I have just bought one of the finest Soda Fountains in the South, with all modern improvements, and am now prepared to serve soda water in the best style. I will give the business my personal attention and will guarantee satisfaction in every respect or money refunded. You can rest assured that the soda and mineral water sold at my fountain are pure. I do all the work and make all the syrups, and I feel I can truthfully say they are pure. (Syrup fresh made each day.) Below I give you a partial list of the syrups used, also a few of the mineral waters: Mineral waters on draught, Deep Rock, Vichy, Tate Springs, Congress, etc. Soda water syrups: Lemon, Vanilla, Pineapple, Strawberry, Raspberry, Peach, Sarsaparilla, Orange, Ginger, Nectar, Blood Orange, Blood Orange with Phosphate, Banana, Catawba, Chocolate, Oxytocus, Cream and many others too numerous to mention. Special new drinks of the season. Limeade with Phosphate, Pineapple Gem, Whipped Cream Soda, Ice Cream Soda, Malto, etc. But for the richest drink ever drawn from a soda fountain I advise the use of Carmichael Daisy Cream. This cream can be added to any syrup desired, and makes the richest soda water ever offered to the American people. Don't forget the place, Carmichael's Drug Store, No. 20 South Main Street.

**OLD AND THE NEW MEET.**  
**THE OLD HAND OVER THE REINS TO THE NEW.**  
Mayor Blanton and the newly Elected Board of Aldermen Take the Oath of Office Today at the Battery Park.  
Mayor—Charles D. Blanton. Aldermen—John D. Brevard, James M. Gudger, William T. Reynolds, T. Charles Starnes, J. Hamp. McIlwain and Charles B. Leonard.  
Those are the gentlemen who today took charge of the affairs of the city of Asheville. And a good looking, solid set of men they are too.  
Mayor Blanton, though able to sit up and walk through the hotel, was not sufficiently recovered to come down to the mayor's office, so the old and the new board members, with the exception of Mr. Gudger, who is confined to his room, went to Mayor Blanton's rooms at the Battery Park at 12 o'clock.  
Justice A. T. Summey accompanied them, for the purpose of administering the oath of office to the mayor. Arrived at the hotel Justice Summey wrote out the oath prescribed by the code, to which Mr. Blanton subscribed. The mayor then in turn administered the oath of office to the aldermen present.  
After the oaths had been taken by the board, Justice Summey and City Clerk Miller went to Capt. Gudger's residence and administered the oath to that gentleman.  
After handshaking and congratulations between the old and the new, a short business session of the new board was held. Alderman Gudger was elected mayor pro tem, and Justice Summey was appointed to try the cases which may come before the mayor's court, until Alderman Gudger is able to assume the duties.  
The board also instructed City Clerk Miller to order a quantity of water pipe sufficient to put down a main from North Main street to Spruce street. The meeting then adjourned, after wishing Mayor Blanton a speedy recovery.  
The new board will meet next Friday night at 8 o'clock.  
**LOOKING BACKWARD.**  
Four years ago F. M. Miller, W. E. Wolfe and R. L. Fitzpatrick were installed in the offices of aldermen, which they today delivered over to the gentlemen elected to succeed them.  
A brief resume of the work of the board, touching only the most important acts, during these four years past, is given THE CITIZEN'S readers herewith.  
At the time of the incoming of the board of which Messrs. Miller, Wolfe, and Fitzpatrick were members, the new water works were nearing completion. The board purchased pumping apparatus for the supply station, and erected a stone pump house, and a residence for the engineer. It also bought and located the filters now in use on College street.  
There were then practically no sewer lines in the city, the only one, in fact, being a line running from Battery Park to Town branch. Under this head the present sewer system was projected and built, and it has grown until the city now has about fifteen miles of sewerage.  
Several miles of water mains have also been added to the city's water system during the past four years.  
Of all the work done during the board's administration nothing is more noteworthy than the establishment of the present graded school system, and the erection of the handsome school building on Orange street.  
When the board came in the fire department was insignificant in its equipment at least, there being only a hose reel and a limited amount of hose. A splendid hook and ladder truck has been added, four excellent horses purchased and a large quantity of hose provided, making Asheville's fire department one of the very best in North Carolina. The Game-well fire alarm telegraph system was also inaugurated.  
Under this board the People's Light, heat and power company was chartered, and a contract was made with the company for the system of street lighting now in use. A greater number of pole lights were added and the "moon-light schedule" which had so long prevailed, was abandoned.  
The Asheville street railway company, which now runs cars over five or more miles of its lines, was privileged by this board, as were the Asheville and Craggy Mountain line, the Montford avenue line, the line over East street, and the Park and hotel company's line.  
In the matter of street improvement, North Main, South Main and court place have been paved, a rock wall and good sidewalk put down on Patton Avenue, and good work done on that avenue as far out as the Roberts house. South Main street has been widened, as has College street from North Main to Oak, which latter has also been widened its entire length. Charlotte street has been extended and widened, and Bridge street, which formerly was in sad plight, is now one of the best streets of the city. North Main has been widened from Merrimon avenue to Cherry, and the name of Pulliam street has been changed to College. Southside avenue has been opened, as well as Starnes avenue, Penland street, Hiawasee place, Vance, Market, Prospect park and Jefferson drive, besides many others of smaller account.  
One of the board's last acts is the tearing down of the old jail building and the beginning of work on the new city hall and market house.

**A COLOR TROUBLE.**  
It appears at Wilmington, but soon disappears.  
WILMINGTON, N. C., May 18.—Several negroes were heard making threats to attack the jail and release Kit Huggins, a driver of an omnibus, which ran over and killed a little white boy named Liston Chadwick recently.  
Yesterday between one and two o'clock in the morning, negroes assembled in force within fifty yards of the jail. Mayor Ricouard ordered the military alarm to be sounded, and members of the Wilmington light infantry came to their armory from all parts of the city.  
Then the negroes began to disperse. Twelve or fifteen were arrested. By 3 a. m. everything was quiet. It was ascertained, on searching the negroes, that nearly every one carried a pistol.  
**A VERY COLD SUNDAY.**

**TIME FOR CORTE TO GO.**  
**THE INDISCREET ITALIAN CONSUL AT NEW ORLEANS.**  
The Mayor Asks the Governor to Ask the Secretary of State to Have Corte Recalled to Italy Whence He Came.  
NEW ORLEANS, May 18.—Mayor Shakespeare has addressed a letter to Gov. Nichols in which, after calling attention to the fact that Italian Consul Corte has been very free with his comments on the lynching of the Italians, says:  
"If an Italian consul, Mr. Corte has ever had any usefulness here he has outlived it and has become through his acts not only an unacceptable person, but an element of danger to this community, in that by his utterances he incites his inflammable people to riot or sullen opposition to the laws and customs of the country they have sought as an asylum. Being a depository, as he confessed himself to be, of criminal secrets relating to the individuals of his race resident among us he refuses to give to the department of police and justice the information he has, and thereby increases the danger to the community from these criminals. For these reasons I have the honor to request that you ask of the honorable secretary of state at Washington the recall of Consul Corte's exequatur by the president."
