There are excellent reasons to believe that when Egan goes our pleasant relations with Chili will return.-St. Louis QUERIED AND ANSWERED.

ASHEVILLE.—Jupiter.—What system of elec-ric lighting does Asheville employ? The time was, Jupe, when Asheville depended entirely on the moon for her light. But things are slightly different now. The system most frequently used just now is what might be called the flash light. Just as you reach a mud or dust hole the light dies out and flashes up in a few moments to show you theextent of the damage to your clothes.

WEAVERVILLE-"Subscriber"-What do you c naider the greatest n wanger articles appearing within the last three months? Well, ordinarily, that would be rather a difficult question. But Queries has been and early tomorrow morning with all waiting for just such a one for some time. And the chance has at last came. Now to be candid.
