DIAMONDS ARE TRUMPS!

We have some entirely new designs in Rings. Of course they are not to be bought for nothing, but they're to be seen for nothing so that, if you can't possess them, you can at least look at them. Some of them are set in diamonds that flash with wondrous radiance; others are set in brilliants only to be distinguished from the genuine gem by the experienced eye. It is the fashion to couple purchases of jewelry with the idea that lavish outlays are essential. Nothing of the kind. You can buy much and spend little or you can buy little and spend much. An exceptionally judicious selection can be made from our stock of jewelry, etc.

IN CIVILIZED ENGLAND.

LYNCHING ATTEMPTED AT ALDERSHOT.

It Would Have Been Fatal Had the Victim Not Been Cut Down in Time—A Bully Taught a Needed Lesson.

LONDON, Nov. 27.—There was some excitement among military men today upon receipt of intelligence from Aldershot, where is situated a great military camp and barracks, that a spirit of military insubordination is prevalent in one of the regiments stationed at that place.

It appears that the corporal of the second battalion of Prince Wales' regiment (Royal Canadians) had by petty tyrannies rendered himself obnoxious to the men. As the corporal was going his rounds a number of men seized him, threw a noose around his neck and hauled him up. The free end of the rope was made fast and he was left hanging in the air. A sergeant discovered him and cut him down. He was nearly dead and it will be some time before he can resume his military duties.

YALE WON

The Knoxville Boy's Team Does Princeton Up.

MANHATTAN FIELD, N. Y., Nov. 27.—Blue floats over the metropolis and

THOS. LEE M'CLUNG, CAPTAIN OF YALE TEAM.

orange and black is trailing low. Yale beat Princeton in the great athletic event of the year for the football championship by nineteen to nothing. Some 37,000 people paid about $50,000 admission and witnessed the contest and everyone got his money's worth. It was a magnificent game and Yale's invincible team had to do the hardest playing of which it was capable.

EDITOR TO BE PROSECUTED.

He Solicited Subscriptions for the Archbishop of Aix.

PARIS, Nov. 27.—When the archbishop of Aix was convicted of insulting M. Fallieres, minister of justice and public worship, and fined 86 0, the newspaper Figaro decided that it would open a public subscription to raise the amount necessary to pay the fine. It printed an appeal to the public and yesterday it announced that enough money had been subscribed to meet the object in view.

The government, however, did not approve of this action on the part of the Figaro, holding that it was a violation of the press law which forbids the opening of subscriptions to pay legal costs. A citation was, therefore, served upon the editor and he will be prosecuted.

PARIS, Nov. 27.—Archbishop of Annecy has written a letter similar to the one which caused the prosecution of the Archbishop of Aix. It is expected that the government will take notice of the letter and cause its author to be prosecuted.

SNOW AND RAIN.

Bad Railroad Weather to Move a Big Crop In.

ST. PAUL, Nov. 27.—A blinding snow storm lasting six hours followed by a drizzling rain, was St. Paul's Thanksgiving day weather. Special dispatches from Minnesota, Wisconsin and Dakota indicate that the storm was very severe. There is now about a foot of snow on the ground in portions of Minnesota and wheeling on the railroads is very heavy. No protracted delays are reported, however.

Knocked Out in the Third Round.

BIRMINGHAM, Ala., Nov. 27.—It a glove fight to a finish here last night before a large audience Eugene McElroy, of Birmingham, knocked out Frank Fitzwilliams, of Cincinnati, in the third round. Both men had been in training here for six weeks, and the public generally was disappointed at the way in which the Cincinnatian was laid out.

The Hunter Caught.

BROWNSVILLE, Tex., Nov. 27.—It is reported from Mir, Mex, that Col. Neeves Hernandez, who has been in command of troops supposed to be hunting Garza, was arrested in Mir by Gen. Garza, and started under a strong escort for the the city of Mexico. It is also stated that the officers of Hernandez's command were deprived of their arms.

Poor Ore Made Paying.

ISHPENNING, Mich., Nov. 27.—The plant established by the owners of the Michigamme mine for the separation of iron ore by electricity, has proved a success. The works have so far turned out 20,000 tons of high grade Bessemer ore. By the improvements being made low grade ores are refined into the best of Bessemer.

Means Blaine and Defeat.

BOSTON, Nov. 25.—"Joe" Manley, of Augusta, Me., left Boston for home this morning. He was in a happy mood because Minneapolis had been selected for the republican national convention. He says it means that Mr. Blaine is most emphatically a candidate, and that it assures his nomination by acclamation.

To be Tried.

LONDON, Nov. 27.—A dispatch from the correspondent of the Times at Santiago de Chili states that all the members of the cabinet of the late President Balmaceda, and a number of other Chilians who held high official positions in the overthrow of the government will be tried for an infraction of the constitution and for malversation of funds.

Who is Responsible.

