stock. Mr. J. Taylor Amiss Pive and a half years ago I started in the music business. The people of Asheville and Western North Carolina have been kind to me and I wish to make grateful acknowledgement of it. I started by taking an agency. I became soon satisfied that the people are entitled to better instruments and fairer treatment than I would get acting merely in that way. Hence I started out independent to give the very best instruments for the money they had paid previously for their instruments.

For a continuance of the history of the Asheville Music House see the Citizen of a few days later. Mean while come and see my stock and get prices, at and Mr. Chas. W. Devaultare with me and will be pleased to meet their friends and customers. Don't forget the place. Carmichael's drugstore, No. 20 South Main

fered on above discribed fans On one occasion Coleman broke a dish until July 1st. Sold only by Smith from Coleman's wages, the former insisting that it resulted from carelessness. The latter was exasperated, and vowed that he would do Smith as mean a trick as he considered had been GLASS, SOUVENIRS, HOUSE

Soon after this, the silver spoous began to disappear from Coleman's table. After this had gone on for a week, Smith began to watch Coleman closely, believ-ing that the latter, by taking the spoons for which he (Sm th) was responsible sought the threatened revenge. He learned that Coleman had given two teaspoons to a young colored woman, telling her to have them made into finger rines.

rings.
Coleman was absent from the hotel one day, claiming to be sick. Smith thinking a good opportunity offered, and knowing Coleman was not in his room, made affidavit as to his suspicions and the cir-H. REDWOOD & CO. cumstances before a magistrate of this city and procured a warrant authorizing a search by officers of the apartments of the suspected man.
A deputy sheriff went with Smith and

the room of the alleged thief was searched. Before beginning the search, ns in use there were laid before him. They were of two kinds, shapes and sizes, and all had the stamp of the same maker. Smith also showed certain marks made across the back of the upper part of the spoon-handles, and a single straight mark across that part of the back of the spoon's bowl where it is joined to the handle. The marks had been made with a rough instrument, and bad evidently been made for months. In most of the cross marks the instrument strikes her advancement has been maken. most of the cross marks the instrument strides; her advancement has surpassed

these marks with a broken case-knife.

When the officers searched Coleman's trunk he found carefully put away in the bottom, two silver spoons, identical in shape, size and device with the two kinds of spoons at the hotel, one of each kind. The maker's name was the same and a most careful comparison failed to discover the slightest difference between the spoons found in the trunk and those used in the hotel. As soon as Smith saw the officers uncover the spoons, he de-level to find the followed the bacearat seandal revelation was ominous for monarchy. "England, the Express adds, "will not forget the character and habits of the Prince of the Structure will be excharacter and habits of the Prince of the services.

opera house on Thursday night, June 18, steps looking to the securement of the niversity at Asheville. THE CITIZEN talked to Attorney Gen-

this marning. That gentleman said : "As I understand the matter the l'resbysynods of North Carolina, South Caro to establish an University at some point within those states. The subject has Croft in September last. enterprise has been committed to a board session of the General Assembly of North Carolina a charter was granted then.

"I think it may be safely said the university is a fixed fact, and the only question now to be determined in the location which, I am told, will come up for consideration at a meeting of the board of regents on 30th inst.

"Several cities and towns have presented their claims, among them Augusta, Atlanta, Greenville and Spartanburg. It would be impossible to ignore Asheville in the discussion of such proposition even had her citizens neglected to present her advantages; but there has been no such neglect. On every proper occasion kind friends and public spirited citizens have spoken for us, and recent occurrences of which it may not now be prudent to speak more fully, give ground for much hope that this great institution will be

"In my opinion it is the greatest op-portunity that has been presented us. The advantages now, as well as for however, he was taken into the hotel and generations to come, resulting from the establishment of such an institution are measulable. Not only will there be a large and substantial material advan-tage from the erection of the buildings, improvement of grounds, increase of population of the most desirable character and increased opportunities for trade and the employment of labor; but above and beyond this dollar, and cent

"Asheville has been making tremendous shors, HATS, HATS, bad not cut for a sufficient distance at first and the stroke had been repeated, so that both strokes could be plainly seen. Smith explained that he had made these marks with a broken case-knife.

The most sanguine hopes of her most loyal etizens. But we must not shut our eyes to the fact that while we have passed many others in the race for wealth and these marks with a broken case-knife.

the officers uncover the spoons, he de-clared that they were beyond any doubt two of those missing from the hotel. it is the educated mind, the mind trained in schools and colleges that now controls the world. The day for self-made men,

could detect the slightest difference. Two
of the waiters testified to hearing Coleman's threat.

The chain of evidence seemed to becomtaurant in Norfolk, Va. and while engaged there two spoons marked as seen at the trial had been given him, by his mother and sister, and for that reason he had never parted with the spoons. He introduced evidence to show that the practice of marking spoons in hotels with a cross mark was a very common one.

Coleman's statement was lengthy and the crowd smiled incredulously at his evidence. The magistrate had clearly determined to hold him for trial. His counsel appeared much disconcerted at the case made out, but insisted on his right to argue the case. The prosecuting attorney, therefore, made the opening argument, reviewing the case, the motive of the defendant, etc.

Meanwhile the counsel for the defend-
