DIAMONDS ARE TRUMPS! We have some entirely new designs in Rings. Of course they are not to be bought for nothing, but they are to be seen for nothing. If you can't possess them, you can at least look at them. Some of them are set in diamonds that flash with wondrous radiance, others are set in brilliant-cut rubies and sapphires that are as bright as the sun. They are made by the experienced eye. It is the fashion to couple diamonds with jewelry with the idea that jewelry overlays are essential. Nothing of the kind. You can buy it much and spend little or you can buy little and spend much. An exceptionally fine selection can be made from our stock of jewelry, etc.

MENS' FURNISHINGS ON THE MOVE! There is the liveliest kind of demand for our Gents' Furnishings. They have been moving so quickly that it is pretty hard to keep pace with them. Last night it was WINTER UNDERWEAR. This is coming, and as it is just what you want and right in season you had better be "in the swim." Prices way down! Amounting the largest and most varied!

UNITED STATES AND CHILIAN. Pedro Montt, Chilean Minister at Washington. Two things are evident in the matter of negotiations between the United States and the Chilean governments, and even the great food of gossip by irresponsible newspaper writers does not overshine and hide them. The first one is that the government at Washington, while not departing from its original demands regarding the outrage at Valparaiso, is reasonably fair in conceding proper time for the investigation being made by the Junta in Chile; and the second, that the Chilean government is awake to the importance, from the standpoint of a Chilean interest, of consulting the government at Washington, with due regard to equity and its own self respect, and dignity. Señor Pedro Montt, Chilean Minister to the United States, of whom the above is a likeness, has made an excellent impression by his prudence and moderation.

PREBYTERIAN SYNOD. The Seventy-Eighth Annual Session Held in Durham. DURHAM, N. C., Nov. 11.—Special.—The seventy-eighth annual session of the Presbyterian Synod met last evening at 7:30. It comprises all the Presbyterian churches in the state, numbering 282 and 26,988 members. Six presbyteries constitute the synod, the largest being Fayetteville, with 7,142 members, and Mecklenburg (in which Asheville lies) with 7,124. More than half the membership is in these two presbyteries. The opening sermon was preached by Rev. Alexander Sprunt, the retiring moderator, and the chairman and executive officer of the synod's executive committee. His text was from Acts 19:44—"While Peter yet spake these words, the Holy Ghost fell on all them which heard the word." The subject of the sermon was "The question of the present and the future of the church." The roll was called, and ministers and elders reported. Immediately thereafter the permanent committee on foreign missions, of which Rev. W. S. P. Bryan, of your city, is chairman, presents a full and printed report. A special meeting is held at 10 o'clock to-morrow evening. Rev. L. Houston, president and Rev. M. Woodruff, of China, secretary. Among the leading delegates are Judge Gilmer, of Greensboro, Dr. J. G. Ramsey, of Spartanburg, and Dr. Davidson, college. Col. John E. Brown, Charlotte; D. W. Oates, of Charlotte.

MOVING THE QUEER. Arrest of an Ex-Convict, who is also a Counterfeiter. RALEIGH, N. C., Nov. 10.—For many months counterfeit silver dollars have been in circulation here. They are little made, the principal defect being a wide lightness in weight. The police Saturday arrested Jesse Goodwin, a young white man, a resident here, for passing these bogus dollars. Saturday night, one commonly given by Goodwin, J. W. Dzeren, also white, was arrested. He is a native of Orange county. Late last night the most important capture of all was made. This being upon information given by Goodwin. The man arrested is John Allen Johnson (white) who has served a term in a United States penitentiary for counterfeiting. All were held for trial at Richmond Dispatch.

BRAZIL BREAKING UP. Province of Para secedes—Others Expected to Follow Suit Soon. LONDON, Nov. 11.—A dispatch received from Pernambuco brings further alarming intelligence regarding the situation in Brazil, which is rapidly approaching the point where a resort to arms will be necessary to establish the position of Fonseca as dictator. The province of Para has followed the example set by Rio Grande do Sul and today it declared its independence. It is expected that the province of Bahia will follow Para's example. Fonseca is moving to rapidly suppress the attempt to set up a separate government, and he has ordered a warship to proceed without delay to Rio Grande do Sul. BLINDING SNOW STORM. Contrast This With Our Asheville Weather. DICKINSON, N. D., Nov. 11.—A blinding snow storm prevailed here yesterday. The temperature was nearly stationary at the freezing point. Over four inches of snow fell. The wind is strong from the west. On the range the cattle are drifting with the storm. MICHIGAN CITY, N. D., Nov. 11.—It snowed and rained hard yesterday and the morning. The temperature was at the freezing point. The wind is strong from the west. On the range the cattle are drifting with the storm. ST. PAUL, Nov. 11.—Two inches of snow fell here this morning. The storm seems to be general.
