first thought of four years ago, He heartily agreed with all that Capt. Carter had said, and was ready to risk every dollar he had on the carrying out of this plan in good faith. This scheme means all that Capt. Carter has mentioned, said capt. Atkinson, and it means much Capt. Carter has mentioned, said Capt. Atkinson, and it means much mood. But when the sile began, though visited a naval exhibition, where he was an eligible one, there seemed much interested in the models of new but the beginning of a road which in less than eighteen months will connect when the months will connect when the same of the months will be same of the same less than eighteen months will connect Asheville with New York by a line entirely independent of the Richmond and Danville system. Capt. Atkinson had no words of abuse for the Richmond and Danville road. It had done a great work for Asheville and Western North Carolina, but another road and competition was necessary in order to

find the beauty of the rising sun of a brighter day for Asheville in this scheme. The stars were fading before the brighter light of the rising sun of presents which this competing line and may be a lasting and useful one.

In the people there had assured him that if our people would construct the twenty miles proposed at this end, they would meet us. Capt. Atkinson saw the dawn of a brighter day for Asheville in this scheme. The stars were fading before the brighter light of the rising sun of the property which this competing line.

In the people there had assured him that if our people would construct the twenty miles proposed at this end, they would meet us. Capt. Atkinson saw the dawn of a brighter day for Asheville in this scheme. The stars were fading before the brighter light of the rising sun of the proposed the proposed light and the promise that an orderly and magnificent reception would be accorded to the emperor by the loyal subjects of the queen of England.

Precisely at noon the royal state carriage left Buckingham palace, sparkling with gold ornamentation and drawn by which thus fur have surpassed her in enterprise. The sensation was a novel one, and may be a lasting and useful one.

A cool wave is upon us this morning

upon, and expressed himself as heartily in favor of the proposition, and pledged his vote and best efforts at the polls on fully 20. I have always been an improvement man, said the speaker, and I pray that you may succeed in this great undertaking.