BERLIN, Nov. 27.—Herr Krapf von Liverhof, secretary of the Austrian legation at Washington, who, while absent from his post on leave, shot himself with a revolver Tuesday last, is dead. Herr Krapf was suffering from mental depression and no doubt is entertained that he was not responsible for his act.

Burned Eight Business Blocks.

ST. ALBANS, Vt., Nov. 27.—A fire that broke out in the American horse stable at 12:30 yesterday morning destroyed eight business blocks and the Congregational church. Loss over $100,000 with a good amount of insurance.

FOR THE SPEAKERSHIP.

Congressman Crisp, Favored by New York Democracy.

Crisp, of the third district of Georgia, is making a strong fight for the speak-

ership. He is said to be the favorite for the office of the democracy in New York city.

Though he is not advanced in years, the coming will be his fifth term in congress. He was born in Sheffield, England, early in 1845, of American parents. The same year he was brought to Georgia, where he was educated. He fought in the Confederate army with the rank of lieutenant; was taken prisoner and incarcerated in Fort Delaware. After his release, in 1865, he read law in Schley county, Ga., where, at Ellaville, he opened an office for practice. Subsequently he served in a local court as solicitor-general, and in June, 1877, was appointed judge of the supreme court of the southwestern judicial circuit. He was elected to that office the next year and again in 1880. In 1882 he resigned in order to become a candidate for congress, of which he is a leading member.

M'LEAN-PRESCOTT.

They Come to the Grand Opera House Monday Night.

The Savannah, Ga., Times, commenting upon the appearance there of MacLean and Prescott, who will be at the Grand Monday night, says:

"In Marie Prescott, the classical characters, of which Parthenia, in Ingomar, is a representative, have an exponent whose work is heightened by fine genius. Her conception of the part reveals new beauties in a character grown familiar through long acquaintance. It is wondrous as expressed by her, in its thorough womanliness. The quiet demeanor which marks her first appearance; the low, sweet tones of her voice, with measured cadence and exquisite modulation, are but suggestive types of the well-considered elements which unite in massing her characterization a perfect picture.

R. D. MacLean, as Ingomar the Barbarian, is the very ideal of the character. His powerful physique, his deep, rich voice, his perfect interpretation of the character, won him hearty applause.

TIME TO "COME OFF."

What Asheville Gets for Being Known of all Men.

The New York Sun has an account of how two men had been taken in for $300 in Jersey City by a couple of "green goods" men. The Sun says they were "typical southerners," and after they had had a hearing at police headquarters they were "advised to hurry home and relate their experience for the benefit of their neighbors." The names they gave were Albert Allen and G. L. Harris, of Asheville.

These names do not appear in the Asheville directory, and it is probable that no such people live here. Twice within a couple of weeks has the Sun contained accounts of "green goods" swindles, on both of which occasions the men said they were from Asheville. That is one of the penalties of being known all over the country. The men when arrested, naturally would not want to give their correct name or address, and so Asheville is thought of before any other place. Is it not about time to call a halt some way on this habit of fleeced strangers of claiming to hail from Asheville.

THE PENSIONERS.

Those in Buncombe County Will Receive their Money Soon.

Warrants were today issued from Register Mackey's office to the disabled Confederate soldiers and soldiers' widows in Buncombe county who are entitled to pensions under the state law.

There are four classes of disabled soldiers who come under the law.

In the fourth class (disabled by wounds) there are 15 persons, who receive $15 each, a total of $225.

In the third class (disabled by wounds) there are 6 pensioners, who receive $30 each, a total of $180.

In the second class (loss of limb) there are five pensioners, who receive $45 each, a total of $225.

In the first class (total disability) there are three pensioners, who receive $60 each, a total of $180.

Of the soldiers' widows there are 47, who received $15 each, a total of $705.

In all there are 76 pensioners in the county, and the total amount paid to all classes is $1,515.

CONTINUED INTEREST.

The Meetings at the Y. M. C. A.—Program Tonight.

Much interest has been manifested by the young men of the city in the special gospel meetings which are being held each evening at 8 o'clock at the Y. M. C. A. Special attention has been given to the music, with most delightful results. The song service which opens the meeting is conducted by Mr. Fitch Taylor. An orchestra leads the singing.

Tonight special music will be rendered by a quartette. Mr. W. R. Gales will give a gospel address. All men are cordially invited to attend.

Tomorrow afternoon at 4:30 o'clock a half-hour prayer meeting will be conducted in association hall by Rev. C. W. Byrd, of the Central Methodist church. All ladies and gentlemen are invited to attend this service.

Card of Thanks.

Mrs. S. Hammershlag and family take this method of conveying their sincere acknowledgments for the many kind deeds and words extended them during their recent sore affliction, and to assure their friends that such kindness will ever be remembered with feelings of profound gratitude.

Bands of Mercy Song Practice.

