is said to New Orleans victims, but that it is impossible for the Washington govern-caged.—Memphis Appeal-Avalanche. ment to place the lynchers on trial, that being a matter for the grand jury in New Orleans to decide. The premier limited that Italy's dignity demanded insisted that Italy's dignity demanded om low priced to fine work made that the culprits should be punished.

Allendeavors to obtain an opinion upon the present crisis between the United States and Italy of Minister Porter here have proved futile. It is learned, however, that he has done much to pacify the bry Goods, Hats, Shoes, Small Wares, Clothing, Carpets, Etc.

Italian government, and that he has won over to his way of thinking the other ministers, several of whom had been trying to induce the Italian premier to be less hasty.

A Chicago physician professes to have some thinking the other ministers, several of whom had been trying to induce the Italian premier for the grip. Of course we should expect

to be less hasty.

The idea of war is scouted here in dip-lomatic and government circles and even Baron Feva's final withdrawal is not definitely decided upon. It is said that even if Baron Fava is withdrawn it will be done only as the most forcible live in. Dr. Gentry, by simply waving a protest known in diplomacy and not as moist glass in the air, has captured some it will be done only as the most foreign protest known in diplomacy and not as a forerunner of a conflict between the United States and Italy. The Italian ever seen. There is no telling what might be caught with a snarenet.—Louis
Wm. Davidson. The que is about three cabinet ministers are in receipt of a large might be caught with a snare net.—Louis-number of cablegrams and letters from Italians in New York city urging moderation upon the Italian government in its treatment of the New Orleans trouble. NEW YORK, April 2.-The editor of the Eco d' Itala has received a dispatch from Fava stating that he will sail for home

PRESS COMMENT.

Saturday.

Next to a Declaration of War-It Will Blow Over. LONDON, April 1 .- The St. James Ga-

zette, commenting on the recall of Baron Boston Herald. Fava, says: If Italy is disposed to send her iron clads to the Mississippi the waited upon the president and asked that Americans would have no ships to face a negro be appointed to the circuit bench the Lepanto and Duello for forty minutes.

The withdrawal of an embassador is the next thing to a declaration of war, and was evidently meant to convey to the United States the information that Italy will not be trifled with.

The Star says the United States is in the star says the United States i

SEVEN RIOTERS KILLED THEY FIRE FIRST AND AT SHERIFF'S DEPUTIES.

Deplorable Outcome of a Strike in the Penusylvania Coal Re gion-A Number of Wounded or Both Sides.

MOUNT PLEASANT, PA., April 2 .- About 2:45 this morning about 500 men began rioting at the Standard works. They destroyed some of the company's prop erty and then proceeded to cut the tele phone and telegraph lines of the coke company, so that no warnings could be sent to Morewood.

About 3 o'clock a party of rioters be

meantime the company's employes at the Standard works hurriedly repaired th telephone line and sent word to More This will be fair play, and will be voted almost unanimously, and will soon lift us out of the mud, provided we elect a mayor and council equal to the task, without six men to sit as watch dogs at their heels, which would be a disgrace to the fair name of Asheville and a stigma for years to come a control of the mud. The men were divided into three parties. Captain Laner having charge of parties. parties, Captain Laner having charge of I suppose it is unnecessary to discuss a party which was placed behind a law so full of such lamentable, not to say corrupt, provisions. Yes, a law that would tax Dan Cauble's \$1,000 home as the company's store they made an at much as Col. Coxe's, worth \$500,000. the company's store they made an at Yes, tax Dan Brown on his \$200 tack upon it and raided it as far as they could in brief time. They then marches Even if the national government had jurisdiction over the alleged murderers, it could not give assurance to any foreign power that they should be punished. The president is unable to see how any government could justly give an assurance of this character in advance of the trial and a verdict of guilty."

Said:

"The action taken by the Italian government and unpresent could not give assurance to any foreign ermment in demanding the passport of law that would sell a man's home for six yearly payments, because he was unled to pay the first. I challenge the world to show its equal. Yes, an unboly law that collects from the landholder other than that emenating from the other associations; a considerable of law cither in civilized or savage nations; a law that would sell a man's home for six yearly payments, because he was unled to show its equal. Yes, an unjust and unheard of law cither in civilized or savage nations; a law that would sell a man's home for six yearly payments, because he was unled to them to halt or six yearly payments, because he was unled to the passort of a solonom to the passort of a savage nations; a law that would sell a man's home for six yearly payments, because he was unled to the passort of a savage nations; a law that would sell a man's home for six yearly payments, because he was unled to pay the first.
