-FOR-

REASONS EXTRAORDINARY

The wonderful success we have had in the private sale of lots since making our last announcement, has induced us to withdraw the public sale heretofore advertised. A large number of lots intended to be sold at that time have already been sold, and we have only to say that Asheville marching at the head of the procession to the time of \$500,000 just appropriated for street Telephone No. 36 and 40. paving, and \$100,000 for extending her sewerage system. has attracted the attention of capitalists all over the country to this rapidly growing and plucky town. One year ago the Asheville, Loan, Construction and Improvement Company with the following officers: GEO, S. POWELL, President and Gen, Manager, W. W. BARNARD. Treasurer, Richmond Pearson, J. E. Rankin, T. H. Cobb, J. S. Adams, Geo, S. Powell, Directors, foresaw what was coming and went to work developing their six hundred acres. embracing the finest building and manufacturing sites in the city. This property is now laid out with broad ave nues, paved gutters and shade trees on each side. Water, The store room and second sto y of building on South Water street adjoining the new direction of South Water street adjoining the new direction of Williamson & Co. The property is erty. Park and lake sites have been left at convenient disjunce.

Price 117-1mo Nos. 5 and 6, Johnson building.

Sewer and electric street railway running through the property and a convenient disjunce.

Park and lake sites have been left at convenient disjunces. September, 1891 Apple to 100-88 & SHUFFORD. Sewer plan has been adopted so as to give the very best sanitary results. Some of the views to be had from points on this property are

Unsurpassed in Western North Carolina

and that almost means the world.

The demand for this property has been unprecedented in the history of Asheville real estate, and its success as the popular resident part of the city has already been assured, there now being over \$125,000 worth of buildings completed and under contract to be finished by 1st October next.
