Four Bead Already Brought T The Susface and Relief Expeditions Organized to Rescue The Others Who May Bo Alive.

LONDON, Aug. 31 .- An explosion took place this morning in the Malago colliery near Bedminster, Somersetshire. A large number of miners were at work in the mine at the time of the disaster. A dull rumbling sound underground, tollowed by a cloud of coal dust issuing from the shaft, first announced that a terrible accident had happened. The alarm soon spread throughou, and crowds gathered about the pit's mouth. Wives and children of the endangered miners uttered heartrendering cries, while the colliery officials rapidly organized an exploring The latter had not been long at work

A positively Safe and Reliable

Blood Purifier.

Containing Burdock Root, Sarsaparilla Bark, Prickly Ash Bark, Poke Root, &c.

By its use you can save yourself from the suffering caused by foul eruptions and ulcerous sores, through which the system strives to rid itself of corruptions. It purifies the blood, giving it renewed vitality and force. Being an alterative, it changes the action of the system, imparting fresh strength and vigorous health in place of that weakness and tired feeling, which is an indication of disorder and decay.

The concentrated power and curative virtues of Buncombe Sarsaparilla render it the most reliable Blood Purifier that can be used, while it is entirely safe for patients of all ages.