There will be the regular weekly practice of the Bands of Mercy tomorrow afternoon beginning promptly at 4 o'clock in the basement of the Episcopal church. Dr. Garratt, instructor; Mrs. Child, organist. Let every member attend.

A DE FACTO ALLIANCE.

ALSO A NEW ONE YET TO BE FORMED.

The Action of the Supreme Council at Indianapolis Condemned By the Texas Alliance in Session at Corsicana.

CORSICANA, Tex., Nov. 27.—The Texas alliance in session here has adopted a resolution for the appointment of 25 delegates to represent Texas at the Memphis convention next Monday.

Letters were received from Gov. Northen, of Georgia, and other prominent members of the alliance endorsing this convention, and pledging their support.

Resolutions condemning the action of the supreme council at Indianapolis, and proposing to sever all connection with the "de facto national alliance, and providing for a separate organization with entirely new officers," were adopted.

THE KNIGHTS IN KNOXVILLE

Meeting of Asheville and Knoxville Members Very Pleasant.

The members of Cyrene Commandery, K. T., who went to Knoxville, returned on Wednesday night. They had a splendid trip, having received every possible attention from the Knoxville Knights.

Of the meeting in which the Asheville Knights participated, the Knoxville Journal gives this account:

"At 7:30 o'clock the masonic hall at the corner of Gay and Church streets was filled with the knights, every one of whom was attired in the handsome regalia of the order. Sir O. L. Hurlbut, of Chattanooga, grand senior warden of the Grand commandery, made the official visitation, under assignment from the Grand commandery.

"The orders of the red cross and temple were conferred upon Messrs. J. C. Park and Humphries Reeves, of Greeneville, by the Cœur de Leon commandery.

"Excellent addresses pertaining to the workings of the order were made by Eminent Commander A. H. Colbbot the visiting commandery and Eminent Commander H. M. Aiken of the Cœur de Leon commandery.

"The next object of interest to the knights was a royal banquet prepared in most elegant style. Nearly one hundred knights in resplendent costume surrounded the tables burdened with the sumptuous repast. At midnight the banquet hall was deserted.

ASSIGNED.

An Old New York House Goes Down as Corn Goes Up.

NEW YORK, Nov. 27.—Edward M. Field, Daniel A. Lindley, John Frederick Wechers and Herman C. Hilmers, composing the firm of Field, Lindley, Wechers & Co., bankers and brokers, at No. 1 Broadway, assigned today to Charles W. Gould without preference.

The failure was announced on the produce exchange at noon but the grain market was only slightly affected.

The house is an old one, but latterly has been somewhat restricted in its dealings. The failure is attributed to the advance in corn here and at Chicago. The firm had been protecting some large lines of corn from the S. V. White deal, had been on the "short" side of the November market and a few days ago had to "cover" 500,000 bushels. Their operations were mainly in Chicago, but to some extent other articles have gone against them, it is said, especially coffee, while they had some dealings as well in Wall street. Just how much of the amount the firm finds itself unable to pay is not as yet clear. One of the firm is a son of Cyrus W. Field.

BAD BERLIN BANKS.

Another One Now in Possession of the Police.

BERLIN, Nov. 27.—Berlin was startled yesterday by the announcement of the failure of another financial institution. This time it was the Berlin Banking and Exchange Co., that was unable to meet its obligations. The police have taken possession and closed the head office here. The firm has a number of branch offices, and these, too, have been closed by the police. Is it not about time to call a halt some way on this habit of fleeced strangers of claiming to hail from Asheville.

The Wilmington Bank Failure.

From the Wilmington Messenger.

The fact is, the impending crisis had long been anticipated in financial circles and ample provision had been made to meet all emergencies. The embarrassment of the First National bank had been watched and its suspension had been regarded as a foregone conclusion. Reserve funds were therefore kept on hand for panicky depositors, but of these there were not near as many as was expected.

AFFAIRS OF CONSEQUENCE

HOME.

Edwin Booth's feeble health is said to have been very apparent at the Florence funeral.

St. Paul, Minn., is preparing to make a strong bid for the democratic national convention.

News from the American republics indicate preparations for an extensive exhibit at the World's fare at Chicago.

The democrats of Canton, Ohio, will celebrate the anniversary of the issuance of ex-President Cleveland's tariff reform message with a banquet on the evening of December 8.

Ex-President Cleveland, ex-Secretary Bayard and other members of the advisory board of the Virginia debt settlement have issued a statement indorsing the agreement reached.

Cassard & Co., of Baltimore, the well known provision and pork dealers, made an assignment Wednesday for the benefit of their creditors. Samuel Snowden was made trustee and gave bond of $250,000.

New York Sun: It seems that the result of a fair canvass according to law of the votes cast at the recent election will give the democratic party a majority in the legislature of 1892. It is not certain as yet, however, that such will be the result.
